incest with the Editor

Such wonderful incest!

People always ask me what it's like to have sex with someone you're related to, and I always have the same response: Incest is simply **sensational**.

After all, sex is the most natural thing in the world. Without sex, you or I wouldn't be here. There would be no one. Sex is what makes all of us. But sex isn't just for making babies. The majority of the time people have sex, it's for **fun**.

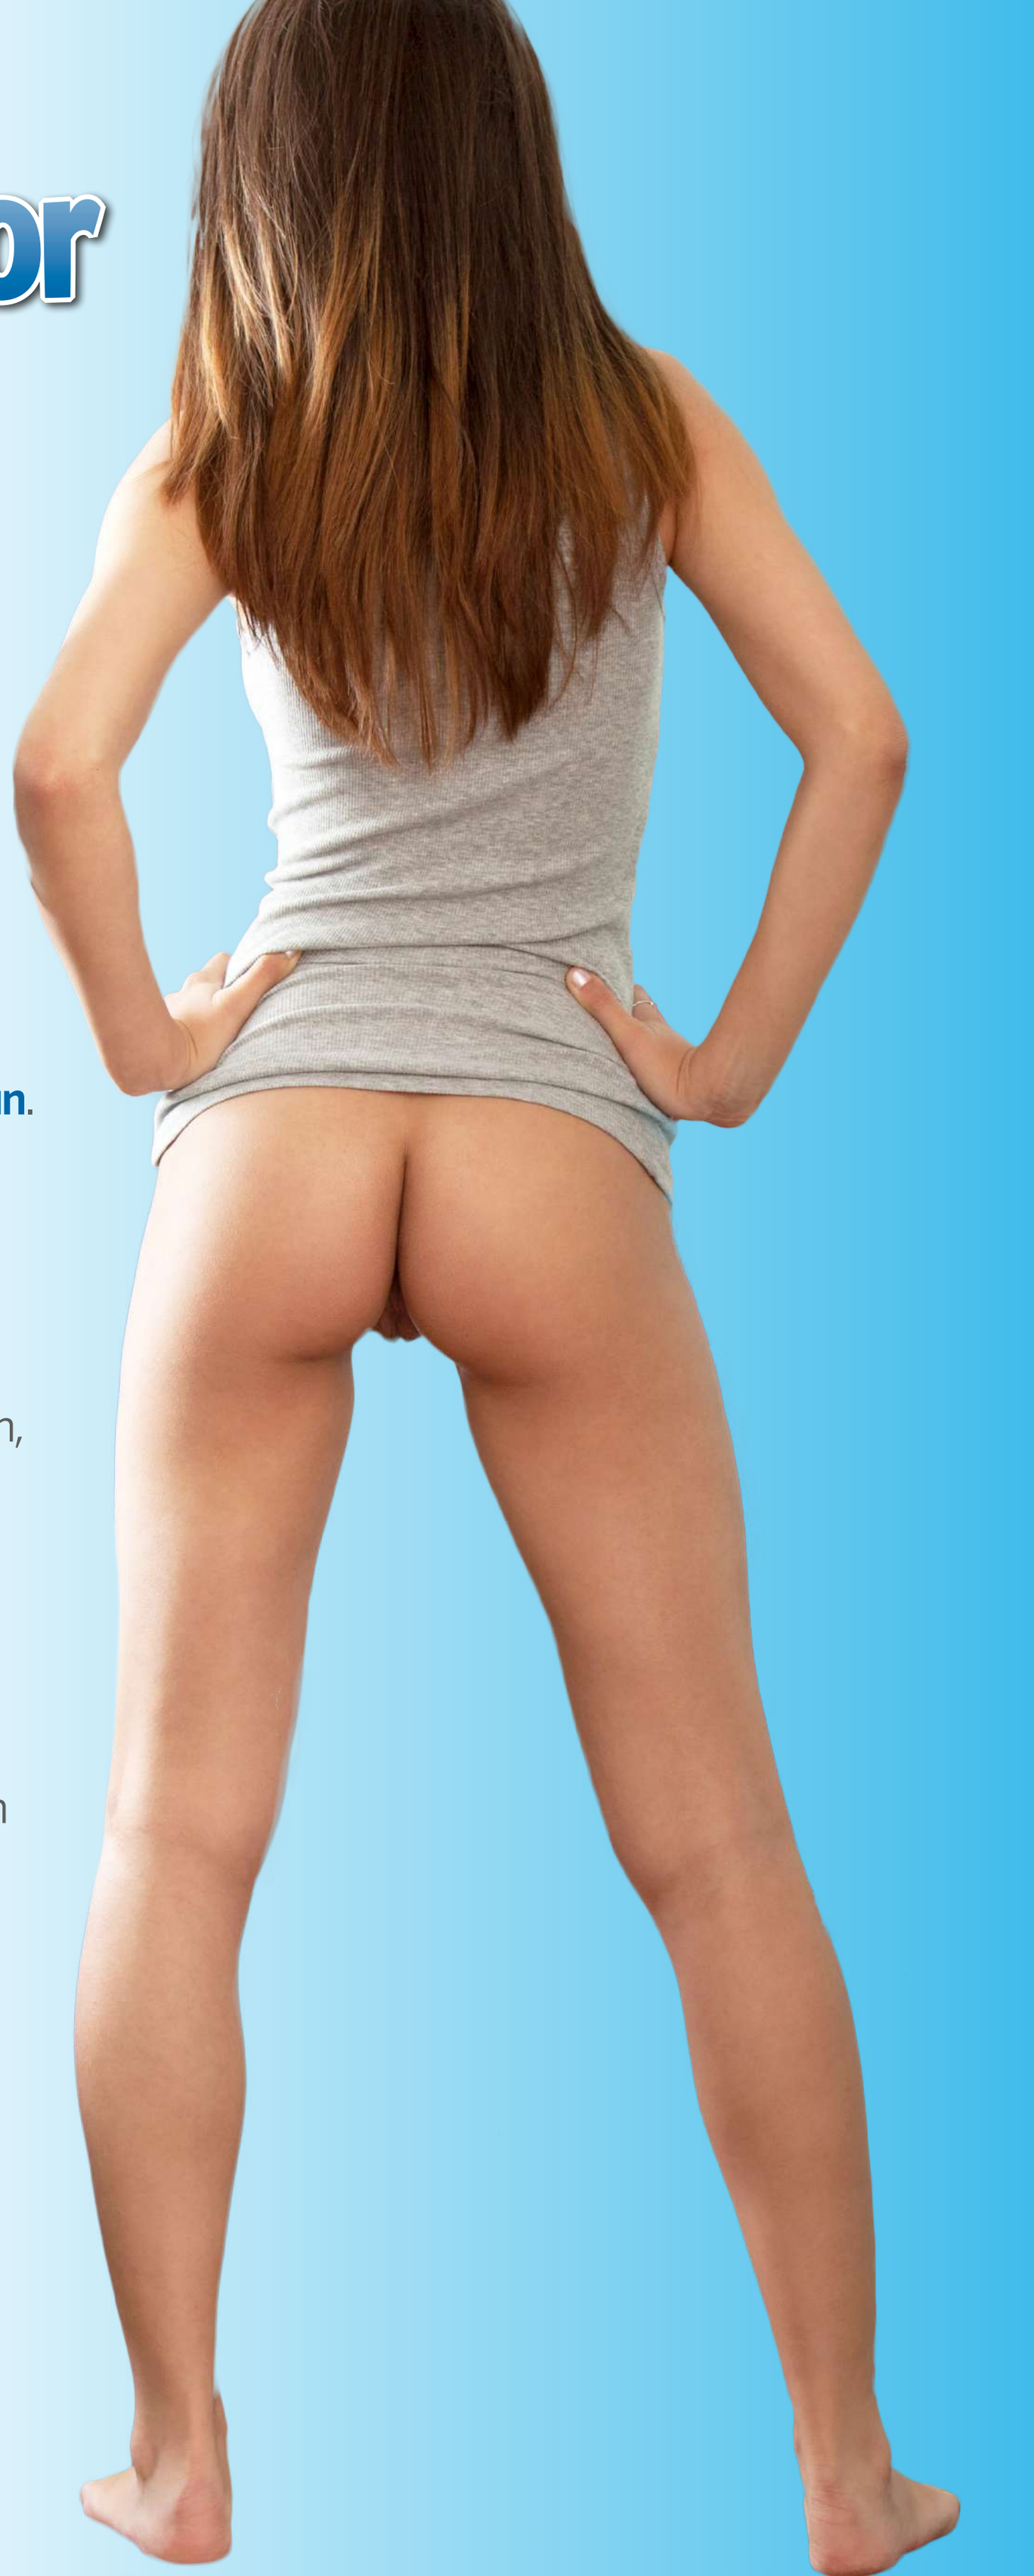

And everyone does it! Moms, dads, brothers, sisters, aunts, uncles... even grandparents! Sex is a very integral part of our lives.

But for an increasing amount of the population, sex is something that is experienced among **loving family members**. Sex brings together siblings, parents, or any relatives who feel attracted to each other. Incest heightens their orgasms to unbelievable new levels.

Experiencing the **joy of orgasm** with your own loving family is incomparable and, for some, a way of life that others can only imagine.

What You Thought of our **Spring** Issue

Carol says:

"My husband and daughter were so excited when they found out the picture I took of them was selected for the cover of *Incest!* Jerry said that some of his colleagues at work saw the issue and loved it, and Melanie has been showing it to all her friends. Her only wish is that they picked one which showed her father's cock inside her pussy, but I think everyone who sees the cover knows right where his cock is. I made a huge poster of the cover which now hangs in our living room. Thank you, *Incest*!"

Sibling Love

"My kids used to fight like cats and dogs. Brett was always teasing his little sister Jilly until she was red in the face, and Jilly was always invading his privacy when he was jerking off in his room. They never seemed to get along, until Brett found a copy of *Incest* and the kids fell in love with it! They begged my husband to get them a subscription. Once we did, all they ever do is play together in their bedrooms, giggling and moaning. Had we known that *Incest* would turn our fighting kids into loving, sensual siblings, we would've got a subscription for them years ago!"

—Beverly, Delaware

Sleeping Horny Brother

"I loved reading the Incest Confession from Linda, a mom who saw her sleeping son with a huge hard-on then brought her daughter in to see it. I couldn't stop rubbing my pussy as I read how they touched his hard prick, kissing it, and enjoying how good it felt in their hands. It must've been so thrilling for her daughter to kiss a penis for the very first time, especially her own brother's! I was so excited I tried the same thing with my two kids. My daughter was just as excited, but unlike Linda's experience, my horny son woke up as we were playing with his hard penis. When he saw his mom and sister licking his cock and balls, he was in heaven! He smiled and moaned as we happily brought my horny son to orgasm, squirting cum all over our faces!"

—Allie, Washington

And with a beautiful mom and sexy sister playing with his penis, we think your son IS in heaven! —Ed.

Incest Candy Comics

"I love the Incest Candy Comics so much! It's the first part of the magazine we flip to when we get a new issue. They're so much fun to read and really get us horny! I wish there was a comic book store that was full of Incest Candy Comics!"

—Andrew, Hawaii

Dancing for My Son

"Each new issue of *Incest* gets my son so horny, I can't wait until we get to play around. My favorite game is to have him sit naked in a chair while I do a strip-tease in front of him. He's not allowed to touch himself as I dance and shake

my boobies in my son's face. He gets so worked up that when I spread my legs and start pushing my pussy into his face, his rock-hard prick starts to squirt his naughty cum all over himself! I get thoroughly satisfied watching my son cum uncontrollably! When he's finished, I lick up all his cum like a good mommy. Sometimes licking his cock clean will cause him to orgasm again, which just means I need to lick up even more cum! I guess a mommy's work is never done…"

—Danni, Illinois

My Incest Life

"Your magazine has inspired me to write the story of my life and the many happy moments of incest that I've experienced. It will begin with my first experiences as a teenage girl when I started fucking my brother. That opened my eyes to how good incest sex felt that I successfully fucked both my parents before I headed to college. While at college I had sex with multiple aunts and uncles as well as continued my various exploits with my immediate family. Once I got married and had kids, I told my husband about my incestuous past. He was more than accepting, and told me that he had spent some wonderful summers with his mom when he was in college! We eventually had five beautiful kids who were more than eager to play around when they came of age. Not a day goes by in our house without one of us having sex with another one. It's spectacular! I hope people will want to read my story when the book is published!"

—Jody, South Carolina

We look forward to reading your amazing exploits, Jody! —Ed.

Incest Unleashed

"I always had these wonderful incestuous desires deep within me but I ignored them for fear that I was the only one who was interested in such things. But after I found your magazine and shared it with my husband, we both admitted to each other that we have fantasies about incest! Since then, while we have sex, we love to talk about our daughter in college and what she would think if she saw her father's naked cock. My husband loves to think about going down on her and tasting her teenage pussy! And I wonder whether our teenage son would be in-

MY NUDIST FAMILY

After reading your magazine, my family has decided to become nudists when we're at home. We make sure all the curtains are drawn so nobody can see us. I can't tell you how much fun it is to see my parents and my brother naked. I didn't know guys could stay hard like that for so long. It's fun to compliment each other, too. "Dad, your cock looks really good today!" or "Jenny, Daddy loves how pretty your pussy looks when you sit like that!" Sometimes I even get carried away and give my brother's cute butt a squeeze. Now Dad hugs me all the time! Sometimes he even holds his cock down so when I hug him it snaps up between my legs against my pussy! It feels so good as his cock rubs between my legs. Mom says she can even see the tip poking out under my butt! Oh, I can't wait to try more incest things with my family!

—Jenny, Connecticut

LESBIAN MOM/DAUGHTER

IT WAS SO EXCITING READING "MOM'S NAUGHTY DAUGHTER" IN THE LAST ISSUE OF **INCEST**. IT HAS ALWAYS BEEN A FANTASY OF MINE TO SHARE A SEXUAL EXPERIENCE WITH MOM. I WOULD LOVE TO BE ABLE TO COMPARE MY PUSSY TO MY MOM'S, FEEL HERS AND MINE AT THE SAME TIME. DOES SHE HAVE A LONG CLIT LIKE I DO? DOES SHE TASTE JUST AS GOOD AS MINE DOES? I'M NOT GOING TO WAIT MUCH LONGER TO FIND OUT!

—Amy, Florida

MOM'S SHOWER FUN

My family has been reading *Incest* for the past year and I'm happy to say that you've helped us become closer with each other. While we haven't gone as far as to actually have sex yet, my two sons love to watch me shower each morning—it's a great way to get those sleepyheads out of bed! They love to sit on the toilet or sink and watch as I soap up my big boobies and tushy. It's so fun to show off my body for my boys, and to watch them stroke those lovely cocks, too! When they get to the point of cumming, they come up real close to me so their hot teenage cum shoots all over my body. Ohhh! Those boys squirt so much of that wonderful juice! My sons love getting up early now, and my skin has never been smoother!

—Jacinda, Massachusetts

terested in sucking on his mommy's tits like he when he was a baby. My husband has very strong climaxes while my pussy orgasms over and over! *Incest Magazine* has really spiced up our sex life tremendously! Thank you so much!"

—Monique, Nevada

New Cupcakes

"My husband and I managed a store that sold adult movies, magazines, and toys. A few months ago I started stocking your magazine. To our surprise, it sold faster than any other magazine! We couldn't seem to keep it in stock. When we were out, people would always ask when we were getting more, or when the new issue would be out. One time a mom and her two teenage kids came in asking for the new issue! Surprised by the demand, we decided to put up a special *Incest* section that featured your magazine and *Incest* posters, *Incest* toys, and *Incest* lingerie. It soon became our best-selling section! My husband brought up the idea of opening up a local Cupcakes store, since we seem to have an overwhelming number of customers for incest-related products. Well I'm happy to share that last month we opened our new Cupcakes store at the Galleria Mall in Fort Lauderdale! Business has never been better. It's so much fun to see couples, teenagers, and even senior citizens stop in and browse. We even took a picture of our first customer, Cindy, a pretty high school girl who purchased some new panties. We've been so happy with how popular the store is that we're opening up two more locations this fall. Thanks *Incest* for helping us find such happy, horny customers!"

—Grace, Florida

Cindy certainly looks like she loves her new Cupcakes panties. Congratulations on the new store and we wish you continued success! —Ed.

Siblings for Parents

"My favorite part of issue #7 was definitely the Siblings in Love pictures. A brother and sister who love each other completely always makes me so happy. I imagine that's how my parents were when they were teenagers. My mom and dad are brother and sister, too. It's so cool that I have parents that are siblings who love each other so much that they want to spend the rest of their lives together. Some of my friends' parents don't get along very much or are even divorced, but I know that my parents will always be in love. It makes me so happy knowing that they have a special kind of love unlike so many other couples. I get really excited when I see the pictures and pretend that it's Mom holding onto Dad's hard penis, and that it's Dad who's fingering Mom's wet pussy. I bet Mom and Dad have had some wonderful incest together. I love you Mom and Dad!"

—Alice, North Dakota

Editor's Page

"Who is the stunning beauty you featured on the Editor's page of *Incest* #7? My brothers agree she's the best part of the whole magazine—she's simply perfect! We all wish that *Incest* would feature more of her!"

—Matt, Nevada

That cutie is our graphic designer's daughter. She's been begging her father to let her appear in the magazine ever since the first issue. Her father finally let her pose, and voilà! Keep your eye out, you may see more of her in a future issue! —Ed.

incest QUIZ

Name: Ashley

Age: Sixteen

First time having incest was:
Daddy and I had been flirting for years - I think sex between us was inevitable. I finally got so horny teasing Daddy that I pretty much threw myself at him last year. He happily took my cherry!

The strangest place you've ever fucked:
That would be up the butt! Haha! Seriously, it's not where Daddy fucks me, but how. We've recently gotten into anal sex. It's super naughty and so much fun!

I love to take Daddy's cum in my:
a. Mouth
b. Pussy
(c.) Ass
d. Face

I love my daddy's cum very much, so really it's all of the above! Recently, I like daddy to cum in my ass before school to feel it squishing in my panties all day!

Favorite place to fuck:
Daddy loves fucking in my bed best!

My favorite way to fuck is:
a. Missionary position
(b.) Doggy style
c. Sixty-nine
d. Lotus position

Special sexual talent:
One of the first things I ever did was learn how to deep-throat. If you saw Daddy's cock, I'm sure you'd be impressed! heehee.

Closest to ever being caught:
I'm pretty sure we **HAVE** been caught! I think my little sister, Dani, has started spying on us. Personally, I think it's super cute, and I understand her curiosity. Now she flirts with Daddy, and asks me about sex all the time. Daddy and I have decided when she turns thirteen next month, we'll invite her to join us.

Last time I fucked was:
This morning! I got so horny knowing **Incest Magazine** asked me to do this quiz, I needed some yummy cummies before I got here.

One thing I haven't tried but want to is:
More family members! My sister is next, but I'd also like a threesome with Daddy and Uncle Mike!

Why Daddy is better to fuck than other guys:
This probably sounds corny, but it's true - I **LOVE** my daddy so much! He treats me like a princess, and I'd do anything to please him.

What I am planning to do this summer:
Daddy and I are going to seduce my little sister next month, so this summer's going to be all about exploring another girls's body, and teaching Dani all about sex firsthand with Daddy's big cock!

One thing I'd like everyone to know is:
That incest is the most wonderful thing ever! Just the thought of families having sex turns me on, and I'm so glad ours does it for real!

Favorite part of fucking is:
Hmmm... probably that feeling when Daddy first enters me. I **LOVE** being filled up with his big fat cock in my mouth, in my pussy, and up my asshole! Oh, Daddy's cock is the best!!

Best thing ever:
That's too easy! I already said incest, so I'll also say that the best thing ever is my daddy's big yummy cock!

Family Affairs

*Dear **Dr. Incest**,*
A few days ago my brother Jake caught me sucking Dad's cock. You see, Jake and I have been having sex with each other for years. He's the perfect big brother for me, so strong yet sweet, too. That is until he walked into our living room and saw Dad sliding his thick cock into my mouth. Jake called me a slut and Dad a pervert, then stormed out. I was in tears. I felt ashamed and confused. You see, I've been active with Dad for awhile now and although it feels different than the boyfriend/girlfriend relationship I have with Jake, the love is equally strong. It's hard to explain. I have so much in common with my brother while Dad is just Dad, so comfortingly old-fashioned. They're both really good at fucking. Jake is very fit and can keep going all night while Dad knows exactly what he's doing. I had the best of all worlds, until I messed up. Since that morning, the atmosphere has been very tense at home. It's just the three of us here as mum ran off with a marriage counsellor when I was young. Now Jake won't talk to Dad or I at all. Dad has been his usual kind self but I can tell he's anxious. He's started to cum quickly when we fuck, even before I've pretended to be his very little girl. Jake and Dad have always done everything together, playing or watching sport, doing jobs around the house or having a drink in the pub. They've always got on so well. Now I'm worried that things will never be the same. Dad has even offered to move out if it would help but that's the last thing I want. Please help me get our happy family and my full incest sex life back. I'm willing to try anything.
Emma (20) from London

Dear Emma,
Hmm, this is a delicate situation. Firstly, I'm full of admiration for the way you've coped at home after your mother left you. I don't think you've done anything wrong either so please don't feel guilty. These things happen sometimes and, believe it or not, often for the better. Your brother's pride has clearly been hurt (does dad have a bigger cock by any chance?) and that may take a while to heal but your family bond sounds strong enough to get you through this. Jake just needs time to regain some perspective. Recently, a male client of mine confessed to feeling so jealous about his brother fucking his mom that he wanted them arrested. I told him to watch the news that night, full of stories about murders and violent robberies, and decide how much of a crime his mother and brother were actually committing. Two days later he called and thanked me. Not only had he forgiven his family for committing incest but he was joining in and his mother was sucking him off as he spoke on the phone. Try and get Jake talking again to remind him of the connection between you. Your dad sounds very tolerant and appreciative of you. Could he have a man to man talk with Jake and make him understand how you can love both of them equally? Think positive. You mentioned that Jake and your dad always had fun doing everything together and I'm sure they'd really enjoy doing you together as well. Haven't you ever dreamed of how good it would feel to have both of their cocks inside you at the same time? You could have dad's cock filling your cunt while Jake pumps his into your ass. You did say you were willing to try anything? Good luck and let me know how things progress.

Sucking Step-Sister

*Dear **Dr. Incest**,*
I'm the only adopted son in a family with three daughters. All three girls are older than me. Lately I've been fooling around with my youngest sister. We haven't been doing much except touching each other and getting each other off, but she says she wants to suck me. But I don't know if it's right. I really want her to, but isn't that wrong?
Sven (17) in New York

Dear Sven,
You and your sister are not technically blood-relatives, so it's not technically incest if you two are fucking around. So let her suck you off as much as she wants. What concerns me, however, is that you have two other sisters who you aren't sharing your horny cock with. Didn't your parents teach you to share and share alike? It's really not fair to only let your littlest sister have a taste of your hard cock. Make sure that the other two have their turn with it. After all, you should treat all your sisters the same by being a good brother. Have fun!

First Time Dilemma

*Dear **Dr. Incest**,*
I'm glad I found your column, since you're probably one of the only people who may understand my problem. When I was a little girl, I had a hard time getting the attention of my father and my big brother. Of course, they both loved me very much, but our different

tastes separated us. They liked doing father/son things together like watching sports, camping, and fishing. Mom and I hated those things. I sometimes wished I was a tomboy, and could enjoy and share in the guy's hobbies, but the truth is, I love pretty dresses, reading, and baking cookies. So the men in my family went off to do their thing, and Mom and I did ours. We rarely had time the whole family spent together. Everything changed last year. My breasts started to come in, and my body changed in a way that both Daddy and my brother really noticed. All of sudden they started to pay a lot of attention to me. I didn't understand at first, but Mom pulled me aside and filled me in. She told me that I was growing up, and that it was inevitable that both Daddy and my brother would eventually notice. In other words, she said with a smile, they wanted to fuck me! At first I was in heaven! I was very horny and curious about sex, and I really wanted to lose my cherry. I decided I'd have to choose between my brother and my dad, and they seemed to pick up that I'd fuck one of them. That's when the trouble started. They got really competitive. At first it was friendly, but then they started fighting and arguing. Mom noticed what was going on, and she got mad at all of us. So now my whole family's angry with each other, and all the attention I was getting has stopped. Instead of losing my cherry, I'm losing my family! Please help Dr. I!

Gina (13) in Arizona

Dear Gina,
I'm glad you wrote me. In my family practice, I've certainly seen this problem rear its head more than once. Fortunately, the answer is very simple and has probably been right before your eyes the whole time. First off, you're looking for a way to create closer bonds with your family and bring them together. You long for an activity that your whole family can enjoy together. Second, you want to lose your cherry, and the attention shown by your brother and father have given you two viable candidates. The problem here is that, for some reason, you feel you need to choose between the two. Dr Incest is here to say nonsense! Being introduced to sex is much more than a broken hymen. There are plenty of 'first-times' to be experienced. Your first handjob, your first blowjob, the list goes on. Therefore, there is no need to choose between your brother and your father; you can have an amazing experience if you take on both the men in your family at the same time! Here's my suggestion: Call a family meeting—Mom, Dad, and your brother. Tell them how horny and curious you are about sex, and how much you'd love to have your family teach you about it. With mom as your guide, your father and brother can introduce you to the joy of hard, hot, family cock. Who knows? Maybe your mom would want to join in on the fun. I'm convinced that your whole family will bond over incest, and you can have incredible four-way orgies as a family night activity that everyone can get off to! Good luck!

Healing Granddad

*Dear **Dr. Incest**,*
I hope you can help. I love my grandad very much but he's in hospital and I'm not able to love him as much as before. I miss him a lot. Mummy says it's not serious but he needs to rest his hip or maybe have it replaced one day. She understands why I'm sad because she loves him a lot too but my brother Henry is being horrible. He says I've worn Grandad's hip out by making him love me every day. But Henry doesn't say I love Grandad he says I fuck or screw him or jump on him so his cock is buried in my little cunt or something like that. Mummy tells him to shut up or she won't suck his willy at bedtime so then he stops teasing me but I still hate him at the moment. I'm not going to love him again until he's nice to me. Do you think Grandad will

be alright? He looked sad last night when we went to see him. I know he's missing me. His big willy got all hard after I kissed him but mummy said I mustn't get grandad too excited or disturb the other patients. The nurses are really nice and look after him but I don't think they love grandad like I do. Is mummy right? Do I have to wait until he's back home before I can even suck on his willy again? Grandad really enjoys it when I drink up all his creamy milk. He looked so unhappy when I had to stop kissing him last night. Aren't people supposed to feel better in hospital? I felt sad knowing Henry and I had mum and dad to love at home but Grandad had no-one. And when he comes home will Grandad be as good at loving me, even with a new hip? Mummy says he'll be as fit as a fiddle after a few weeks but mummy sometimes lies like she did about Santa Claus. And how fit is a fiddle anyway? Time to go to school. Sorry if I've asked too many questions. Daddy says I always do that. I just like to learn and have fun playing incest which I always do. Except it's much better when Grandad's here.

Love from Chloe (13) in London

Dear Chloe,
Answering questions is what I'm here for Chloe, so don't worry about that. You sound like a very caring girl and your family must be very proud of you, especially Grandad. Once his hip is healed I'm confident that he'll be back home with you feeling very happy and healthy. While he's in the hospital you need to follow your parents' advice as to how loving you can be with him. The hospital may be tolerant towards incest if it's done discreetly, but your mom or dad would need to ask the nurses first. They may even allow you to use a private room once they understand how much you could cheer your Grandad up. Either way, whether it's in the hospital or at home, you will need to be very gentle with your Grandad for a while. Try oral sex first, taking turns pleasing each other, both using your tongues lovingly but not writhing around too much if you can help it. Then slowly build up to you giving him a full body-to-body massage before tenderly lowering your cunt onto Grandad's stiff cock. You will need to do most of the work by smoothly sliding up and down Grandad's shaft. By all means, Chloe, take his cock as deep inside your little cunt as possible, but don't rush him. Let Grandad savor the pleasure of your loving little cunt milking him sensually towards a healthy climax. If you keep doing that I'm sure Grandad will be feeling great in no time, and as finely tuned as a brand new fiddle, just like your mom said! Take care and keep in touch!

Will Mommy Like My Taste?

*Dear **Dr. Incest**,*
I've seen Mommy and Daddy having sex a few times. I sneak out of my bedroom and watch them through the crack in the doorway when I can hear them moaning and talking naughty to each other. I love watching Mommy sucking on Daddy's big penis. "Oh, I love to suck your cock, John! Give me all your sweet cum! Let me drink it all right from your balls!" Then Daddy moans really loud and I can see Mommy swallowing. After Daddy pulls his penis out, Mommy licks her lips and smiles. She looks like she loves the taste of Daddy's cum. Sometimes when I'm alone at night I imagine what it might feel like to have Mommy sucking on my penis. I wonder if she'll like the taste of my cum as much as she likes Daddy's. But I'm only fourteen. I know my cock is smaller than Daddy's. Does my cum taste different because I'm fourteen, too?

Timmy (14) in Maryland

Dear Timmy,
Everyone's cum tastes a little different, but that's mostly due to a person's diet rather than their age. A study was conducted recently in Denmark where women sampled cum from lots of men, from age 97 all the way down to a few lucky boys who had just begun to ejaculate semen. The women rated each cum sample and found that age had very little to do with the taste, but rather the food that each man ate

the previous 24 hours had more of an effect on taste. So don't worry about your cum. If the time comes that you and your mommy get the chance to share a special moment with her mouth wrapped around your hard cock, I know she'll love your sweet cum. Not because of how old you are or what you ate, but because you're her son. And a mother always loves her son's cum!

Daddy's Dirty Pictures

*Dear **Dr. Incest**,*
My husband and I have been having problems being intimate with each other. When we first got married we couldn't keep our hands off each other. But we're older now and have two teenage daughters, Jessica and Natalie. Stan and I would only spend time together maybe two or three times a year. He just had a difficult time getting it up more often than that. Until about six months ago. His sexual vigor has increased dramatically and we now have sex regularly. Sometimes three or four times a week. I wasn't sure what had changed, but I wasn't complaining. The sex has been wonderful!
A few days ago I found his cellphone that he accidentally left in the bedroom after he went to work. I glanced through it, curious to see what apps he had on it. But I was shocked to see a large collection of photos of our two teenage daughters! First the photos were polite but naughty, with the girls posing with short skirts or even in their bikinis. But I eventually came across pictures of Jessica and Natalie topless, posing for their father's phone. Before I could catch my breath, I saw pictures of the two girls kissing each other on their exposed nipples, sometimes feeling each other between their legs! Stan had even taken some pictures of their naked pussies, spread apart for their father's phone to catch every juicy detail! I was so shocked I didn't know what to do! Then, I realized that the first few photos were taken around the time that Stan had reacquired his sexual vigor. It became clear that his libido was put into overdrive because of his two horny girls exposing their naked teenage bodies to him. I didn't see any pictures of him touching the girls in any way, which gave me a small satisfaction. My anger started to wane as I pondered what to do. Should I confront him about his naughty photography habit? Or should I let him continue to photograph our girls as long as he doesn't cross the line with them? Jessica and Natalie seem to love to pose for their father's pictures just as much as he likes to take them. Dr. Incest, what should I do?
Linda (43) in North Carolina

Dear Linda,
Don't be upset with your husband. As you saw from the photos, your daughters seem very happy and excited to be photographed by their father that way. And it's reassuring to know that he hasn't forsaken you in the bedroom. Your two girls have super-charged his sex drive and you are the one who's benefitting. I don't see a problem with him taking private family photos of your daughters as long as he continues to keep you fulfilled in the bedroom. Why not let him continue to capture intimate moments with your lovely girls? I've known many married couples who have rekindled their dwindling sex lives with the introduction of their teenage kids in some form or another. A healthy sex life always leads to healthy marriages and happier lives. Why not let your family stay horny, happy, and satisfied?

Son Loves to Go Down

*Dear **Dr. Incest**,*
Every time my son and I have sex, he cums inside me just like I want. It feels so good when I feel his pulsating cock filling my pussy with his juicy cum. But what troubles me is that after he cums, he always goes down on me to make me cum a few more times. While I love the orgasms, I'm concerned that he's so eager to lick me where he just came. I always thought boys avoided eating a pussy that was drenched in their own cum. Am I wrong? Is it something I should stop letting him do?
Maryanne (38) in Vermont

Dear Maryanne,
Don't get overly concerned about your son's actions. To me it sounds like he loves to make his mom's pussy cum again and again, which you sound like you enjoy. You're very fortunate to have a son who enjoys eating out your pussy as much as he does. Some boys avoid the taste of cum, while others don't even like to go down at all. It sounds like your son isn't bothered by the taste of his own cum. In fact, I'd be willing to bet that he enjoys eating your pussy partly because he has just filled it with his own creamy jism. Some boys love the thought of eating out their moms so they can taste both her pussy and their cum at the same time. It's like he's enjoying your fuck session all over again. So don't fret, enjoy the wonderful sensations of his hot, wet tongue dancing around your cummy pussy as it sends your body through orgasm after orgasm.

A Deprived Mom

*Dear **Dr. Incest**,*
I have been reading your column since issue number one, and think the way you share your experiences as a mother with virile young sons is a great help to the rest of us mothers out there! I have been following your advice. I told my son Tim that I am proud of how much he cums whenever he jerks himself off, and admire the size and shape of his dick. I have suggested we bring ourselves off together, which led to mutual appreciation of our bodies. And I have offered the services of my mouth, tits, and pussy to him whenever he needs any kind of stress relief. Now it's part of our everyday mother-son routine. When Tim comes home, I rub his cock through his pants, he cups my breasts and plays with my nipples through my blouse, and we're off to the bedroom. It's all part of the way my husband and I have tried to bring up all three of our children with a healthy sense of sexuality… although I admit it's not completely altruistic on my part! I like fucking and sucking Tim because he makes me horny! Although I don't know for sure, I believe my husband is fucking Tim's sisters as well. One is a little older than Tim and one a little younger. They are both lovely and sexy young girls and I am terribly proud of them… EXCEPT… well, last Thursday, Tim came home and came to the kitchen to give his mother a kiss. Of course, I reached for the front of his pants with anticipation. Tim gave me a weary smile and actually took my hand away! "Sorry, Ma," he apologized. "I'm a little tired. Maybe tomorrow." Can you imagine? Here's what I think. I have taught my little girls that any man who is nice to them, like buys them dinner or takes them to a movie, deserves at least a nice blowjob. I mean, it's common courtesy! I suspect those two little minxes think that should do that for their brother, just because he's nice to them! Dr. Incest, I certainly have no objection to young people exploring sexual boundaries… and of course I recognize the appeal of their handsome brother Tim… but what can I do to get that cock back where it belongs? With his mother!
Catherine (39) in Missouri

Dear Catherine,
As a mom, it's important to set rules for your kids and their incestuous activities. It's not uncommon for some families to restrict the number of orgasms each couple has per week. Make a rule that Tim is only to fuck his sisters once a week. That way when he gets horny, he won't be as quick to dismiss you and your horny cunt. Or, if you'd prefer to let your kids fuck as much as they please, be sure to show him how an experienced fucker like yourself can make his teenage cock cum gallons and gallons. Soon he'll realize that he can always

Got a question for Dr. Incest? Send it to INCESTMAG@OUTLOOK.COM

fuck his young sisters, but the real good times are always with his cock nestled between Mommy's legs! You can also give him subtle reminders of your sexiness and sexuality. Wear skimpier clothing around the house, and don't be afraid to show off your wonderful tits in low-cut blouses or miniscule tops. It might be fun to give your horny kids a special peek by wearing a cupless bra around the house. Letting those perky nipples of yours stand up on display for everyone can always get the boys hard in an instant. Your whole family will be so much happier and hornier!

Christian Family Forbids Incest

*Dear **Dr. Incest**,*
My husband is a much-loved pastor in our community and strictly forbids any sexual taboos. I love him very much but our bedroom activities amount to nothing except the Biblical version of sex, missionary-style only. But I can't ever get satisfied enough with the same thing, only once a month. I know my husband means well, but I'm a red-blooded woman who needs much more stimulation and satisfaction. And, I'm a little embarrassed to admit that, from time to time, I find my over-active libido turning toward the other men in my household. I can't help but fantasize about my two handsome teenage sons. Their father forbids sex before marriage, but I know they get frustrated. They're typical teenage boys, after all. I've seen the evidence on their sheets and in used tissues in their wastebaskets. I can't help daydreaming about what it would be like to help them relieve their tension, to nurture their hard young cocks as only a mother can, to help them relieve the pressure that builds in their balls, and satisfy them with orgasm after orgasm. Oh, Dr. Incest! I know incest is strictly forbidden, but what is a horny mother like me to do?
Wendy (41) in Florida

Dear Wendy,
The Biblical version of sex is certainly quite limited. Missionary-style is great at first, but can get very tedious when it's done time and again. I completely understand your frustration, as well as your motherly concern for your sons and their hard cocks. But remember this—if the Biblical version of sex is only missionary-style fornication, then anything else (like touching, licking, sucking, etc) isn't considered sex. So if you want to help out your pent-up sons release the cum from their heavy teenage balls, go right ahead! It's not considered sex according to the Bible and therefore you're not having sex outside the marriage, nor are you committing incestual sex. Caressing your son's cock and balls, kissing their dripping tips and jerking them until they squirt all over mommy's naked tits is perfectly acceptable—it's not sex! Anything your dirty mind conjures up that doesn't involve missionary-style sex with your sons is fair game. Have them suck on your nipples while you jerk them off… give them a simultaneous hand-job and see who cums first… rub their sensitive cocks against your pretty little clit until you cum! So go ahead, help those horny boys relieve their tension. Pump that cum out of their healthy young cocks with your hands, your mouth, between your big breasts, even up your tight asshole. Be a loving mom and help those boys cum as much as they can! And while you're at it, teaching them how to kiss and lick mommy's pussy will be something they will remember forever!

Family Secret

*Dear **Dr. Incest**,*
I was looking through the attic recently and came across a large cardboard box tied with a string. I opened it and found it filled with old photographs. Photographs of my grandparents when they were in their thirties, my grandma, my grandpa… and my father when he was a young teenager. I had never seen pictures like

them before! Then, to my surprise, I found myself becoming more and more interested—and aroused. I could feel my pussy begin to tingle. There were brilliant color photos of my grandma in the most revealing, most erotic, lingerie I had ever seen. My grandma was as beautiful as ever, and there were many pictures of her fully exposed, her shapely tits showing, nipples rigid. There were pictures of her with her legs wide open, her cunt revealed in pink, glistening wetness, her soft curly cunt hair gleaming. There was my grandpa, with his cock showing, very stiff most of the time, his balls low and heavy and full-looking. And my daddy… there were many pictures of him, with his young cock proudly on display, always hard. There were photos of him showing the growth of his cock and balls, the soft hair as it began to grow. There were pictures of Daddy jacking off, squirting come juice over his mother's full tits, on her hairy cunt, and in her face. There were more of Daddy fucking his mother, of his cock deep in her mouth. There were pictures of my grandma taking Daddy's cock into her asshole while she sucked her husband. I was so aroused by the pictures! I took them down to my bedroom, and for the past week I have been looking at them, playing with my tits and cunt, often to orgasm. And, I was getting ideas, very exciting ideas… about Daddy. Then I found a picture buried way at the bottom. I had never seen anything like it, but the picture had made me so hot, so wet, I couldn't get it out of my mind. I didn't even know I had an interest in such a thing. It was a picture of my grandma, sprawled out on her back, legs very wide apart, grinning wickedly, her tits cupped in her hands, her nipples protruding upward. Between her feet was my daddy, pissing over his mother's cunt. My grandma looked as if she was enjoying it very, very much. That was the only picture like that, but I had kept it under my pillow, looking at it over and over and over. Dr. Incest, my grandparents aren't around any more, so I can't talk to them about it, but should I ask Daddy about these pictures? I want to know more about the things they did when he was a just a boy!
Mona (15) in Texas

Dear Mona,
It's so special that you are able to see photos of your father and your grandparents having such incestuous fun so long ago. Most families don't remember to cherish those sex-filled memories with pictures or videos, so it's very special that your grandparents did. Those pictures are priceless family treasures! If you are curious, I would ask your father about them. Tell him how much you enjoy the pictures and want to hear more about how fun it was to play with his parents like that. Ask him about his first time, how good it felt when he came with his mother. Find out what he liked to do the best with his parents, what were his favorite sex positions? Did he prefer to cum in your grandma's mouth or cunt? Tell him you're interested in learning about incest—see if he'd be willing to teach you. For someone like your father to have such experience with incest, he would certainly be a good teacher with you! Good luck!

Hot Squirting Mommy

*Dear **Dr. Incest**,*
I squirt when I cum. I've always squirted, ever since I was a girl. As I grew up, I learned how to make my pussy squirt a lot, and with lots of force. My husband thinks it's gross and doesn't like me to do it, so I only let my pussy squirt when I'm masturbating. A few weeks ago, my twin boys caught me playing with myself in my bedroom. I thought they were at soccer practice. I was on my back rubbing my pussy vigorously just before orgasm when I heard giggling at my bedroom door. I looked over to see their two cute faces peeking through the slightly-open door. My vigorous orgasm took hold and I threw my head back as my pussy unleashed a torrent of pussy juice, giving me one of the most powerful

orgasms I'd ever experienced. Part of me knew I shouldn't be cumming in front of my two kids, but the other party of me couldn't hold back my overwhelming orgasm. I flicked my clit with fury as my pussy gushed and gushed. When it was all over and I had caught my breath, I looked up at the bedroom door and didn't see the boys. I cleaned myself up and got dressed. I found them sitting on the couch watching TV. I pretended nothing had happened and began to fix them dinner. Over the next few days when I masturbated while they were at school, my orgasms weren't nearly as strong as they were when my boys were watching me. I almost wished they were peeking at me again. It felt so good to cum knowing my two boys were watching mommy's pussy! Then, the following evening before their father got home, the boys came up to me and asked if they could watch me touch myself like they did before. I was so excited for them to see their mommy squirting again, but I knew it wasn't something mothers should do. I told them I would think about it and tell them later. Dr. Incest, I really want to masturbate

in front of my sons again. Would it be wrong of me to let them watch me squirt my pussy juice like that again?

Rhonda (35) in Oregon

Dear Rhonda,
If your sons are interested in watching you masturbate again, I don't see why you should forbid them. They seem very curious to see their mommy's pussy orgasm again, and you sound like you would love to give your boys a nice fountain of motherly cum again. It would be fun to invite them into your room so they can sit next to you on the bed while you show them exactly how their mommy plays with her pussy. Show them how you like to touch your pussy, show them where you clit is and especially the hole where they came from. Tell them how good it feels to be naked in front of them. Horny young boys always love to see naked pussies, and they'll get an even bigger kick out of seeing their own mother as you gush all your mommy juice for them to see. If they're curious, let them feel your pussy as you squirt. You could even encourage them to play with their cocks as you rub your snatch for them. The boys might even like to feel you squirt right on their hard cocks! Wouldn't it be fun if all three of you masturbate together? Cumming with your kids is one of the truly special joys a mother can experience. Have fun and enjoy yourselves!

Gay or Straight?

*Dear **Dr. Incest**,*
My older brother Jake and I always go to bed when Mom says so. But sometimes it's hard to fall asleep. Then Mom came up with a fun way to fall asleep. She blows us before bedtime! First she sucks my cock, then she sucks Jake's cock. She drinks all our sperm and then licks our cocks clean. It feels so good! Then she kisses us on the lips and wishes us good night, and we quickly fall to sleep. But last time she wanted to try something different. She said it would be fun if she could drink our sperm at the same time. We weren't sure how she could do this, but she told us to stand up and face each other, then to start by rubbing our cock-heads together. I was surprised how good it felt rubbing together like that, our dick-heads slipping and sliding over each other. Jake's cock felt good against my penis! Then Mom pushed our butts so our penises came together tightly and she started licking the tips of our cocks at the same time, then slid her mouth over both of them! She was sucking us at the same time! It didn't take long for both Jake and I to squirt inside Mom's mouth. I could feel Jake's cock pumping out his juice and it ran all over my cock. It felt great to feel his cock cumming that I shot my sperm right after he did. And Mom sucked it all up! She liked our cocks clean and then kissed us each on the lips and wished us good night. It was the best ever. But I couldn't help thinking that what I liked best about it was touching Jake's big cock. I loved how his penis felt against mine, and the feel of his sperm all over my cock. I want to touch his penis again tonight even if Mom isn't there. Does this make me gay, Dr. Incest?

Jonah (15) in Quebec

Dear Jonah,
It depends on what you like to do with your penis. If you only want to touch other boys and their cocks and your don't like getting your cock sucked by your Mom, then I would say you're probably gay. However, it sounds like you love to have your cock sucked hard by your Mom's wet mouth. Do you also like looking at her body? Her naked tits and her pussy? Do you wish you could feel her wet pussy or slide your cock inside her pussy? If you do, then I don't think you're gay. If you like both boys and girls, it's very possible you are bisexual. But truthfully, being labelled straight, bi, or gay isn't important. It's what you enjoy doing with your cock that's important. If you want to keep having your cock sucked by Mom, then do it! If you want to keep rubbing your penis with your brother and squirt at the same time with him, then ask him to touch your cocks together again. The important thing is that you have fun and enjoy the amazing feeling that you get when your cock squirts its wonderful sperm!

Birthday Boy's Excitement

*Dear **Dr. Incest**,*
I don't know how my mother found out… whether she noticed what girls catch my eye, or if she saw the browsing history on my computer, or maybe she just noticed how I've been peeking down her blouse ever since I was tall enough to see… but Mom's figured out I'm a Tit Man. Actually, I've been as long as I can remember. It'd be hard not to be with a full-figured beauty like my mother around, as well as Aunt Rose and Gram! You could say big tits run in my family. My other grandmother, Nana (Dad's mom) is big-breasted too. I think that might be one of the reasons Dad picked a big-titted girl like Mom, 'cause he reminded her of his own mom! Dad always peeks down Gram and Aunt Rose's tops when they visit, and I think I've even caught him checking out his own mom's tits! Anyway, the reason I think Mom knows I like tits is 'cause she's started to show her tits off—especially to me! Tops that are so tight you can watch her nipples get hard if it's cold. And so low-cut that you can almost see that part around her nipple. The aureole or the areola? I forget. And I think she likes to bend waaaaay over to talk to me when I'm sitting down. Jesus! She just smiles and bounces away. Next week I'm turning fourteen. I don't know what my mom has in mind to celebrate my birthday, but I think it's something special. Yesterday afternoon, she got a package in the mail and took it too her room. Then she called to me. I came into her room and there was Mom in a silvery-blue thong and a big shiny bra with fringe on it! Goddamn, she was hot! She put her hands on her hips and asked how she looked. When I didn't answer right away, she did

a little dance to make those big titties jiggle. I told her she looked really good. She laughed and took a step toward me. She asked me if I thought the top fit okay. I said yes, but she wanted me to pull up the straps to make sure. I did and it made a cleavage like I've never seen. I had never seen underwear like this before. She said she ordered it online from a place in Nevada that makes costumes for showgirls and strippers. "I've always had trouble finding things really pretty in my size," she said. "But they have lots of girls my size there!" She started swaying from side to side so the tops of her tits danced over my chest. I told her I'd better go. She smiled proudly and said she'd see me later. Dr. Incest, after that I heard Mom on the phone talking to Gram. She said she was going to send her the link to the place in Nevada where she ordered the bra and thong. "They're sure to have your size," she said. "And have Rose get some, too." Later that night, Mom told me to be ready for a surprise for my birthday. She said Gram, Rose, and Nana would all be there… and then she said something about saving my strength! Dr. Incest, what do you think my relatives are planning?

Tyler (13) in Illinois

Dear Tyler,
I can only guess what your fun relatives are planning, but it sounds like you'll certainly be in for a wonderful birthday! Turning fourteen is a very special time in a boy's life. And it's so great that you have such amazing relatives to help you make it memorable. I wouldn't be surprised if your mom, Aunt Rose, and Nana will be interested in showing you their skimpy new lingerie! Wouldn't that be a fourteen-year-old boy's dream! My only advice is to expect the unexpected. It sounds like your family knows how to make a horny young boy like yourself get a rock-hard cock, and I'm sure they'll do everything they can to make it that way! Enjoy the birthday party, and make sure to take plenty of pictures!

Wanting Daddy

*Dear **Dr. Incest**,*
I've been having an incestuous relationship with my uncle David for over a year now. It's been simply wonderful, but I can't help but dream about being with someone else. My father. I've talked to my uncle about it and he's very understanding, even suggesting things I can do to try and put Dad in the mood. Sadly, he's rejected me on all fronts. He even said that if I don't start wearing more clothes around the house or if he catches me fingering myself out in the open again I'm going to get grounded for weeks. David even attempted to bring up the subject one time when they were at the golf course and David said Dad almost punched him in the face. I've tried everything I can think of to entice my father but nothing's working. Isn't there anything else I can do?

Laura (16) in New Mexico

Dear Laura,
Sadly, some people are just not into the same things as you are. It sounds like you've exhausted all your options and your father is strictly opposed to anything of a sexual nature with you. However, all is not lost. You always have your uncle. Try spicing up your relationship with him by role-playing father/daughter situations. Pretend he caught you playing with yourself and "Dad" has to teach you a lesson you won't forget… play the innocent little girl who wants to know more about sex from her father, let "Dad" teach you all there is to know… Sneak into your house and have sex in your parents bedroom to enhance the fantasy. I know you'll love making it with "Dad" on his own bed! Good luck and have fun!

Dr. Incest I Presume?

*Dear **Dr. Incest**,*
We read your column every issue! We read Incest Magazine as a family and always read your column out loud; it gets everybody really hot. My wife always takes the part of Dr. Incest to read your red-hot advice! I love listening to her do it but I'll bet your voice is even SEXIER. We all have been wondering something, though, Dr. Incest. In your first column, you told us a little about where you studied, and now and then you drop a few hints about your life. Like the time you told us how your dad used to tell you "We fuck because we love each other." And the ways you tried to turn your sons on when they were thirteen! My wife's favorite little hint was when you said something like "As a mother who also appreciates the delicious nectar boys make…" It made us all more curious about you! When did your dad start fucking you? Did the rest of the family participate? How many sons do you have? Any daughters? Are they all still practicing incest? Is there a MR. Dr. Incest? We all want to know, and we promise to read your answers out loud and act out what you tell us! Thanks.

Matthew (39) in Delaware

Dear Matthew,
I appreciate how much you and your family enjoy my little section of Incest Magazine! I'm sure your wife does a magnificent job reading the part of me. And thank you for asking about me—it's very kind of you to inquire. I won't go into great detail about my life history, but I guess I can tell you and your family a little about my first incest experiences. I started playing with my pussy when I was very young. It was so exciting for me when I learned how good I could make my pussy feel. Sometimes I would play with it for hours. Sometimes I would touch myself no matter where I was in the house. Mom told me it was okay to play with my little pussy, but not to do it outside of the house. Dad liked to watch me as I tickled my cunny. It felt really exciting to let him watch me touch my most private place! Sometimes Dad liked to touch is cock while he watched me—both of us playing with ourselves together! I started getting really interested in Dad's penis. He would let me touch it and play with it, holding his heavy balls and feeling how warm it was against my face. I kept asking Mom if I could play games with Dad just like she did in their bedroom, but she said I was too young to do that. I was sad, but Dad said it would be okay if he let me rub my pussy against his penis. I started doing it each morning when Mom was in the shower. She would come out of the bathroom to see me sitting on top of Dad, rubbing my crotch up and down his hard penis, letting it slide between my pussy lips. Oh, it felt sooo good when he came, squirting all over my pussy and tummy! I can't count how many times my little cunny would orgasm when I rubbed against Daddy's cock. Anyway, I didn't have sex with Dad until I finally turned fourteen. The heavenly joy that Dad's penis gave me and my happy little cunt that night is the reason I became a professional incest counselor. Now I enjoy helping thousands of families across the country rid their sexual inhibitions and begin to experience the wonderful happiness of incest that we all cherish so much!

From *Incest* #1:

Exhibitionist Mommy

Dear Dr. Incest,
I know I shouldn't but I just can't help myself. Every time I come home from the mall with new clothes, the boys ask me if I can model the new clothes for them. I readily agree because I love to have them looking and staring at my body. It sends thrills throughout my body, my nipples stiffen and my cunt gets so wet. But lately, I've been buying some very sexy items and modeling them for my four kids. Bras, panties, even cupless bras and crotchless panties. My sons to love it! My seventeen year-old tells me I'm a 'sexy bitch', my fourteen year-old calls me a 'hot mama', and even my little thirteen year-old twins tell me that I'm the prettiest Mom they know. My pussy gets so wet when I hear that from them. Am I bad Mom for showing off my clothes to my darling boys?

Tracy in New Jersey

Dear Tracy,
On the contrary, I think you're one of the best Mommies those boys could ever have! If showing off your new clothes, including your naughty underwear gets you excited and gives you a thrill, then by all means, let your sons enjoy the show. They seem to enjoy watching you as well. It might even be fun to let them touch your lingerie, you could even wear the crotchless panties and have them feel what crotchless panties are like! Try and tell them that you'd like to see them do the same for you! Sit down on the couch with a nice cup of tea while your strapping young sons strut their stuff in front of you showing off their tight underwear and bulging crotches! Make it a fashion show for the whole sexy family!

Follow-Up Response:

Dr. Incest,
Thank you for your answer and suggestions, they were very helpful! I took your advice and continued modeling new clothes for my kids. I've even started to bring them along to the mall with me so they can help pick out things for me. Those horny little devils always pick out the smallest, sheerest garment they can find. My friend Trudy who works at the cash register always gets a kick out of the things my boys select, as well as the bulges in their crotches! When we get home, the boys wait on the couch while I change in my bedroom. When they're ready, I strut my stuff in front of them. They love it when I swing my hips, stand with my legs spread apart, especially when I bend over! Last time, my two older kids picked out a sexy cup-less bra while the twins found a pair of panties that looked like they were made of dental floss. When I slipped them on, the string slipped between my butt cheeks and my pussy lips. It looked like I wasn't wearing any panties at all! The boys could easily see their mommy's wet pussy lips, especially when I bent over. Once the modeling was done, I did as you suggested and let them have a feel of Mommy's new clothes. The two older kids immediately jumped up and started feeling my exposed nipples, touching and caressing them like pros. My two younger kids loved to see how the panties they picked out were nestled in my pussy. They spread my cunt lips open to see if they could find the fabric, tracing their finger from the top all the way down to the back! It felt so good that I came after only a few minutes of their fondling! Then I told them to model their underwear for me. After they ran down the hall and got ready, I saw my oldest come out wearing a tight pair of boxer-briefs that said MOMMY'S FAVORITE on the front. They accentuated his muscular legs and well-defined abs. He did a sexy little dance for me, then stepped up so I could feel him. I slid my fingers along his cock, delighted to find how incredibly hard it was. A small wet spot was forming at the end where he was leaking pre-cum. "Very nice, Jeremy," I said with a smile. "Very nice!" Then my fourteen-year-old came out sporting a pair of white briefs that were pulled down just enough for mommy to see his new patch of pubic hair growing above his rigid teenage cock that pushed hard against the fabric in front. I continued to fondle Jeremy who sat next to me as we watched his younger brother do a dance, ending with a few erotic pelvic thrusts that got me very excited. On his last thrust, his cock actually poked through the front! "Oh Brent, look what popped out! Is that for me?" He let me fondle his steel member which, like his older brother, was leaking a dab of clear fluid from the tip. I leaned in and kissed his wonderful cock before he sat next to me as his two twin brothers came into the room. They were wearing only tank-tops and socks, each delicious little cock sporting a full erection. The horny kids stood in the middle of the room, posing. "Do you like what we're wearing, Mommy?" I felt my heart melt for my two youngest sons. "Oh, boys! You look amazing! Come give your Mommy a big hug…" The two zipped over to me and I wrapped my hands around them as I still sat on the couch. Their hard cocks rubbed against my exposed tits. "Oh! Your hard little penises are rubbing on Mommy…" I said, as we all looked at where they touched me. "Touch your cocks to Mommy's nipples boys!" They quickly aimed their rock-hard erections and began tickling my sensitive nipples. "Oh, that feels so good, boys! I think it's time we all had some fun!" I quickly got down on the floor as my oldest got between my legs and pulled my panties out of my cunt to guide his dripping cock inside me. My fourteen-year-old aimed his cock at my mouth as I happily sucked it fully inside. My two twins started jerking off, but I quickly grabbed ahold of their stiff little cocks. I loved feeling all four of my sons as they each fucked their hard cocks into my pussy, my mouth, and both my hands! I reached a thunderous climax just as I felt four boys squirting into my mouth, my pussy, and onto both my tits! Thank you, Dr. Incest, for showing me how much fun families can be. We are loving every incestuous moment with each other!

Age: 19

From: California

First incestuous moment: Playing 'Doctor' with my two brothers, Steve and Shawn. We had so much fun inspecting each other's private parts. I became a pro when it came to hard cocks. I knew all the parts, and could make them cum at a moment's notice. I loved playing Doctor! Steve joked that I should've considered going into medical school after I graduated because I always knew how to make them feel better after they visited my office!

Most memorable moment: When Daddy helped me convince my six high school friends that fucking their fathers was the best feeling ever. While I talked all six of them into fucking their dads, Daddy talked to their six fathers about how much fun it is to fuck your daughter. The next week Daddy heard back from all the dads about their incestuous exploits, and I heard all the naughty stories from my friends, too! Daddy and I were so happy that we could share the joy of incest. It's just too much fun to pass up!

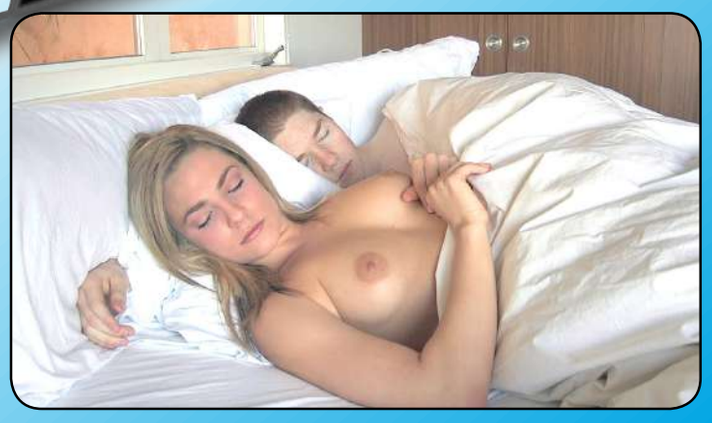

Strangest place you've ever fucked: I visited Grandpa Joe at the nursing home one time. He asked me if I would suck his cock like I always did. But instead of going back to his room for some privacy, I surprised him by crawling under the table he was sitting at and sucking him off in the common room! He must've thought it was so hot, because he started cumming quicker than he normally does. When I got done and came up to kiss him on his cheek, one of his friends noticed what I had done and asked me if I would do the same for him!

Why I love incest: Incest is more than just love making, it's love making with your closest relatives. It shows them how much you truly love them, and they show you how much they truly love you. Not to mention, that it makes my whole body feel so good when I have an incestuous orgasm. The whole world turns to fireworks when I cum with my brother's or father's cock up my cunt. There's nothing like it in the world!

Innocence of Youth 5

Mia Wakes Her Daddy Each Day with a Nice Morning Fuck

Rating ★★★½

Starring: Mia Malkova
Release: 2013
Publisher: Digital Sin

Waking up her daddy is always the highlight of Mia's day. She makes sure to wear her nicest clothes, just the way daddy likes. Once he wakes up, she crawls onto the bed and kisses him. He reaches under her dress and begins to feel his daughter's wet pussy with his fingers.

And so begins *Innocence of Youth 5* which depicts a loving father and daughter in the throes of morning bliss.

Mia quickly works her way to her father's erect cock, covering it with her girlish saliva. She loves the look of his face when she swirls her tongue around the tip of his penis. Not wanting to leave his little girl without any fun of her own, her daddy rips off her little panties and dives between her legs. The welcoming sight of his girl's bare little pussy always gets him going.

Before she realizes it, her daddy climbs on top and starts rubbing his throbbing prick along her sensitive pussy lips, pumping his hips as if he was fucking her. After Mia is unable to wait any longer, she climbs on top of him and inserts her daddy's prick into her slippery cunt hole. Her father sucks on her puffy nipples as he fucks his daughter with fury.

Although father and daughter have fucked countless mornings before, it always feels like the best fuck her daddy has ever given her.

Then, when he starts to show signs that he's about ready to unleash his cum, Mia jumps down and opens wide as he feeds her all his fatherly cum.

"Good morning, Daddy!" she says as she pulls out the last droplet of sperm from his heavy spent cock.

"Good morning, Sweetheart."

"Mommy says breakfast is ready once I finish making you cum."

incest Interview

Sasha

Our own **Missy Edwards** didn't have to look far for our next precocious interview model. Readers of the previous issue of *Incest* will no doubt remember the extraordinary town of **Lot's Cove** where we found the sensational Kris. With all the wonderful things Missy learned about Lot's Cove, we completely understand when she didn't want to leave! For this issue she brings us one of Kris' classmates, another wonderful teen who always has her eye on the family!

Welcome to *Incest*, Sasha! We heard about you from your friend Kris, our last interview!

Yes! Kris is my best friend. We became instant friends when I moved to Lot's Cove. Isn't she great?

Yes she is, our readers enjoyed learning about her as well as your town of Lot's Cove.

I love Lot's Cove. Not only is it such a beautiful part of the country, but everyone here is so nice to everyone else. And, most people here enjoy spending lots of time at home on the weekends, if you know what I mean!

How did you first learn about what goes on here?

I was at Kris's house one day after school. We were playing in her room, talking about the boys at school when I had to use the bathroom. I walked down the hall and accidentally went into her parents' bedroom. I noticed there were some big pictures hanging on the wall above the bed. The middle one was the largest. It had a naked woman spread out in an erotic pose. Her tits were very big and her nipples were erect. Then I noticed that it was a picture of Kris's Mom! "That's Mommy," Kris said from behind me. "Isn't she beautiful?" On each side were other photos. They were half the size of the large one, and I found myself getting excited looking at them. "That's Daddy," Kris said to me. He was posed in a chair, his legs wide, just as naked as his wife. His cock stood up very hard, thick and long. His balls were large and hung low. The other two pictures were of Kris and her brother Benji. Kris was on her hands and knees, thighs spread, her ass toward the camera. She was grinning over her shoulder. You could see her asshole and pretty pussy, as though she was about to be fucked. Next to her was Benji, leaning back on the couch as his cock stood straight up. He had his fist wrapped around it, grinning into the camera. "And that's us," Kris said. I couldn't stop staring at the pictures. Kris giggled and said that they have fun like that all the time. She told me about when they took the pictures, about what they like to do as a family on weekends, and how they've always loved to have family fun together.

How did it make you feel knowing about Kris's family?

It made me feel really good inside hearing the things they liked to do! I wished my family was fun like that. Kris told me all about what they like to do, the naked fun that they have as a family. I got so excited, I wanted to see if my parents or brothers would be like Kris's family. I just couldn't wait to find out!

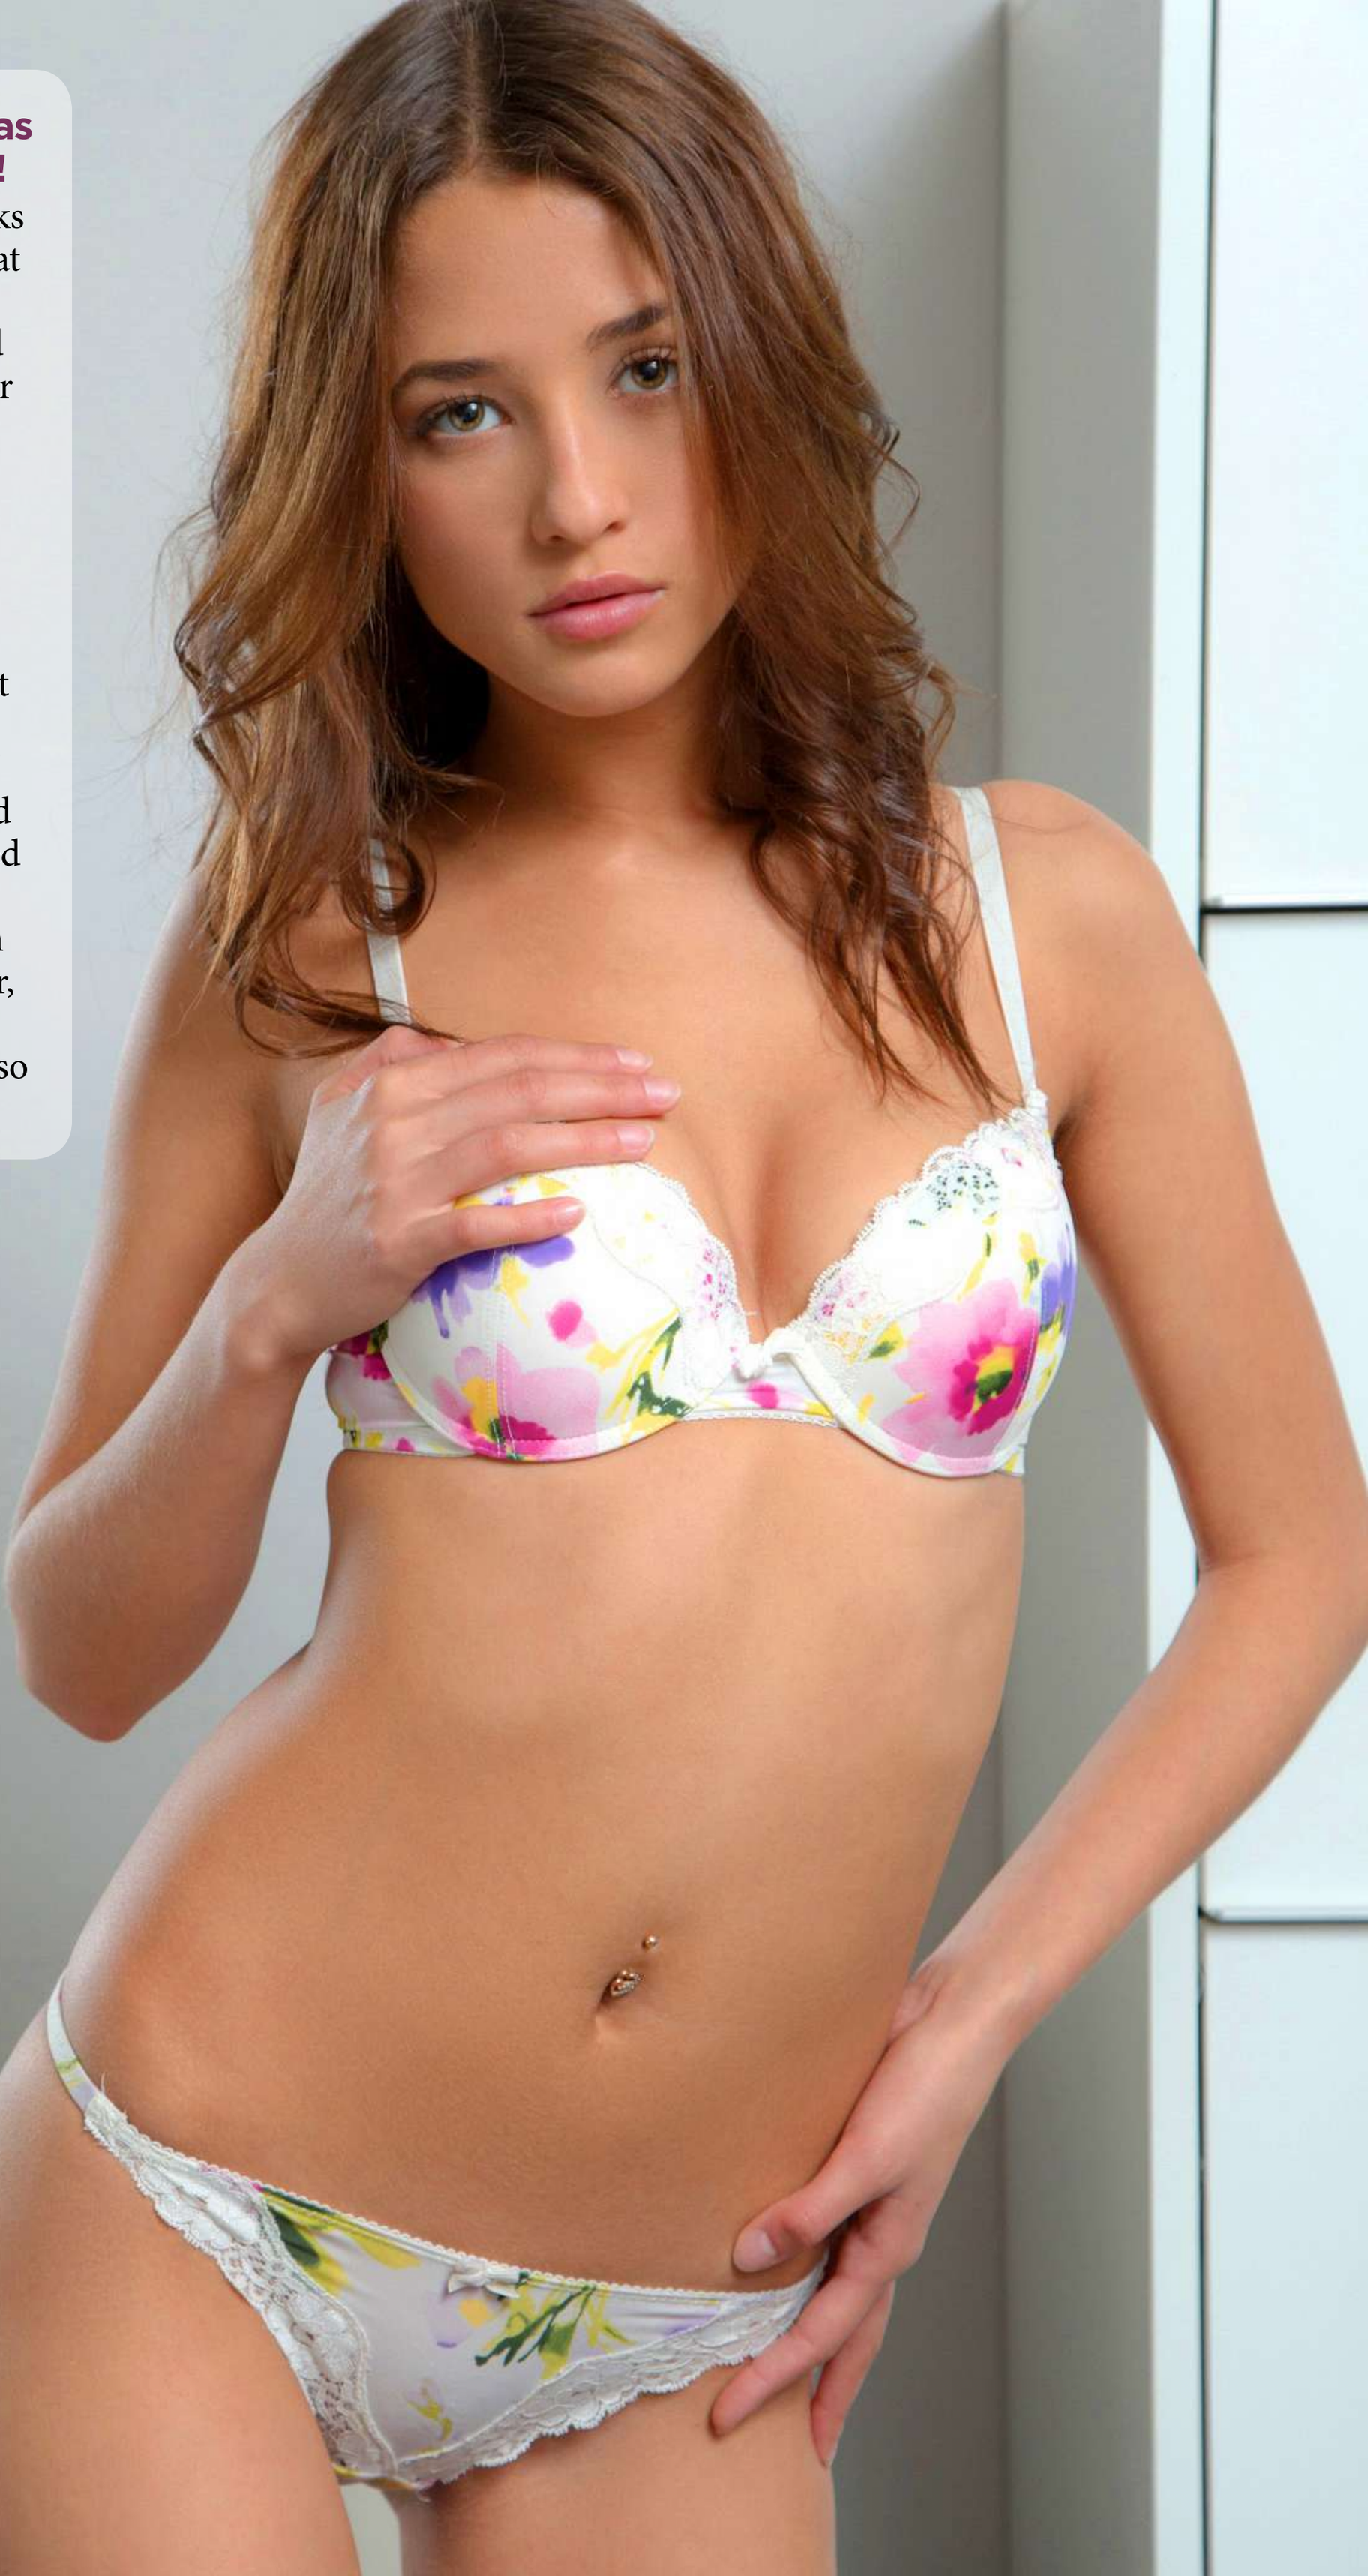

And what did you find out?

Kris suggested I take Daddy to a special movie theater downtown. It was showing a movie called *The Happy Family*. The posters of the movie made it look like a fun movie of a family that spends a summer vacation at a cabin on a lake, but it was actually an X-rated movie! It started out like any fun wholesome movie, but the more we watched, the more it turned into a raunchy family sex-fest! First the brother and sister were skinny-dipping in the lake, giggling and fondling each other. Then the parents caught them and told them to keep their clothes off for the rest of the trip. I could tell my Dad liked seeing the cute daughter's naked body!

Then we saw a scene where the son was spying on his mom taking a shower. He was playing with his cock and then he squirt cum all over the floor! At the same time, the father was spying on his daughter as she was touching her pussy in her bedroom. You could see her pussy real close, and I could tell Dad really enjoyed it! Their mom found out that her son was watching her shower, and the daughter found out that her father was spying on her. So the two women decided to make the guys masturbate in front of them to even the score. Soon, the girls couldn't help themselves and started sucking on their hard cocks. The mom sucked her son and the daughter sucked her dad. The last twenty minutes of the movie was the whole family fucking and sucking their brains out. Cum was flying everywhere! It was so awesome! I got so hot watching the movie and I know Dad did as well. When we left the theatre, I could tell his cock was hard. I even think he may have cum in his pants during the movie! I told him how much I liked the movie, and he said he did, too. We kept getting hornier as we talked about the best parts of the movie. Then I ended up with Dad's cock in my mouth! He came twice before I zipped him back up as we headed home!

Sounds like the movie was a huge hit with your dad!

It was! Dad told me a few weeks later that he actually knew what the movie was about—one of his co-workers had mentioned that he saw it with his daughter a few weeks before and highly recommended that Dad take me to it. I guess we were both interested in the same thing! Dad and I decided to take my brothers and mother to see it the next day. We all had a great time. My brothers pulled their cocks out and were jerking off right in the movie theater! Dad and I made out as Mom rubbed her pussy. Now my family spends lots of time at home on the weekends, playing together, sucking and fucking until we are exhausted. I've never seen so much cum in my life!

So do you go to the father-daughter dance like Kris and her dad does?

Absolutely, I was so excited the first time I went! Kris told me about some of the things that happen there. I couldn't wait! Dad was a perfect gentlemen, he took me out to a very nice restaurant beforehand. I wasn't wearing something as skimpy as Kris did the year before, but I wore my flowery bra and panties with long white socks, the same thing I wore when you took my picture. People were looking at me at the restaurant. I loved it! The waiter even complimented Dad on what a pretty daughter I was. I even sucked Dad off under the table before the dessert course was served! The dance itself was a night to remember. All the girls looked so pretty dancing with their dads. And my own father was as handsome as a prince. I had to help relieve his hardon three times while we were there, but we finished the night with a wild fucking on one of the tables. Some of the other fathers and daughters watched while they played with their cocks and pussies. It was so much fun!

Boy, I wish my family had grown up in Lot's Cove!

It's the best. Much better than the schools where we used to live. Here, there's no dress code so students can wear whatever they want. And a few weeks ago, I helped out with the sex education class. I stripped in front of the class as the teacher explained all the parts of the female body. I even got up on the desk and spread my legs while holding my pussy open so they could get a good look inside! The girls pretty much knew what a vagina was, but they hadn't seen a grown-up one like mine. And the boys were all mesmerized. It felt so good when they touched my pussy lips and tickled my clit! I came a couple of times before the end of the class.

It was so nice of you to volunteer for the Sex-Ed class

I had so much fun! The next day I brought my Dad in with me and we showed them how to fuck. It was so much fun watching the kids get up close to see Daddy's cock sliding into my pussy! Next time I'm going to bring in my brothers to show them how girls can get double-penetrated!

That's wonderful! It sounds like you are a great teacher

Thank you! Next week Dad and I are going to pose for the school calendar. Each month features a different student with one of their relatives. My brother and mom were in it last year. It was a great photo of him cumming all over Mom's face!

To be honest, I'm surprised more people don't live in Lot's Cove. Wouldn't people move here once they learn about it?

Possibly, but they really don't need to live in Lot's Cove to enjoy the pleasures of family sex. It can happen anywhere. Fathers and daughters, brothers and sisters, mothers and sons, even aunts, uncles, and grandparents can all join in when families let their passions run wild!

That's very true!
Thanks! I have strong feelings on the subject of family love and sexuality.

So what do you plan to do once you graduate?
I always have so much fun posing for pictures or showing off my body. My parents say I'm really good at it. So I think when I graduate I'm going to pursue a career in modeling and photography. My dream is to open my own incest studio where families can come and get professional photos taken of them in the throes of sexual activity.

Just like the photos you saw in Kris's parents' bedroom?

Exactly! My love of incest really started when I saw those pictures. It would be so great to take photos like that of families so that they can also hang them on their walls. Sensual photos that show the true side of each member of the family. My specialty will be taking photos a the moment of orgasm, when girls are flying high with incestuous bliss and guys' cocks are stiff as a board and gushing all that juicy cum! Don't you just love to see all that cum flying out of their cocks?

It's a sight to behold, I agree! Thank you, Sasha, for such a wonderful interview. I'm sure everyone will enjoy your pictorial as well!

It was so much fun! I always love to talk about my family and our sex life, and I enjoy posing for pictures without my clothes even more! Make sure to send me a copy of this issue the moment it's finished, I can't wait to show it to all my friends! ★

Daddy's Helpful Daughter

by Kathy Harris

Amy is more than willing to help Daddy keep his big cock nice and healthy

(Mf, inc, oral, cons)

Little Amy's mother had run off with a young college student. The two illicit lovers left town together, leaving only the briefest of notes behind for Amy and her father, Craig.

Amy's father had been inconsolable. He worked long hours, driving himself to the brink of exhaustion. He came home only to eat and sleep. And when he was home, he spent hours locked in his bedroom.

Amy seemed to be doing much better than Craig was, and was even protective of him, hovering over him when he was home and not locked in his room. She gave him the feeling that nothing would make her happier than to take care of her daddy now that she was the only female in the house.

At first, after his wife had left him, Craig's ego was so badly bruised that the last thing he was interested in was sex. But after a while, he began to feel horny in an odd way. He tried to jerk himself off, but that had never been a satisfying sexual outlet for him. And now it was all but impossible for him to relieve any tension that way. He knew that what he needed more than anything else was a woman's touch on his prick, and a woman's pussy to sink his cock into.

Finally, one evening when he was feeling especially horny, he summoned up all of his courage and went to his daughter's bedroom.

Amy was lounging across her bed, listening to music on her headphones when she saw her father peeking through the doorway.

"Hi, Daddy!" she said eagerly.

"Amy, may I come in?" Craig asked, looking over his daughter in her skimpy t-shirt and tiny floral panties.

"Of course!" the youngster said, delighted that at last her daddy was coming to her instead of hiding in his room.

Craig entered his little girl's room and closed the door firmly behind him. He gave her a smile as he crossed the room and sat down on the edge of her bed.

"Honey, there's something I have to talk to you about… it's very, very important… very serious," Craig began, trying to keep his mind on what he had to say and not on the teenager's body which could be plainly seen.

"What is it, Daddy?" Amy asked, thinking how sexy her father looked in his bathrobe. She found herself wondering if he was naked underneath it.

"Well, honey, it's rather hard to explain, but I have a problem. And it's a problem I need your help with," Craig said earnestly, liking the way his daughter's budding nipples were poking stiffly against the sheer fabric of her shirt.

"Tell me, Daddy, please! You know I love you, I'll do anything I can to help you!" Amy said with excitement.

"Do you really mean that, honey?" Craig asked and Amy's eyes widened as she caught the desperate tone underlying his words.

"Oh, yes, Daddy, I love you more than anything in the world, and anything I can do for you… I'd do anything, Daddy… just tell me what's wrong."

"Okay, Amy, I'll tell you. I only hope that I can make you understand… Amy, I have a medical problem…"

"Daddy! Are you sick?" Amy interrupted, her heart fluttering with concern.

"Oh, no, honey, not really. It's nothing like that. A lot of men have the problem I have," he said, looking down at her panties. He loved the way they were nestled tightly against her fourteen-year-old pussy. "It's my prostate gland, Amy. There's something wrong with it. And I might eventually even have to have an operation on it if I'm not very careful to do certain things."

"What kind of things, Daddy?"

"Well… this is kind of embarrassing to explain to my own little girl, Amy, but, you see the more, uh, orgasms I have, the healthier my prostate gland is. If I don't have enough orgasms, I can get very sick and then I might have to have that operation," Craig said with a flush.

"Oh, wow," Amy breathed. This was the last thing she had expected to hear. "You mean sex, don't you, Daddy? The more sex you have, the better it will be for your, uh, gland?"

"Yes, that's right, honey. Only it doesn't even have to be real sex. I just need to, you know, I need to cum," Craig said.

"Oh, but how else can you cum if you don't have sex?" Amy asked in confusion.

"Have you ever jerked a boy off?" Craig asked, looking at his daughter.

"No! But I've heard about it. That's when a girl rubs a guy's penis until he cums, right? Oh, I get it! That would make you cum and keep you healthy, right, Daddy?" Amy asked.

"Right, honey," Craig said with a smile at his beautiful little girl.

"And if a girl sucked you off, that would make you cum and keep your gland healthy, right?" Amy asked, pleased with herself.

"Right," Craig said and he reached out and stroked the girl's soft, cheek.

"Is that how you want me to help you, Daddy?" Amy asked breathlessly.

"Yes, Amy, it is. Now that your mother is gone, I don't have anyone else to help me. I need to cum, honey. It's been a long time since I came—too long—and I haven't been feeling well because of it," Craig said.

"Oh, poor Daddy," Amy puffed, scooting closer to her daddy and feeling a jolt of desire deep in her pussy as she thought about helping her dear father out with his medical problem.

"Yes, honey, I need you to help me cum. You're a virgin, aren't you, Amy?"

"Yes, Daddy, I am. I've never even touched a boy's penis before!" Amy cried, blushing.

"That's what I thought," Craig said, feeling a jolt of lust rush through his loins at the thought of his little girl's virginal pussy. "That's why I won't ask you to let me fuck you. And I won't even ask you to suck Daddy's penis. All I'm asking is that you jerk me off so I can cum, honey."

"Oh, yes, Daddy, I'll do it! I'm the woman of the house now, and I want to take good care of your and your penis! Don't worry, Daddy, we don't need Mommy anymore! We'll show her that we're just fine without her! It's just you and me now, Daddy, and we'll stick together!" Amy cried.

"Good girl, that's just how I feel too, baby," Craig said, taking his daughter into his arms and hugging her.

"Can we do it now, Daddy?" Amy asked excitedly, pulling back slightly from her daddy and looking up at him with her bright blue eyes.

"Are you sure, honey? You don't have to do it now if you're not ready," Craig said, realizing that his cock was already hard.

"Oh, I'm ready, Daddy, I'm ready!" Amy cried eagerly, not wanting to admit to her father that his medical problem was not the only reason she wanted to jerk him off.

Craig smiled gratefully at his daughter as he stood up and removed his bathrobe. He was naked beneath it and when his huge, hard cock came into view, Amy gasped and her hand flew to her mouth. She felt her little fourteen-year-old pussy tingling with excitement as she stared at her father's large, upright prick.

"Ohh, Daddy, it's sooo big!" she murmured reverently.

"Then you don't think it will be too much for you to jerk it off for Daddy?" Craig asked, seeing the light of desire in the girl's eyes.

"Oh, no, Daddy, it won't be a sacrifice at all! I want to take good care of my daddy!" Amy

incest Confessions

Name: **Jack**
Age: **17**
Relation: **Son/Nephew**

Jack has a nice summer evening with his sexy mom and aunt

(FFm, exh, inc, con)

I remember the day that Mom and I went to the beach with Aunt Sally. We packed our lunch and drove off in the family car to the seashore. Spending a day at the beach was always fun, especially with family.

I had just bought a new swimsuit. It was made out of nylon, and I bought it because it dried very easily. It also had great clinging properties, which made it very comfortable and also very attention-getting when it was wet.

Mom wore a one-piece swimsuit that emphasized her amazing figure. I tried my best not to stare at her as she and Sally set up the umbrella in the sand.

Aunt Sally had a super-skimpy bikini which showed off her heavy tits and luscious legs. I could feel my cock beginning to swell, so I decided to swim for awhile while Mom and Sally talked under the umbrella.

I noticed that Sally kept looking over in my direction, and I assumed that they were just talking about me. I didn't mind, because I knew Mom was proud of me and was always boasting about me to people. What I didn't realize was that Sally was looking at my bathing suit. Every time I came out of the water, it clung to me and clearly showed the outline of my dick and balls. I wasn't aware of this at first, but as she stared at me more and more, I began to realize just where her interest was directed.

As the day ended, we packed up our stuff and drove back home.

Mom fixed dinner and the three of us chatted as we ate. Every now and then, Aunt Sally would glance in my direction and I could tell that she was thinking nice things about me, because I would catch her smiling at me. My mother often smiled at me, too, which made me feel good.

"That was a really nice bathing suit you had on this afternoon," said Sally. "Where did you get it?"

"I don't really remember," I said. "But you had on a nice suit, Aunt Sally. It was very pretty."

"Thank you," she said, "but how did I look in it? I know the suit was pretty, but…" I knew that she was fishing for a compliment.

"You looked awesome, didn't she Mom?" I said. "You are a really hot lady." I could see her blush. She liked to be flattered, especially by me.

"Both of you looked especially good today," Mom said to Sally. "Jack always looks good in a bathing suit, especially when he just comes out of the water."

"Oh, Mom," I said, my face turning red. I knew exactly what Mom was referring to.

"I'm sorry, dear, but I think you ought to know that women like that sort of thing. Your seventeen and your body is in really good shape. I think you should be proud of it."

"I know, but it's just funny to hear you talk about it."

"Nonsense," said Aunt Sally. "You shouldn't feel funny about that at all. I wish that my body were in as good a shape as yours is in. I would love to have it discussed anywhere, anytime."

"You are in good shape," I insisted. "Your body is amazing and very nicely proportioned."

"Nicely proportioned?" she smirked. "Does that mean that you think my tits are a good size?" We all laughed.

"I can't tell," I said jokingly. "You always keep them covered up. On the beach you were wearing a bikini, and now you're wearing a blouse."

"Why don't you give my son a good look, Susan. Take off your blouse so Jack can see your tits!" she called out.

"You think I should?" she giggled.

"Why not?" I asked confidently.

"Well," she said, "I'll take off my blouse… if you take off your pants. Fair is fair, you know. I'd like to see just what you really were carrying under that bathing suit."

"He's carrying a pretty big one," said Mom. "I should know, I've seen it before."

"Mom!" My face had turned even redder.

"It's not only a big one," she continued, pointing at my crotch, "but if you'll notice, it looks like it's getting bigger." It was true. I was getting a hard-on from talking like this with my mom and Aunt Sally. My penis was swelling before their eyes.

"So it is," said Sally. "Come on, Jack. You looked so luscious in your bathing suit. Let's see what size dick my handsome nephew has."

"You should go first, Sally," said Mom. "You have the most courage."

"And the biggest tits," I added, beginning to enjoy the situation. "Alright, Sally, I'll take off my pants and show you my prick if I can see how big your titties really are."

My mother was enjoying herself. I could see her slowly start to rub her crotch. It was obvious that her cunt was beginning to get wet.

Aunt Sally slowly began to remove her blouse. Her large pink breasts appeared wobbling in front of Mom and I. Her large, thick nipples were already becoming as stiff as my cock was.

"They're beautiful," I said, half-mesmerized by her voluptuous tits. "You have the biggest and most beautiful tits I've ever seen!"

"What about mine?" asked Mom with a smile. "Don't I have nice tits?"

"I don't remember," I replied weakly. "I haven't seen them in a long time."

"Oh, please!" she joked. "You're always peeking at me in the bathroom when I'm taking a shower. Come on, now, don't deny it, I've seen you looking at me and holding onto your penis."

"Yes," I said, "but I've been looking at your pussy, Mom. I never looked at your tits. I'm much more interested in cunts than tits."

"Well, Janet, I guess your tits don't interest your son as much as you think they do. Why don't you take off your shirt and let him judge them for himself?"

My mother proceeded to remove her blouse.

Mom's tits weren't quite as large as Aunt Sally's, but they were spectacular nonetheless.

"Oh, Mom," I moaned. "They're beautiful!"

"You really think so?" she asked, holding her bosoms out for us to see.

"Of course. I wish I was never weaned off those beauties."

Mom laughed. "I know my tits don't quite measure up to Aunt Sally's," she said.

"Mom, they're great! Aunt Sally's are definitely bigger, but yours are much perkier."

"I think it's your turn now," Sally said. "Show Sally how big your cock really is."

I unzipped my pants. I still had my bathing suit on underneath, since it had dried by the time we decided to leave the beach. I took off my pants and the suit was still clinging to my cock. Sally looked admiringly at my crotch.

I removed my bathing suit, and Sally gasped as she saw my penis. Since I had the beginnings of a hard-on, it stood out prominently.

"Oh, your son really is a man, isn't he?" she asked.

"Ah, yes!" Mom said. "Any pussy would love to have that shoved up inside."

"That's right," Sally drooled. "And see how heavy his balls look! They must be so full of that wonderful teenage cum, just itching to get out."

"You'll just have to wait your turn," my mother said. "He's my son and I'd love to feel that hot dick first. After all, I've never been fucked by my own son before. I think it would be amazing to have him fuck me."

My cock was really hard now. A few dribbles of clear juice was dripping from my hole and my balls were tight and ready to send forth their creamy liquid. I removed the rest of my clothes and so did the women. The three of us were sitting near each other, me with my hard-on, and they with their lubricating pussies.

My mother grabbed me by my cock and pulled me towards her. She opened her mouth and began to lick the tip of my cock with her tongue. My body began to tingle and I forced my prick deep down my mother's throat.

"That's fantastic," said Aunt Sally. "You're such a good mom to suck your son's cock like that!" She rubbed her hand up and down my abs. "His body is so hard that my quim is getting all juicy."

Sally moved into where my mother's tongue was licking the shaft, and Sally began to suck on my balls. She took each into her mouth. At the same time she pushed her fingers up my Mom's vagina.

Mom began to shiver and moan and I felt sensations of pleasure coming from my cock. Mom held on to my ass, and started to put her fingers into my asshole.

"Oh, Mom!" I cried. "Finger-fuck me! That feels so good!"

Sally saw what Mom was doing and she took Mom's other hand and shoved it up her own ass. Sally was now being finger-fucked and the three of us were writhing in incestuous delight.

I could feel my cum boiling in my balls. I knew that if Mom didn't stop sucking soon I would shoot all my hot jizz deep into her mouth.

"Stop!" I cried. "I want to fuck you both. If you continue to suck me, I'll cum into your mouth instead of your cunt."

"We certainly don't want that, dear," Mom said. "I want you to fuck us both. I want you to shove your cock into Mommy's twat and then into Aunt Sally's quim. You can alternate between us." Mom took her fingers out of our asses and the two women lay flat on their backs, their tits and their cunts facing upwards.

I got on top of Mom first, and shoved my dick into her juicy pussy hole. Her cunt lips were quivering as my stick thrust its way deep into her cunt. Her pussy walls opened up and surrounded my hard penis. I thrust back and forth for a few strokes and then withdrew completely and began to fuck Aunt Sally, my balls rammed against their cunt hairs.

"You're so very hard, Jack!" Sally moaned. "It feels so good in me! You're fucking me, baby! I'm fucking you, Jack! We're fucking each other! Ohhhh, yes, fuck me, Jack! Fuck me, fuck me, fuck me!!"

"Oh, Jack, baby, fuck me now," Mom said. "Take you cock out of her twat and shove it up mine. I want to feel my son's hot thrusting hard-on inside my hot and wet body. Fuck me, Jack, fuck me my precious!" Mom was feeling ecstatic. She was writhing and groaning and her cunt was overflowing with her hot juices.

I stopped fucking Sally, and began to fuck Mom again. I rammed my dick deep into her cunt. Her dripping pussy welcomed my hard shaft. She spread her legs as wide as they could go and held me tightly in her arms.

"Fuck it, Jack!" Sharon was hissing. "Fuck Mommy's hot cunt, baby! Fuck Mommy's wet pussy! Your cock is so hard, so fucking hard, and it's fucking me so good! Mommy's cunt is hot and wet, Jack! Oh, fuck it! Fuck it, Jack!"

I went back and forth from one cunt to the other. My cock became hotter and harder with each change. I could feel their juices mixing on my cock. Mom's lubricating honey and Aunt Sally's hot cunt liquid were both making my cock slippery and hard.

As I went back and forth, in and out of each dripping honey pot, I suddenly, in mid air, spurted out my cum. My semen rushed out of my cock head and splattered both Mom and Aunt Sally with its hot wetness. My juice was all over both of them. My balls had suddenly given up their most precious cream.

When it was over, they demanded that I tell them which cunt was the best. I didn't think that was a fair question to ask and told them that I would need more fucking to decide.

"Of course, honey," Mom said, leaning in to give my cock a kiss. "Whenever this wonderful cock of yours gets horny for some pussy, Mommy's pussy will always be ready."

"Mine, too!" Sally said with a giggle, leaning in to kiss my cock as well. "We'll both have hot cunts ready for you anytime you want!" ★

Seeing my mom and aunt with their lips on my cock was the ultimate Kodak Moment!

Show Us Your Family

Summer is the time for family get-togethers, and nobody knows how to party like the readers of incest!

We make a lot of a girl's sixteenth birthday in our family. Like in so many families, we realize that up until this point our little girl has been ours alone, and from now on, we're going to have to get used to sharing her! Showing her that there's always cock at home for her is a regular part of the celebration at our house. Here's my daughter Sierra celebrating her birthday, along with, from left to right, me, my brother Alan, my son Scott, and my brother-in-law Matt.

—Gene, Colorado

When my parents decided to put in a hot tub, they said it was to relax our muscles after a hard day. Now I know that was bullshit! They wanted a way for the whole family to get naked! We love it. There's family sucking and fucking seven days a week. This isn't even a special occasion... it's a Tuesday!

—Abigail, New Jersey

I started a sex toys boutique for women and couples in the late 1960s. It was an unusual business, and it was even more unusual for it to be operated by a woman! With the help of the sexy little outfits I wore behind the counter, we made it a success, though. My sons and their wives have gradually taken over the day to day operations of the store, and now my grandsons are going to operate it as a web and mail order business. First they decided to throw me a retirement party as a tribute. And they paid tribute all over my body!

—Mimi, California

Because Dad is a single father who gets lonely at night without regular female companionship, he has a keen understanding of what it's like to be a teenager left home on a Saturday night. That's why Dad makes sure my sisters and I have something to do! Chloe is helping out Dad here, and her younger sister Grace is honing her oral talents on me! All right, Dad!

—Chuck, Connecticut

Some families can be greedy, guarded, or gossipy. But this extended family likes to take ***family relations*** to a whole new level.

incest Spotlight

Age: 14

From: Florida

First incestuous moment: Watching my parents have sex. At first I didn't know what they were doing, but the more I watched, the more excited I got to see them. I especially loved to watch Daddy sucking on Mommy's pussy. She moaned so loud!

Most memorable moment: One time Mommy and Daddy saw me watching them fucking and said I could come in and sit on the bed while they finished. I was only wearing my panties and they said that it was okay to watch them make love. I had spied on them lots of times at the doorway, but now I was watching them up close! Mommy was so nice about telling me what they were doing, too. "See Daddy's penis, Amanda? See how it's going in and out of Mommy's vagina? Ohhh, it feels so good! Watch Daddy's cock, Amanda! Watch Daddy fuck Mommy's pussy!" Then she made Daddy pull out before he was done so I could see him squirt all his Daddy-juice all over Mommy's boobies. "I'm gonna cum!" Daddy moaned, so Mommy told me to get up close so I can see it coming out of his penis. "Watch closely, Amanda! Watch Daddy's penis shoot out all his juice!" I fell in love with Daddy and his big, sexy penis that night. I wanted to touch it, to feel it against my body. Thankfully Daddy let me play with it every so often. Sometimes he even let me make his penis squirt like when he's with Mommy! Ohhh, I love to make Daddy's penis squirt! It's the best thing ever!

Strangest place you've ever fucked: My thirteenth birthday party. All my friends were there. I was sitting on Daddy's lap with the birthday cake in front of me as everyone sang Happy Birthday to me. But what they didn't know was that under my skirt, Daddy had pulled my panties aside and slid his cock into me! Nobody knew he was fucking me right in front of them! Daddy is really good at making his cock wiggle in my pussy without moving his hips. I felt his cum squirting into my cunt as the song ended and I blew out the candles! It was the best birthday party ever!

Why I love incest: Fucking is the best thing in the world, and Mommy and Daddy are really fun to fuck with. It feels soooo good when my pussy cums, too! My whole body shakes! Fucking with my parents is my favorite thing in the whole wide world!

Allison's DORM ROOM Surprise

Allison felt her heart swell as she entered her dorm room and saw her older brother sitting at her desk.

"David!" she squealed and lept into his arms to give him a loving hug.

"Surprise! Are you happy to see me, Sis?"

"But, how did you get in here?" she said into the warmth of his neck.

"Your roommate let me in. I told her I wanted to surprise you after you finished with class. Guess I did, huh?"

"You certainly did!" she giggled.

It had been a few months since Allison had seen her brother. She had moved across the country to attend college in California and had only talked on the phone with him.

David looked her over.

"Wow, Sis, look at you! Still as cute as ever," he commented, admiring her sexy blue skirt and matching top. Her bare abdomen and smooth legs always made his eyes sparkle with excitement.

"Thanks, David," she gushed. "Can I tell you a secret?"

"Sure," he said, running his finger

down her soft, bare tummy.

"I've been a little naughty here at college."

"Is that right?" he smiled. "Why doesn't that surprise me?"

She turned around and pulled her skirt up, showing her perfectly naked teenage ass.

"Oh, Allison, you naughty little slut!" David chuckled as he reached down and held one of her soft, firm ass cheeks.

"I haven't been wearing underwear for awhile," she whispered with excitement. "It's been so much fun being naked under my skirt! I get so horny knowing that the boys can see the bottom of my ass as I walk through campus. And you wouldn't believe the looks of the horny teachers who see my naked pussy when I sit with my legs open!"

"Sounds like you're still up to your same old teasing now that you're at college," he added, sliding his fingers

into the crack of her ass.

"I sure am. Wanna see?" she teased, pulling her shirt down to expose one of her pink, teenage nipples. "See, David? No bra!"

"Whoa!" David gazed at his sister's pert little tit, capped with a stiff rosy nipple that looked so happy to finally be uncovered.

"The boys love seeing a girl with stiff nipples poking against her shirt."

"I'm sure they do…" he said, reaching out and tracing a finger around her areola.

"Wanna see what I look like in class?" She sat down on the edge of her bed and spread her legs, lifting her skirt to give her brother a full view of her hairless teenage pussy.

"Holy fuck, Sis!" David said, feeling his cock stiffen as he stared at his little sister's perfectly-shaped pussy. He'd seen it a few times before, but this was the first time when the two were alone without their parents to worry about.

"Do you like it?" she whispered.

"Sis, you have the hottest pussy in the world!" David stammered.

"I love how it feels when I walk around without panties on," she giggled, rubbing her pussy with her hand. "It always gets me so wet knowing there's nothing standing between all those

horny boys and my happy little pussy."

David frowned, "Oh man how I envy those boys! They're the luckiest bastards in the world!"

Allison looked at her big brother with surprise, "But there's nothing between you and this pussy right now!"

"Yeah," David moaned, "but I'm your brother!"

His little sister laughed. "Silly big brother! Don't you know? It's all your fault I like teasing boys in the first place! I've always loved teasing you with my pussy; I adored how your cock would always get so hard and big in your pants."

David blushed at the memories, but smiled wide. "With you around, Sis, my poor cock was always hard!"

"Did you want to fuck me, David?"

The boy stared at his little sister as she ran her fingers over the moist pink of her tiny bald cunt.

"I wanted to fuck you more than any girl I've ever known. Fucking my

own little sister tops my list of things I'd love to do."

Allison smiled, "Teasing you was always my favorite, because you were my brother. That made it more… nasty… dirty. Every time I saw that lump in your pants, I wanted to ask you to pull it out and show me. I was just afraid Mom would catch us…"

"Mom and Dad are miles away," David said. "It's only you and me."

Allison's eyes sparkled with obvious lust. She patted her bed, "Lie down over here, big brother."

David gladly did as he was asked, and when he was comfortable, his little sister climbed between his legs.

"I've teased you a lot all these years, David. But now, no more teasing. No more little peeks of my titties…."

The teen stripped off her tight t-shirt. He feasted his eyes on his sister's adorable tiny titties, exposed fully naked for the first time.

His cock throbbed painfully in his shorts. The huge lump was obvious, and David's sister bit her lower lip as she decided on her next move.

She gave her big brother a wicked smile, "And this time, I finally get to see the result of my teasing."

Her eyes never left his as she slowly, playfully, lowered the zipper of his shorts.

Allison's blue eyes went wide as her brother's dick sprang free.

"Oooh!" she whispered. "Finally!"

Brother and sister sighed together as Allison wrapped her small fingers

around David's cock. The silky heat felt wonderful in her hand, and she marveled at the sight of pre-cum beginning to bubble from the tiny slit at the head.

"Oh big brother," she purred. "I've waited too long to do this. Now that I have your dick in my hand, I'm sorry I didn't sneak into your room earlier."

David nodded. "Yeah, me too. Better late than never though…"

His little sister giggled, and then she bent down to brush his cock against her lips. The first taste was salt and electricity all at once. His musk filled her senses, made sexier as it smelled of incest.

She opened her small pink mouth, and then eased her brother's throbbing cock down her throat.

David gasped at the sensation. He couldn't count the number of times he'd retreated to his bedroom to masturbate with this exact scenario in mind—his sweet near-naked sister sucking his cock.

Now it was unfolding for real right before his eyes.

He gazed down on her pretty face, the pixie blond hair bobbing as her small mouth tried to take in his full girth. She looked up at him, her eyes glazed with obvious lust, and worked his dick with her whole mouth, lashing his swollen head with her tongue and playing at his tumid flesh with her pink, eager lips.

His cock popped free from her mouth, with strands of silver spit stretching between the head and her mouth.

"I love your cock in my mouth, David. But I'd love it even more if you licked my pussy!"

He didn't even answer with words. He simply picked his tiny little sister up at the waist, and propped her standing against her bed.

He sank to his knees and buried his face into Allison's tight, wet cunt.

The little teen sighed with pleasure as her brother sucked at her pussy. She

clutched her fingers into his hair as he rammed his tongue up her seeping gash. He sucked at the gooey quim oozing from her seam, and then found her erect clitty, which he pulled into his mouth. He stabbed it repeatedly with the tip of his tongue, and his little sister began to buck and sway above him, murmuring expletives of sexual joy.

Allison grabbed her brother's head and looked into his eyes.

"You have to fuck me now, big brother. I can't wait another second!"

David didn't need any further prompting. He turned his little sister around, pulled her skirt down to her ankles, and then slid his dick up to her dripping slit.

He slid his shaft over the slick lips of his sister's cunt, making both siblings moan aloud with ecstacy. It was David's turn to tease his sister, and she complained immediately.

Her thighs spread wider and she bucked her swollen cunt-flesh frantically into his sliding rod.

"Oh god, fuck me David! Put it in! Fuck your poor horny little sister!"

With both mercy and desire, he steadied his cock, and then sank it deep into Allison's glorious pussy.

"Oh fuck yes!" she cried. "My

own brother is fucking me! My own brother! This is so fucking hot!"

David was fully turned on by this incest with his sister, and loved hearing that she loved it too.

He couldn't believe how tight her hole felt, and was even more amazed by how wet and slick the teenager had become.

Her quim was literally dripping down her thigh as his fat cock pierced her pink flower. The sight amazed him, as he watched his little sister's bald little pussy slurp down his huge length with no effort.

David grabbed his sister, and tossed her on the bed. She smiled and spread her naked thighs wide as he crawled on the bed between them.

He pressed his weight into her small body, and pushed his dick into her seam from above. The dorm bed began to creak and moan as the sibling went at it in missionary.

Suddenly, Allison decided to take charge. She pushed her brother off her, and then climbed on top. Her thighs

straddled his, and her pussy grazed his cock with invitation.

She closed her eyes as she sat down on her big brother's hard cock. From on top, his big dick hit places she'd never known could be pleasured.

It was an exciting discovery, and she began to bounce on David's willing dick with the enthusiasm of a first-timer.

David also felt sensations he'd never experienced before. He wasn't sure whether it was his sister's incredibly tight cunt, or how she moved her tiny little naked body on top of him.

Or maybe it was just the fact that he was fucking his own little sister.

Regardless, David was in heaven. He felt Allison's small cunt squeezing at his shaft of its own accord. He felt the wonder of his sister's silky naked skin, his fingers exploring her creamy tits and erect nipples to his heart's content. He saw her beautiful face twisted with incestuous pleasure as she rode his cock with joy and abandon.

Allison looked down at her big brother as his dick stuffed her tight hole.

"Oh, David! Why did we wait so long for this?"

Her older brother had no answer except to pull her face to his and kiss her deeply. Their tongues pressed together, eager and hungry.

Allison leaned her weight into her brother's body, and began to move her hips at a faster pace.

She could feel ripples of pleasure as they began to build and course through her body. Her brother's cock hit a series of sweet spots deep inside her flaming cunt hole, and she shifted her body slightly to get the most out of these wonderful sensations.

She began to wail loudly, lost in her pleasure, not caring who heard.

"Oh god, David! You're making me cum. I'm cumming, David! I'm…"

Allison began to shake as one, and then another, orgasm tore through her center. She trembled as sexual

pleasures roared inside her.

Allison sort of blacked out, and when she came to, she found herself still riding her older brother's cock.

She giggled, and then leaned in to kiss David.

"I want you to cum inside me. I want to feel your sperm filling my cunt, big brother. I know it's wrong, but that's what makes it so hot! Will you do it David?"

Her brother nodded with a smile. His cock stiffed even more at the thought of impregnating his own sister.

The little teen turned around and grasped the top bunk of her roommate's bed for support.

She began to buck on her brother's hard dick with a renew fervor.

David watched as his little sister's ass bounced on his prick. The sweet little teen's body seemed built for this very act—spread open, eager and willing for naughty incest.

For the second time in their fuck session, Allison began to jerk as she came again.

Her cunt clamped down on her brother's cock, and the trembling and sputtering pussy juice started to take its toll on David's stamina.

He wanted to fuck his sweet little sister forever, but he knew she was going to make him cum at any moment.

Something in Allison sensed the edge her brother approached.

"I want your cum, David. I want your cum inside me. Give it to me!"

She began to double her efforts. Her puffy seam gripped at her brother's shaft, and milked it hard.

David's balls squeezed into his body, and every muscle tensed. A wave broke over him as his nervous system gave way to pleasure.

His cock jerked once, and suddenly, wonderfully, he began to fill his little sister's body with hot blasts of cum.

"Oooh, you're cumming, David! Yes! I can feel you cumming… cumming in my cunt! Fuck, I love this feeling! I love feeling your cock spurting in my pussy!"

Allison felt another orgasm shimmer through her limbs as David pumped his semen up her little pink hole.

The siblings sighed together as they came down from their sexual bliss. Allison felt her brother's jizz seeping out of her small hole to ooze down his cock shaft.

The teenager pulled off of her brother with a sloppy mess leaking from her happy little cunt.

She snuggled naked, sweaty and gooey into her older brother's arms.

She looked up into his eyes.

"I have another confession to make. I never really showed those boys my pussy. I made that up so you'd get jealous and want to fuck me."

David laughed, "Well, Sis… that was easily the best lie anyone has ever told me! ★

First Time with the Kids

Bobby and his little sister start fooling around, but Mom ends up teaching them so much more

(mg, Fmg, inc, voy, oral, cons)

Bobby woke up from a long, restful sleep. He looked down at saw his stiff dick holding the sheet up. His hand curled almost automatically around his cock.

No, not this morning—he wasn't going to jack off. Jacking off was kids stuff! Now that he was turning fourteen he decided it was time to cum with a female.

Bobby strode naked down the hall, his cock bouncing up and down. He went into the bathroom to shower. It kept throbbing so much when he washed it that he knew he had to stop or he'd cum. Jacking off was a helluva hard habit to break. It felt so good! But he was determined to have his first experience with a woman…

Hey! He smacked his forehead with his open palm. Why not get Janie to play with him? He knew his sister got herself off in her room all the time. He'd heard her panting and her bed squeaking just like his did when his ass bounced up and down as he pounded his teenage meat.

He clenched his fists. No more cock-play, damn it. Grow up, he told himself. He walked back to his room, his youthful cock now fully hard, bobbing from side to side as he made his way down the hall.

Janie was a whole year younger than him. And he hadn't seen her pussy since his mom had made them sleep in their own rooms. When they were younger, their bedroom would echo with Janie's childish giggles when he would tease her smooth little cunt with his finger.

Bobby jerked on a fresh pair of boxer shorts over his hips and sat down with a dirty magazine he had found in his father's closet.

He had to get his act together. He didn't want to just walk into Janie's room and shove his cock at her and say, "Hey, Sis, beat this off for me will you?" That wouldn't be very brotherly.

He looked down at his cock. It was sticking up inside his underwear as if wanting to be jacked off, as if resented being held down by his shorts. His finger teased the sensitive tip of his cock. Jesus, he had to get laid! And Janie was the only girl he knew that he thought he could slide his prick into.

Bobby's eyes fell to his new cellphone sitting on the shelf. Then he had a wonderful idea. With the phone in his hand, the hot and horny kid trotted down the hall to his sister's bedroom. He stood outside the door, listening.

"Umm… so nice! Fuck, that feels so good."

Janie was diddling her pussy again! He pushed her door open very slowly, and very quietly to peek in.

Janie was sitting on a high stool, leaning back against the wall. Except for white socks and a pair of pink tennis shoes, his thirteen-year-old sister was stark naked. Her blue eyes were riveted to the reflection of her pussy in a small hand mirror she was holding between her legs.

As he watched silently, her middle finger teased her slippery clitty again. She slid a finger up her cunt and her slim body jerked. He saw her tiny nipples swell up. When she took her hand away, Bobby stared intently at her tight little pussy. Janie had a neat patch of silky blonde hair on the very top of her cunt, but her pussylips pooched out, soft and delicate, without a single hair growing around them to block his view. He felt his cock straining against his shorts.

Bobby quietly shut her door and thought for a minute, then knocked.

"Go away!" Janie called out.

Her voice sounded odd to him—strained,

like she was choking. He bet she was fingering her little clit like crazy, trying to make her nubile pussy cum.

"Gotta ask you something, Sis," he said.

After a long pause, she swung the door open. Her short robe covered everything Bobby wanted to look at, but his dick was still twitching. Janie's eyes widened when she saw that the front her brother's boxers were sticking way out.

"I wanna learn how to take pictures with my new phone, Janie. You think you could help me?"

Janie stood with her hand under her robe, looking at her brother's shorts. When he shifted nervously from one foot to the other, she saw the tip of his cock peek through the front opening of his shorts. It looked very swollen, and she could see a juicy dribble forming at the hole.

"I'm glad you aren't dressed, Janie. It would be really fun to take some pics of you without any clothes on. You know, like in Dad's magazines. I won't save the pictures, I just want to practice taking them. Okay?"

"Okay," she said, excited to let him see her naked. "But no telling Mom, right?"

"Right."

His cock got stiffer and slid further through the opening. The entire shiny head of his cock was now visible.

Bobby was darn sure that when he got his phone between her legs and maybe got her to play with herself a little, he'd get the hard-on of his life. He noticed that his cock was sticking out, but decided to leave it. He bet she'd want to get her hands on it if she saw it. The rest would be easy.

"Okay, Janie. Sit up on the edge of your bed," he said, closing her door behind them. "You have to open your robe. No girl in Dad's magazines wears very much."

His sister's fingers tugging at the tie around her slim waist, letting her robe flip open.

"Hey, that's good, Janie. Real sexy. Jeez, you're so pretty!"

She smiled while he stared at her perfect, young body. He stood very close to her. He could smell her pussy. He could see her pink little nipples so clearly his mouth suddenly went dry.

He aimed the phone and took his first photo.

God, his cock had never been this hard!

He moved closer to her. His legs brushed against the insides of her legs, he was so close. He could see her pussylips opening a little. If he moved just right, the head of his cock would touch her smooth legs. Yeah, just like that. He felt her jump.

"You're real good at this, Janie! Now, gimme a real sexy shot… put your hand on your cunt!"

She attempted to sneer but he could tell she was getting more and more excited from feeling his cocktip rubbing against her bare flesh. He snapped the pussy shot.

He moved closer still, turning a little. He felt the end of his dick gently touch her smooth pussylips. Bobby pretended to be absorbed in the settings of his camera phone. Had his sister thrust her cunt toward him? She must have. He could feel the heat from her pussy on his slippery cockhead.

"Bobby, your penis is sticking out. You should take off your shorts and just get naked like me."

He smiled and handed her his phone before quickly pulling off his shorts, but he didn't step back. His dick was pointed straight at the parted opening to her tight, thirteen-year-old pussy.

Her eyes flicked up to his. "There, isn't that better?" she asked. Her fingers brushed the soft skin of his shaft.

His dick throbbed in her hand. She whimpered a little, her face growing pink with sexual heat rushing through her childish body.

They both looked down, watching as she started to rub his cock against her wet cuntlips.

"Oooooh," she breathed. "That feels so nice. So much different than…"

"Than your finger?"

"Uh-huh."

He felt her shiver. They touched their foreheads together as they watched their virgin sex organs rubbing together.

Oh, man! It felt so good to have her drag his cock up and down her open pussy. His hands went around her waist.

She started to rub her brother's hard cock against her wet cuntlips

The two horny teenagers didn't hear the bedroom door open slightly. Their mother peeked inside, wondering what her two kids were up to.

Janie aimed the phone and snapped a photo of their hairless, young genitals touching.

"Mmm! You promise you'll save that one for me, Bobby?" she giggled.

Susan trembled as she watched her horny children playing. Her son's cock was rubbing against her daughter's wet, virgin pussy. She knew she should walk in and put a stop to it, but she was rooted to the floor and couldn't move. The scene before her had her captivated, reminiscent of a similar scene from when she was almost Janie's age.

Janie set the phone aside and reached down to hold her tight cuntlips open. She pressed his shaft flat against her cunt, leaning back a little, her hips moving instinctively. Her clit leaped up, tingling and eager.

"Can I put my cock in your cunt, Sis?"

Bobby swallowed hard. The words had just slipped out. He was so damn hot he thought his dick would burn her hand.

Janie shook her head. "I'm cherry, Bobby. You'll hurt me."

But she was experimenting. She was pushing his cockhead down, moving her hips forward a little. Jesus, she was going to put him in her! Bobby was sure of it.

"I wouldn't hurt you, Sis. And I'll stop right away if you say so."

He was inching toward her. He had his cock aimed dead center. His throbbing cockhead slid into her slippery thirteen-year-old cunt, hiding it from their curious eyes.

"Oh, my gosh!" Janie gasped.

"Yeah," Bobby shuddered. Bobby treasured the feeling of his adorable little sister's tiny pussy clasping his sensitive cockhead.

"Oh, Bobby… I can feel your heart beating," Janie whispered.

Bobby nodded. "Yeah! Me, too. And I can feel your cunt grabbing my dick. It really wants it, Janie."

"Oooooo, yes… yes, Bobby. It does."

Susan was mesmerized by the incestuous scene her kids were putting on. She was delighted that she was able to watch her two precocious children experiment with each other, delicately fondling and gently fucking themselves for the very first time, or so she presumed.

She slid a hand inside her robe to caress one of her heavy tits, her other hand cupping her quivering cunt. She could feel the wetness soaking through her panties as she stared with foggy eyes at her two kids.

She delighted in seeing her son's cute little ass clench and relax as his cock was nestled inside his sister's cunt. She could almost make out his tight hairless balls hanging between his smooth legs. She wished she had the courage to walk inside and take over the role of photographer so she could document her horny children's first incestuous fuck for the family album. She would make sure to get close-up shots of Janie's pussy being penetrated by Bobby's hard teenage cock, her daughter's supple young tits as they wiggled with delight, and their moaning faces as they fucked each other to powerful orgasms.

Susan wondered if Bobby was old enough to cum. She certainly hoped so. He was almost fourteen. Weren't fourteen-year-old boys able to squirt cum? It would be so special if he was able to give his lovely little sister a nice dose of hot teenage boy-cum.

She had to stifle a moan as she felt her pussy juices begin to run down her leg. She didn't want to interrupt her children fucking, not for anything in the world.

Inside the bedroom, both of Janie's little hands held her brother's prick tightly. She wiggled her hot little ass toward him another inch or two, biting her lower lip.

Bobby took a deep breath, trying to be cool. He stood, trembling, the head of his pulsing cock

inside his sister's virgin cunthole. Her fingers were driving him up the wall, squeezing his thick shaft. Even though she shook from head to toe, her hand moved up to this belly, holding him back from getting his cock into her any farther.

Bobby picked up the phone and viewed the pussy shot he'd taken. "Look, Janie. You've got a really pretty cunt… see? You're all grown up now. Ready to fuck."

His sister looked at the photo on the screen. She licked her lips, staring at the erotic image of her wet, pubescent cunt. Now her hands weren't holding him back.

Bobby leaned toward her. He felt the tightness of her virgin cunthole. Shit, her slick flesh was soft and hotter than hell.

He eased back. He could feel her young pussy fluttering and grasping for his cockhead. His dick sank farther into her hole—one more inch…

Janie put the phone down and her fingers curled over the edge of the bed. She lifted her knees. Her ankles were crossed behind his back.

"Push," she whispered. "I want to feel your dick inside me. Oh! Oh, Bobby!"

The horny boy's palms were pressed against Janie's pert little tit-mounds. Her nipples felt like little rubber erasers.

He felt her heels digging into his back. She was pulling him in. She leaned back, licking her lips, watching his hard shaft slowly going into her quivering pussy-hole. The pressure of her heels eased. Her cunt muscles tensed again. She forced another inch of his aching cockshaft into her virgin hole.

Bobby was so excited that his urge to cum was almost impossible to resist. His prick had never been so damn hard! How could a girl's cunt be so tight? In the magazines, the chicks had taken cocks twice as big as his. From the expression on their faces, they'd loved every hard inch!

His arms went around his sister. He pulled her tightly to his body. His fingers brushed down her back to get a firm grip on her small ass.

"I gotta get it all in, Janie," he panted.

Her arms and legs suddenly locked tightly around her brother.

"Jam it in!" she shouted. "All the way! I want you to fuck me, Bobby. Fuck me… fuck me!"

'Yes!' Susan said to herself, watching her over-sexed kids, unconcerned that they were using such words with each other. 'Fuck her, Bobby! Fuck your little sister's cunt! Be a good brother and take your sister's cherry!'

Janie's pussyhole fluttered and rippled around his rigid cock. Bobby shoved hard. He felt her cunt walls giving, opening. Janie's teeth sank into his shoulder.

"Oh, Bobby!" she yelled.

"It's in. I got it in, Sis. Look!"

They both looked between their hot, young bodies. Not an inch of Bobby's throbbing dick was to be seen—just light wisps of his pubic hair nestled against her smooth mons.

Janie's tiny virgin pussy happily squeezed her brother's thick cock

Bobby took a quick photo. "There, now you'll have a picture of the moment of when you lost your virginity, Sis!"

"Oh! Ummmmm… yeah! Yeah, I like it. I feel so filled up inside, Bobby. Move it in and out a little. Uh! Yeah, like that!"

Bobby couldn't believe what was happening. Jesus Christ, he was fucking his own sister! Her cunt was gripping his cock while he fucked in and out of her. It felt better than any jack-off he'd ever experienced. All the wonderful sensations he was feeling were coming from his hard cock buried deep inside his little sister's clinging cunt, his hairless balls rubbing against her tiny pink asshole.

Janie held her legs up, leaning back, watching him fuck her cunt. Now they were getting it going. She was learning how to relax her pussy-muscles a little bit, letting him get all the way into her, then clamping down when he drew back. She began to quiver with the first ecstatic thrills of cumming with a boy's dick inside her.

"Oh, Bobby! It's so nice… so nice!"

Bobby was so hot he felt like he was cumming, but he was too tense. He couldn't tell for sure if his dick had gone off. Her cunt seemed slicker. He could bottom his rod and slide it almost all the way out now without feeling that he'd stuck his cock into a vise.

"Your dick's getting harder in me," Janie whimpered. "What's happening?"

"Guess I'm gonna cum," Bobby panted. "I can tell. My cock feels so good in your pussy, Janie!"

"Don't stop. Don't you dare stop, Bobby. It feels so good. I wanna fuck you all day."

The girl watched her brother fucking her tight hole. No wonder her mother hollered like crazy at night when Daddy was screwing her. Janie wanted to scream for joy, her cunt felt so good. Why had she wasted so much time just diddling around with her clit? There wasn't any feeling in the world like this! All the hot stories her girlfriends had told her were true! Fucking was terrific!

"Oh, Janie…" Bobby moaned. "I think I'm gonna cum… I'm gonna squirt any second."

"Do it, Bobby! Cum inside me! I wanna feel it in my pussy! Do it! Do it! Please cum inside my pussy, Bobby!"

Susan licked her lips as she watch the horny little children pounding away. She wanted to see her kids cum together more than anything. 'Cum, Bobby!' she said to herself. 'Give her all your juicy cum! Show Mommy what a big boy

you've become!'

Bobby picked up the pace. His rigid dick fucked in and out of her incredibly tight cunt. He began to feel that delicious tingling in his balls as he approached his climax.

"Oh, fuck!" he yelled. "I'm gonna cum, Sis!" His cock throbbed in her cunt. "Oh, shit! Here I go!"

The boy slammed his hips forward, forcing his cock as deep as he could get it inside Janie's tight pussy.

"I'm cumming, Sis!" he shouted. "Ohhhhh, fuck! Can you feel it in your pussy?"

"Yes! I can feel it, Bobby! Fill my pussy with your cum! It's soooo good!"

Susan watched her son writhing in orgasm as the kids pressed their crotches hard against each other, moaning and panting.

"Oh, my pussy! My pussy feels so good!"

Bobby looked down to see the result of their incestuous fucking. He could see his cum dribble out around his cock. He smiled, knowing he had made so much that Janie couldn't hold it all in her tiny pussy.

Janie's fingers brushed his soaked balls. She wiped his cum off and held her hand up to stare at the white stuff her brother's dick had produced. Her cunt got slicker when she came, but she didn't shoot anything out. And why was he stopping? When she came her climax it just made her want to have another one—right away.

"You can't be done yet," Janie said. "No, I didn't cum yet! You didn't do it right! We're supposed to cum together! Don't stop, Bobby!"

Bobby gritted his teeth. "Can't help it, Sis."

The kids heard another person speak.

"It doesn't always happen that way, Janie."

It was their mother's voice. The sound made both the kids freeze. Jesus! When had she come into the room?

Susan put her arms around her son and her daughter. She hugged them tightly. Janie looked at her mother's wide eyes and her flushed face, at her big nipples poking straight out under her thin robe.

Bobby looked at his mom's hand stroking his juice-sliced cock, at her soft smile. He knew she wasn't mad at him for fucking Janie. His cock twitched at the teasing touches of his mom's warm fingers.

"I'll teach you how to cum, Janie. From being fucked, I mean. I know you can get off with your fingers. I've heard you in your room."

Janie felt her face getting hot with embarrassment. But her body jerked hotly from the soft touch of her mom's finger on her erect clit. Janie was so excited she could hardly breathe. Her own mom was going to teach her pussy how to cum while fucking a boy's cock!

Susan held her son's cum-slickened prick in her soft hand as she spoke to her daughter.

"Janie, the best way to learn how to screw and to get off with a man in your pussy is to watch and see how it's done. It's easier than trying to learn from a book or from experimenting. That can just make you hot and uptight."

"You're going to fuck Bobby, Mom?"

Bobby couldn't believe it, he was going to fuck an experienced pussy—his mother's! It wouldn't be so damn tight around his prick, like Janie's had been. And his sister was going to watch!

Janie pouted a little. She was hot to keep on fucking, but she kept her mouth shut. When her mom had discovered her bare-assed on her bed, she thought for she she'd get her little butt spanked. It was hard to adjust to the sudden switch of events.

Susan could feel her cunt oozing hot cream. Ever since she laid eyes on her two kids fucking, she hadn't been able to think about anything but fucking her younger son. Now, she told herself, she had a reason for doing it. She'd help Janie learn how to handle a boy's cock. Better to learn from her own mother than from schoolgirl gossip.

Susan took off her robe and her cummy panties and lay on the bed.

Janie sat cross-legged beside her, watching Bobby move between her mother's spread legs. She slipped her fingers into her newly-fucked pussy-hole. They felt good! Her clit was hotter and more sensitive than it had ever been.

Her own mom was going to teach her pussy how to cum while fucking a boy's cock!

The young girl looked at her mother's full tits, at her pink clit standing up out of the bush of golden curls that covered her pussy-mound, at Bobby's hand curled around his throbbing teenage dick.

"Your nipples get harder than mine, Mom," she said.

Her small hand reached out to cup her mother's white tit-mound. Her thumb rubbed Susan's erect nipple.

"Your boobies haven't grown much yet, Janie. When your nipples grow bigger and you show a boy just how to suck on them, they will get just as big as Mommy's. And they'll feel real good. They help you to get hot and cum."

Her daughter's soft hands stroking her boobs made Susan's cunt even slicker with trickling pussy-juice.

"Now that your cunt has been fucked," Susan said softly, "you'll find your whole body will respond to what a boy does to you. Don't be afraid to show him just where everything is that feels good when it's played with. You'll get so you can cum lots of ways… I mean, besides having his cock fucking your cunt."

Janie turned red. She had never heard her mother say much words. Her finger worked in her tight little pussy-hole.

Bobby hadn't moved. He just sat staring at his mom's moist cuntlips, how her hole seemed to open and shut in anticipation of feeling a cock going into it.

Janie leaned over. Her fingers slid over her mother's pussy-mound. She felt between her soft warm pussylips. Her middle finger eased into Susan's cunthole.

How soft and warm it was!

Her own cunt just clamped down and held tightly. It wouldn't let go and ripple and work on her finger like her mom's was doing.

"Um… ummmm," Susan purred. "That feels really good, Janie. Finger-fuck Mommy. Push in harder. You won't hurt me. Uh… uh… uh… God, that feels so good!"

Janie watched her mother's hips come off the bed. She saw them tilt and swing back and forth, working on her finger just like she had fucked her brother's stiff cock. The hot girl felt her clitty swelling with excitement.

Bobby came to life. With a low moan he leaned over and buried his face between his mother's full tits. Her hands guided his sucking mouth from one erect nipple to the other. He sucked hard, pulling her nipples out. His mouth and his licking and biting made her work her hips even faster.

Janie slid two fingers into her mother's cunt. Her thumb was pressed to Susan's clit.

"Oh God! I'm such a naughty mommy! My daughter is finger-fucking my cunt and my son is sucking my nipples… oh, this is so good! So fucking good," Susan mumbled. "I'm going to cum, Janie. Watch… watch Mommy! Mommy's cumming!"

The excited girl felt her mother's body growing tense with the erotic thrills of her approaching orgasm. She felt the pussy around her fingers tightening. Bobby squeezed his mom's tit-mounds together, licking furiously one nipple and then the other.

"Aaaahhhh!"

His mother's soft sigh when she slid into her first climax made Bobby's cock so hard he felt he had to get it into her. But Susan's cunt was full of fingers. He groaned and then began jacking off, sitting between her widely spread legs.

Janie kept finger-fucking her mother and herself, still watching her brother jacking off. This was wild! She'd peeked into bedrooms and bathrooms before, but to see a boy beating his meat right under her eyes made her cunt flow a small river of hot girl-juice down her ass crack. He moved his hand faster than she did when she diddled her clit.

Boys got off differently than girls, she knew. But girls could do it over and over again. She felt very superior to her older brother.

"Whew!" Susan rubbed her flushed face with her hands and she sat up.

Janie took her hand away. She leaned back, keeping her small legs spread so Bobby could watch her finger her tiny pussy. Her eyes never left her mother's wet cunt.

"Have you ever sucked a boy's prick, Janie?" Susan asked quietly.

Janie shook her head. "He just put it in my pussy."

"Oh," Susan frowned. "If you suck on his cock, you'll get hotter, Janie. And it will be easier for you to cum."

Susan and Janie sat next to each other on the edge of the bed and her son stood in front of them, his stiff fourteen-year-old cock waving eagerly at their faces. Her soft hand went around the back of her daughter's neck. Janie found her mouth wrapping around her brother's rigid cock, then being eased off, as her mother did the same with Bobby's hard penis. They traded his cock back and forth.

"Do you like the taste of cock, Janie?" Susan asked her nubile daughter.

Janie bobbed her head in a big smile.

"If you try hard enough, you should be able to taste Bobby's cum and your own pussy juice."

Mother and daughter continued to swap Bobby's cock back and forth between each other.

Susan went wild, tasting both of her kids' fuck juices on her son's young cock. She loved feeling his rigid pecker on her tongue and his hairless balls against her chin.

Janie forgot completely about her itching, burning pussy. Every time Susan pointed his cock her way, Janie sucked greedily on her brother. The double suck-job drove the horny boy right out of his mind. His body stiffened. His fists clenched. He fucked their sucking mouths with hard thrusts.

Jesus, it felt so good to be sucked!

Susan eased away and lay fingering her pussy-hole, watching her boy getting licked and sucked. Janie got up on her hands and knees, her little ass pointed toward her mother. Janie's hands gripped his rigid prick at the base. Her teeth nipped his cockhead. Her tongue swept up one side of his cock and down the other. She moved back and forth, making cooing sounds deep in her throat.

"You're a natural cocksucker, Janie honey. One of the best thirteen-year-old cocksuckers I've ever seen." Susan murmured.

She pulled her daughter's rosy little ass closer to her. Janie lay on her side and lifted her slim leg. Susan's mouth closed over Janie's smooth juice-drenched cunt. She licked and sucked hungrily, swallowing her daughter's fresh pussy-fluids.

The bedroom was filled with slurps and moans as Bobby drove his cock deeper into his sister's throat. Susan's hot whimperings made his cock grow so rigid, his sister's teeth could hardly dent it. She bit and chewed on him, squeezing his full balls.

Susan worked her tongue deeper into Janie's hot little cunt. How tight her horny girl was! She remembered back through the years to the first time she had felt a tongue probing her sensitive young cunt. Her daddy had eaten her out long before she had grown any hair on it.

Suddenly Janie lifted her head away from her brother's cock. She held it up, rigidly erect. Her eyes were wide. She was cumming—cumming from her own mommy sucking her hot cunt!

"Mom! I'm cumming. I'm *cumming*! Oh, my tummy's cramping! Suck me!"

Susan's hands gripped her girl's slim hips. She sucked furiously on the little pussy that was clamped tightly around her intruding tongue.

"I'm cumming… cumming… cumming…" Janie chanted. Every time she chanted out the word, her hands jerked her brother's throbbing cock all the harder.

Finally, Bobby shot a wild arc of white cum into the air. Janie came at the same split second.

Bobby fell to his knees, holding his spurting cock. Janie slid forward, flat on her face. Susan's sucking mouth never released her girl's hot pussy. She kept Janie's legs open and her hips up, that spasming cunt tightly pressed to her mouth.

Minutes passed before Susan felt her thirteen-year-old girl's body stop trembling. She lovingly kissed her daughter's cute little butt cheeks, spreading them apart and sliding her tongue between them, licking hotly at her pink little asshole.

Janie whimpered, at this new sensation.

There were so many things they could do, so many new things to try! Janie's head swam with all the exciting possibilities of having sex with her mother and brother. Never again would she hide alone in her room, with just her mirror

With his sister's mouth wrapped around it, Bobby's cock had never felt so good

and her busy fingers to bring her off. As far as she was concerned, fucking should always be with someone else… especially someone you're related to!

"Lick my asshole! Ohhh, it feels so so good!"

Bobby climbed back into the bed. His red cock was still hard as a rock.

Susan simply could not make herself stop sucking and licking on her daughter's tight puckered hole.

"Mom, I wanna fuck you now!"

Susan looked up at her horny son, hard cock throbbing in his fist. "Now Bobby, didn't I teach you to be more polite than that? Ask Mommy again, but this time be polite about it."

"Okay," he said, softly. "Mommy, can I please put my cock inside your pretty cunt and fuck you? Please, Mommy?"

Susan smiled at her growing boy, overflowing with lust for pussy.

"Oh, alright. I think my handsome little man has earned some of Mommy's cunt."

She flipped over onto her back, lifting her knees. She pulled Janie on top of her in a 69 position. Her mouth pressed against the trembling girl's hairless cuntlips. She pushed her long tongue into the tight, wet hole.

Janie began shaking again, working for another incestuous climax as she watched her mother's cunt and her brother's cock very closely.

Bobby gazed at his mother's open pussy—right under his flaming hot cockhead. Bobby groaned and looked up. He could see his sister's face only inches away from his cock. His eyes flicked down to the waiting cunt. His mommy's cunt. The cunt where he came from. Finally, he was going to get a chance to go back, back where he belongs.

Janie reached out and clutched his cock, aimed it at her face and kissed the sticky tip. With a giggle, she directed it towards her mother's cunt as Bobby pushed, sliding inside her.

Jesus Christ! It felt so good he was sure he would cum right away. His mother's cunt was tight, but not like Janie. Her cunt worked on his cock, squeezing him, milking his pre-cum out of his cum-channel. He drove in, bottoming his cock in her hot twat. His mother's was a ten times better than he thought it would be. It felt like his cock belonged inside his mommy's cunt!

"Bobby, your cock looks so good going into Mommy's wet pussy!" she said, watching closely.

He couldn't believe how good it felt. He watched his hard cock ramming in and out of her. Nothing had ever felt so wonderful! Nothing was as exciting as fucking his own sexy mom. When Janie learned how to really fuck, he was going to die from exhaustion with two hot cunts in the house: one smooth, one hairy.

Janie's voice rose in a high wail of ecstatic joy. "Oh, you're makin' me cum again, Mom! Suck my cunt! Suck my cunt forever!"

Bobby's raging prick slammed into Susan's drenched cunt all the harder. His balls slapped furiously against her puckered asshole.

Janie writhed on top of her mother, cumming over and over again. Her round eyes watched her brother's cock slamming in and out of her mom's cunt.

"Fuck me, Bobby!" Susan screamed. "Oh Jesus Christ, fuck Mommy's cunt! Fuck it… fuck it… fuck it!"

Her voice trailed off into incoherent mumblings. Her head lifted up and fell back to her pillow. Her hands clenched her daughter's tiny ass. Her hips whipped his rigid cock in and out of her fuckhole. The bed groaned and complained under the wild thrusts of her hips.

"Yes, I'll fuck you, Mom. I'll fuck the living hell out of you. I'll fuck my cock into your fucking cunt as hard as I can, Mom!"

He picked up the pace, slamming his cock deep into his mother's cunt.

Janie watched them fuck, her eyes round as saucers. Her brother had gone cunt-mad! He was fucking her mother so hard. How could Mommy take such a pounding and pant for more?

He jerked his cock out and thrust it back in. Janie gasped when she saw her brother pound back into her mommy's cunthole. Susan's legs wrapped around his back. Her heels dug into him, driving her son's hard cock into her cunt as far as it could possibly go.

"Bobby," Judy moaned. "I want you to give your cum to your sister."

Janie's eyes were riveted to her mother's slick cunt taking her brother's prick. She watched as her mature pussy expertly clutched her son's young cock while he fucked the hell out of her cunt.

"Oh, I love watching you two fuck like this, it's so pretty seeing your cock in her cunt, Bobby!"

Susan writhed in incestuous pleasure. "You're doing so good, Bobby! You're fucking Mommy like a grown-up boy! Keep fucking Mommy, Bobby!"

He lifted her legs up, pulling them wide apart. His fingers gripped her ankles.

Janie could see every inch of her mother's wide-open snatch. She watched his cockhead appear and then disappear into that pink gash.

"Bobby…" Susan moaned. "I want you to give your cum to your sister. Squirt all your wonderful jism inside her pretty little cunt!"

Bobby smiled. He jerked his prick out of her cunt as his sister quickly got up and leaned back beside her mother.

Janie gasped with surprise as legs pressed up against her erect nipples. She saw her cunt open and wet and ready to fuck. Her eyes grew round as she watched her brother's hard cocktip open her tight fuckhole and slip inside.

"Ah!"

Her sharply explosive gasp echoed from wall to wall. Bobby ripped into her pussy, sinking every inch of his aching cock in her twat with one wild thrust.

"Fuck her, Bobby!" Susan urged him. She finger-fucked her cunthole with three fingers, watching her son screwing her daughter with incestuous excitement. "Make her cum this time. She's so fucking hot, it'll be easy. Make her get off! You can do it! Fuck!"

Bobby seemed to age five years right before Susan's eyes. He fucked his sister like a real man. And she responded to every wild plunge of his cock inside her newly opened twat.

"That's good, Bobby," Janie yelled. "So damn good! Better than before, I can feel every inch of you in me. Fuck my hole! Fuck me, big brother!"

Now her eyes were closing. Her nipples stood up, brittle and hot and pink. Her cunt rippled around her brother's raging hot cock. She was slipping into a wild orgasm.

Bobby felt his cock going out of control.

"Oh, Janie! Here it cums!" he shouted, grinding deeply into his sister's sugary cunt. "I'm cumming! I can't help it! My cock is gonna fill your pussy with cum, Janie!"

Susan saw Bobby's ass clench as he thrust hard into his sister and spurted hot angry jets of cum into his sister's sizzling cunthole.

"Aaaarrghhhh!" Janie yelled.

Susan saw that Janie was cumming—hard! Susan grabbed for her girl's pussy. She delighted in feeling how it clamped down on Bobby's cock as she slipped a finger inside, beside her boy's fucking prick.

"Yes! I'm cumming, Mommy!" Janie hollered. "Ohhhh, I'm cumming! My cunt is on fire! My pussy is cumming! Ohhhh, so fucking good! Give me all your cum, Bobby! Fill up my pussy with cum! Cum in my fucking cunt, Bobby!"

Janie kept cumming over and over again. Then she went limp. Her arms and legs fell flat on the bed, but her pussy kept clamping and releasing around his shooting cock.

When it was over, Bobby pulled his still-hard cock from his sister's cummy hole and collapsed beside her.

"You kids fucked so well, I'm so proud of how much you two have grown up!" Susan said with pride. "If only Daddy were here to see how you've learned to fuck and cum, Janie."

"When will he be home?" the hot girl asked.

"Tomorrow night, honey."

"I can't wait to show Daddy what I've learned, Mommy! Bobby and I can show him how we can fuck and make each other cum!"

All three laughed together and cuddled each other's naked body in incestuous bliss. ★

Michelle is an incredible woman who reached out to **incest** to tell the story of her youngest son's recent birthday celebration

No More Secrets

by Ben Ante

My youngest boy, Johnny, turned eighteen this past June. I asked his older brothers to take him out that morning so I could get the house ready for his special birthday present.

It was still hours before the party was scheduled to start... I needed the house clear and empty for what I had planned for my special birthday boy. I was playing a home video of his older brother's eighteenth birthday parties. I asked John if he ever wondered why his brothers had such shit-eating-grins on their faces during their parties...

"I dunno Mom. They kinda look high! But it can't be that, I guess, just because it's their birthday? Cuz of all the presents they'd get?"

"That's exactly right," I said, reaching over to him. "But there's more..."

I'll tell all of you readers out there what I told Johnny, and what I told each of my sons when they turned eighteen.

The eighteenth birthday for a Lloyd child is a very special time. It's a time when they can truly leave their childhood behind and engage on the same level with their parents. In life and in love.

Each of his older brothers chose the Lloyd family way... and my baby boy Johnny was no different.

The first time with each of my boys is always SO MUCH FUN! Not all of them were virgins when they first fucked their mother... but every one of them were so beside themselves it was like it really WAS their first time.

They needed encouragement...

Reassurance...

And sometimes they wouldn't do a single thing until I gave them permission, to let them know it's okay to touch their Mom in the way they've always dreamed of doing...

Once permission is given, they turn into the cutest little deviants. I'm so proud of my sexy boys!

Because all of this is so new and, sometimes, out-of-the-blue for my boys on their eighteenth birthday, it's reasonable that they have a lot of questions. I always try to answer them clearly and honestly... but never at the expense or delay of our first time together...

I was halfway through undressing when Johnny asked if I did this for his older brothers. I told him yes, I do this for all of my sons... and told him more about our happy family tradition.

When I was fully naked in front of my boy I told him about his aunts Gail and Terri, and his cousins... and about their eighteenth birthdays...

In between kisses and taking my son's rigid penis into my mouth... I told him about the special family reunions at the house down on the cape that he will now be able to attend...

I ran my fingers through his hair... my youngest son gave as good as he got... and I told him how much I loved him... and prepared to tell him about my own eighteenth birthday, with my Daddy...

I spread my legs for my baby boy as I told him about the first time I spread my legs for my Dad... My son sped up his thrusts as I described how much he was like my own Daddy...

It wasn't too much longer until Johnny bucked twice and stopped... his penis lodged so deeply when I felt my son's warm cum shooting inside of me... I was filled... filled with both love for my boy, and his cum...

I pulled him toward me and I kissed my son... reassured him... loved him... and asked if he wanted to fuck his Mom again, although I already knew the answer to that question.

I got up and dialed Tommy, and put the call on speakerphone. I wanted all my boys to hear what I had to say.

"Hi Mom... how's Johnny?"

"He's where all my sons belong... back inside his mother!"

After the cheering on the other end died down, I said to my boys, "Tommy, Richard, Harris, once we're done on the phone, I need you all to come over to the house. To help... *OH!*"

Johnny was keen. He had re-entered me and was ready for another round.

"Before you come over, I need to tell all of you something now that you are all old enough to hear it. I don't want any secrets left between us... I need to tell you all the whole truth of my own birthday party... Tommy, that was the night you were conceived."

That hung in the air for a few moments... Johnny sped up his thrusts inside of me. He put two and two together and was incredibly turned on. Just in case my older boys were stunned or surprised... I continued.

"Richard, you were conceived on my nineteenth birthday... Harry, you were conceived on my twentieth."

Harry said, "So... Dad was still around at that time?"

"In a manner of speaking..."

Richard's deep voice came over the phone... "Are you saying... that Grandpa..."

I finished for him. "Isn't exactly your Grandpa... correct." There was a long pause. For a few moments the only sound was of Johnny's balls slapping against my skin as he thrust inside me.

I broke the silence, "This is our family tradition, Richie. Maybe when Aunt Gail and Terri and your cousins arrive for the party we can open up the family album and show you the family tree. I love each of you so so much. I don't want any more secrets between us now that we're all together."

Johnny and I kept making love right on that spot... I was on top of my youngest son when my other three sons... each the love of my life... arrived home, getting ready to prepare for Johnny's birthday party.

That day, Johnny thought that my birthday present to him was the same gift I gave his older brothers... but it's so much more than that. I had undergone Tubal Litigation Reversal surgery months prior. My doctor said that I would be fertile on that day.

If any of my son's sperm were to make Mommy pregnant with another baby brother or sister... it would only stand to make this family stronger.

I didn't tell this to Johnny when he came inside me. He'll find out the same time as his brothers do. When this issue of *Incest* hits the stands, there will truly be no more secrets in the Lloyd family! ★

Name: **Emily**

Two horny siblings get naughty, then Mom joins in!

(fm, Ffm, inc, con)

Mom stuck her head into my bedroom to see me dancing around naked, snapping my fingers to the beat of the music I was playing. My body was still wet from my shower.

"I see you're back. How was your date?"

I grabbed her in a bear hug and swung around the room with her. "Oh, Mom! I had such a good time… Jason is super nice and he's so amazingly cute! He didn't force himself on me like those other boys. He was such a gentlemen and was so gracious, and before he took me home he even sucked my cun—"

I clapped my hands over my big mouth.

"Emily!" she said, genuinely shocked. "What kind of boy is Jason? And what's this about getting your cunt sucked? Lay down on that bed, young lady," she said sternly. "Open your legs. Right this minute!"

"Yes, Mother," I said obediently, stretching out on my bed, raising my knees up and laying them wide open.

"Oh, my!" she murmured. "Your poor little pussy is all flaming red. And… and… oh, dear." Her fingers kept slipping as she tried to open my moist cunt lips and peer at my tight hole.

"Hey Mom, need any help?" a male voice interrupted.

I looked over to see my smart-ass brother Matt leaning against the door frame, grinning at me in his underwear.

"Come on in, nosy," I sneered at him. "And make sure to bring Daddy, too. Let's make checking my pussy a family affair!" I said, sarcastically.

He just grinned at me, blowing a huge bubble and snapping his gum. He's fifteen, and hornier than I am! I listen to him beating his meat every night. The thin bedroom walls don't stop any noise like the slap-slap of his teenage cock in his fist.

"If you'd just get yourself a girlfriend, you wouldn't be so curious about how my pussy looks," I snapped at him, trying to ignore the delicious tingling I was getting from Mom's fingers on my pussy as my brother watched.

"Children, children," Mom interrupted clucking like a mother hen. "Such language, Emily. Oh, damn! There's the phone. You stay right there, you hear? I'll be right back."

I lay there with my legs still open, staring at Matt and daring him to make a move toward me.

"What's this all about, Sis?" he asked, looking curiously at my cunt.

"Mom's just a little freaked out that I let a boy lick my pussy today," I told him, stretching out flat on the bed. But I left my legs open. Tiny wheels were starting to turn in my hot head. He was staring at my pussy and his hand was holding his crotch.

"It has hair on it now," I added, "but it's the same little pussy you used to rub your stiff little cock against before Dad decided we were too old to sleep together any more. I can still remember how good you felt between my cunt lips, Matt."

"I haven't forgotten, Emily." He came over and sat on the bed beside me, wincing and reaching down to adjust his cock in his shorts. "You tasted so good! I remember the first time you really came… I was sucking on your cunt. It scared the shit out of me! I thought you were going to pull out every hair on my head."

He lay beside me, propping himself up on one elbow. His hand rested on my hot thigh.

"Why don't you take it out?" I asked softly, nodding at his cock throbbing inside his tight underwear. "It's okay, I've seen it before. Remember?"

"Not as big as it is now, Sis," he said. He shifted around and pulled his penis through the opening in the front of his briefs. His cock bobbed straight up in the air, seeming to look around to see why it had been let out of it's tight prison.

"Oh, Matt," I smiled, reaching over to hold his cock in my hot hand. "You have grown into a big boy!" My fingers fondled and stroked him very lightly.

It was getting even harder. He glanced nervously at the door as I rolled on my side and lifted my leg up to rub my knee against his thigh.

"Hey, wanna pretend we're little kids again? Wouldn't you like to rub this hot, stiff cock against your sister's wet pussy?" My voice sounded awfully high-pitched to me, like I was a little bare-cunted kid begging to be played with.

"Mom will have a cow if she comes in here and finds me touching my cock against your cunt," he protested. But he didn't make a move to get up off of the bed.

"Come on… take a chance," I whispered in his ear. My fingernails found the slippery opening at the tip of his rigid dick. He moaned and got stiff as a board.

"Please, Matt…" I said in his ear, biting gently and blowing in it. "I want you to. I want to feel your hard cock against my pussy again. Come on, reach down and spread my pussy a little. Roll my way. There. Ooooh!" I had begun to shiver from head to toe at the feel of his fiery cock touching my sensitive pussy lips. "Doesn't that feel wonderful?"

"Emily…" he moaned as he slid the tip inside my slippery opening. "Brothers aren't supposed to fuck their sisters. Mom will shit if she sees me putting my cock in your tight cunt like this… uh… ah… oh, fuck! You're making it squeeze my cock!"

I gripped his tight, muscular ass with both hands. "Push, Matt, push! Jesus, are you big and hard! You are a real man, Matt. Fuck like one!"

I had his jerking cockhead inside my pussy, opening my tight cunt walls and stretching me deliciously. It didn't hurt a bit, I was so fucking hot. I bit his shoulder and grabbed one of his hands. I moved it up to my chest. It closed like a vise on an aching tit.

"Oh shit!" Matt moaned. "This is awful. I mean, wonderful. I mean… fuck, someone's coming!" Matt whispered.

"You?" I teased.

"No, damn it! I hear Mom!"

My hungry cunt felt sadly empty as Matt pulled out. He didn't have time to tuck his cock back into his underwear before Mom walked back in.

"Oh, those telemarketers!" she complained. "You can't make them shut up long enough to tell them you don't want anything." She immediately noticed Matt's rigid cock sticking out of his underwear. She also noticed my tell-tale nipples, pushing out stiffly from my excitement.

"Oh, you naughty kids," she smirked. "Emily, I think Matt has something that wants to come out and play, don't you think? I wonder what it's so excited about?" she asked, putting her hands on her hips.

"Mom, Matt and I were just remembering when we slept together in the same room. At night we would get naked and touch each other between our legs. Matt would get so hard and I loved it when he rubbed his little cock on my little pussy!"

"Goodness, what a couple of horny little kids I've raised!" she said with amusement.

"Mother, when you were little, did you sleep in the same room as your brother?"

She sat down on the edge of my bed.

"Well, yes. Your uncle Scott and I had lots of fun sleeping in the same room. That is…"

"Did you fool around with him, Mom? Did you get him all hot and hard, and play with his stiff thing?"

"Oh yes, we had lots of naughty fun when we were kids. Your father and Aunt Wendy did the same thing when they were growing up. So I'm not surprised you two started playing with each other. I guess siblings having naked fun runs in the family!" She looked over at Matt's cock-tip, glistening from my pussy juice and a fresh droplet of shiny teenage pre-cum forming at the hole. "It's fun to play with each other, isn't it kids?"

"Mom!" I gasped. I had never heard her talk like this before.

"Matt, will you please close the door." She watched her son's prick bob as he got up and walked to the door. "Oh, Emily. The scent of your cute little pussy fills this whole room."

Matt closed and locked my door, then almost ran back to my bed, his teenage penis jiggling happily for both of us. He looked at Mom with rounded eyes. He reached for my bare leg without thinking. His cock was hard as a rock, just as any horny fifteen-year-old brother's would be.

"Matt, if you want to look, look. I'm so damn hot." Mom took off her pants. There were no panties covering her mound of blonde pussy hair. Her cunt looked exactly like mine, except that her clit was standing up and sticking out of the trimmed hair around it.

That told me one hell of a lot. Mom loved to have her clit licked! I knew now where my hot blood came from, and why I had gone ape when Jason licked my little pussy.

"Oh, I can't believe I'm doing this right in front of my own children!" Mom said. "I must be losing my mind!" But her fingers still rubbed teasingly over her erect clit, never stopping circling and pressing gently. Her legs opened ever so slowly.

Matt started touching his dripping cock. I found my hand doing exactly the same thing to my pussy as Mom was doing to hers.

"I remember we used to lay in bed and wait anxiously for the house to get quiet," she murmured, raising her knees a little more. "Then I would reach out and hold him—Oh! God help me… Matt, your cock is so hard, I can't believe it! It looks so big now that you're fifteen!"

She had reached across me with her free hand and began to jack off her own son!

"One night he wouldn't listen when I begged him to stop pushing his hard thing against me, I—I guess it felt so good to him, he just couldn't stop."

"Tell me!" I heard Matt breathe.

Mom's finger was moving faster now. Her hips began to move up and down against the pressure of her hand on her pussy. Suddenly, her middle finger disappeared in her blonde-haired snatch! She began to moan and twist on my bed. Matt's hand found my wet cunt and he fingered my clit while he made mad circles inside my cunt hole too.

"He simply wouldn't stop. Before I knew it, he was way up inside my pussy, fucking me and fucking me while I hugged him so hard I almost cracked his ribs. Oh, God! Why am I telling you about this? Promise you'll never breathe a word to your father. Promise!"

"We promise, Mom," Matt and I chorused.

"Oh Matt, your cock is jerking just like my brother's did that night. I love it so much!"

"Mom, oh fuck, Mom!" Matt bucked his ass off the bed, excitedly fucking his mom's hand with his prick. "It's… oh, shit, it's cumming right now! Get ready, Mom! Oh, fuck… here it… ahhhh…"

Matt choked and gasped, then thrashed around on my bed so hard he pulled his cock right out of my mother's grasp.

"Oh, so beautiful!" Mom moaned. "I—I think I'm going to cum! Oh, Lord! Emily, honey, give me your hand. Quickly!" She grabbed my hand and made me fingerfuck her hot hole like crazy, bucking and drumming her heels on my mattress in a wild orgasm that made me break out in a hot sweat. I watched her double up and shake like a leaf. She slipped her warm hand between my legs. The second her finger touched my clit, I began to cum, too. My legs stiffened. I grabbed her hand and pressed it tightly to me. I could not stop cumming to save my life!

"I'm cumming!" I screeched. "Ooooh, I'm really cumming! Fuck… fuck me! Fuck meeee! My cunt is on fire… and I'm cumming so hard!"

"Yes!" Mom hissed. "Cum, Emily! Oh, baby, cum as hard as you can! Cum on Mommy's fingers!"

It was a long time before the bedsprings stopped protesting and quieted down.

"Jesus!" Matt sighed.

"Amen!" my mother echoed. "We should be positively ashamed of ourselves, Emily. Matt, you little devil! Your cock felt just like your father's, the first time I got my hands on him."

She struggled to her feet, slipping her pants back on. Her face was red. I could see that her nipples were still erect, stiff against her blouse.

"We are never going to do this again," she said as she walked over to me and leaned down to kiss me on my clit. I shivered at the feeling of her lips on me like that. "You hear me, you horny kids?" she said as she walked to Matt and kiss the tip of his cummy cock.

We nodded at her, grinning. We knew exactly what she meant, and couldn't wait until it happened again! ★

Big Boobs run in the Family

by Nick Joseph

Alan has an idea that will bring his family closer than ever before

(MmmFff, breast, inc, cons)

Alan looked at his watch. His family was due home any minute.

Wouldn't they be surprised!

He walked into the room his two sons shared. Dylan was sixteen and Harper was just fourteen. Alan was starting to notice how obsessed they were with girls and sex.

Well, what Alan had planned would certainly help take care of that!

Alan had pasted poster-sized photos of a curvy, olive-skinned, tremendously busty woman in various stages of undress… and various stages of arousal. She was shown flaunting her big, chunky tits all over… by squeezing them between her shapely legs, by holding them up to her full lips and giving the long nipples a good hard suck, and by holding out a tray with both pliant, floppy tits served up on dinner plates. In each pose, her face was cropped out.

Wait until they find out who she is, Alan thought.

He walked back into the living room and made sure the shades were drawn. Alan didn't want the prying eyes of the neighbors looking in on what he had planned for tonight… and from now on!

He spun around when he heard the front door open. It was Shelly, his youngest daughter. Shelly was fifteen-years-old and just five feet tall. In many things Shelly did not take after her mother. Where her mother was dark-haired and olive-skinned, Shelly had long blonde hair in ringlets that cascaded down her back. Her skin was almost pale, and her round open face was dominated by thick, rosy lips. She was a little heavy by some standards, but most people looking at Shelly didn't notice that at all.

What they noticed was that each of her tits was bigger than her head, and that everything from shoulder all the way down to her cunt seemed to be big, bouncing tits.

Alan licked his lips. Shelly didn't look like Alan's

wife Anita—except in the tits. In every other way, she resembled Alan's own mother. Alan thought of his lifelong preoccupation with his mother's outsize bosom… and how he thought his father was a lucky, undeserving bastard to be able to help himself to so much marvelous tit and tail every night in bed!

"Hi, Daddy," giggled Shelly. "What are you doing home so early?"

"Took the day off, sweetheart," said Alan. "Come give your daddy a hug!" he said, holding out his hands.

Shelly began to run. Alan watched as those tits waved up and down and up and down…

Shelly squeezed her enormous boobs up against her father's groin. Alan felt the combination of their softness and the growing spikiness of her hardening nipples against his cock and balls. He felt himself rise. He didn't give a fuck if it was wrong. All that tit felt wonderful.

Fourteen-year-old Harper burst through the front door.

"Hey, Harper," said Alan. "I wanted—"

"Sorry, Dad, can't talk!" said Harper in a rush as he hustled towards his bedroom, slamming the door behind him.

"What's with him?" Alan asked Shelly. Shelly leaned back to talk, but her boobs stayed molded to Alan's body. He wondered if she could feel how hard he was getting.

"Oh," Shelly giggled. "He's probably thinking about Miss Harrigan's tight sweater!"

"Ohhh, one of his teachers?" asked Alan.

"Yep," said Shelly, pulling herself away. "She's kinda chesty," she explained, gesturing around her own big knockers. "Harper likes to think of himself taking her sweater off when he's alone in his room!"

Alan grinned. "Well, he won't have to hide such things anymore," he muttered.

"What do you mean?" asked Shelly, her eyes wide with wonder.

Alan reached for his little girl's shoulders. "We're going to make our own entertainment," he said, his hands starting to slip downward, following the wonderful slope of Shelly's big boobs.

He turned when he heard the door bang open again.

In stormed Alan's oldest daughter, Fran. Where Shelly was short, round, and top-heavy, Fran was tall, thin—and top-heavy. Despite her slender build, she, too, had big gallon jugs jutting from her chest that fascinated all the boys. And the men.

"Shut up!" she was saying. "Just shut the fuck up!"

"Fran!" said Alan, still hugging the warmth of Shelly's boobs to his body. "Watch your language!" Fran threw herself onto the couch.

"What?" pleaded Alan's older son, Dylan, as he followed Fran into the house. "I didn't say anything!"

"He did, too, Daddy," spat out Fran. "He insulted me. He said with my big boobs and skinny body, I looked like a couple of weather balloons on a string!"

Dylan grinned. "What's wrong with that?" he asked swaggering toward the room he shared with his brother. Alan silently hoped he'd go in, so that both boys could see the posters that he'd worked so hard decorating their room with.

Dylan disappeared into his room.

"C'mon, Fran, honey, give your daddy a hug," moaned Alan.

Long tall Fran sighed and even rolled her eyes, as teenagers do.

"C'mon, Fran," pleaded Shelly. "Daddy wants you…" she paused, "…to give him a hug."

Fran looked at the way her little sister's melons engulfed Alan's hips. She smiled. Finally she stood up and walked toward her father, wrapping her arms around him. With Fran's suffocating balloons resting on his chest, and Shelly's bouncing babies pushing against his groin, Alan was in heaven. He didn't care that all four tits belonged to his own two daughters!

For now, he pretended that his only interest was in paternal hugs. The rest could wait until his wife Anita came home.

"Now, where is your mother?" said Alan. "I need her help with some things tonight!"

"I was so excited when both our lovely girls grew big bouncy titties!"

His daughters just hugged him tighter.

"Don't worry, Daddy," whispered Fran.

"Yeah, who needs her?" giggled Shelly, moving her body up and down. Alan's eyebrows raised. Were his daughters one step ahead of him?

He turned at the sound of the door. Anita had walked in.

Alan looked her up and down. She was dressed so conservatively, you would never know that Alan had married her so he'd have the hottest and bustiest piece of ass in town for his very own every night. Oh, you could tell that underneath that drab, cover-all business suit there were some hot hips and enormous tits. But you had to work at it!

"Alan, what are you doing home?" she asked as she leafed through the mail. "Did you start dinner?"

"No, please lock the door behind you," he said, pushing his daughters away from him. "Stand over there in front of the couch along with Shelly and Fran."

"Why? What are you up to?"

He smiled wickedly. "You'll find out." He crossed the room and knocked loudly on the boys' bedroom door. "Dylan! Harper! Come out here, now!"

The two teenagers scrambled out, Harper buttoning his pants hurriedly.

"What's the deal, Dad?" he asked.

"Sit down on the couch in front of our women, wouldja?" said Alan, pushing both boys in the right direction. "Now—tell all three of them what you were doing in there!"

Dylan tried to look nonchalant. "Nothing," he said, obviously lying.

"Bullshit!" barked Alan. "Tell them. Tell all of us."

"Um," said Harper. "I was… I mean we both were…"

"Harper! Don't say! What are you, stupid?" snapped Dylan.

"You'd better say, young man," said Alan with a seriousness in his voice.

"Well," stammered Harper. He struggled with buttoning up his pants, but his fingers wandered back to massaging the bulge there. "We were, uh, both of us, ummm… you know, playing with ourselves… looking at those pictures on the wall of the naked lady with big boobies."

"Naked what with big what?!" said Anita, unable to believe what her sons were saying. Shelly and Fran just giggled, setting there own big boobies into motion.

"All right, we'll get back to that," said Alan, nodding. "Now, Anita, why did I marry you?"

Anita looked quizzical. "Because you love me."

"Oh, come on," said Alan, walking up behind her. "Sure, but what else?" His fingers reached around her curves and started unbuttoning her jacket and blouse. "Wasn't there a more…" His two strong hands reached forward and cupped Anita's generous tits. "…*tangible* reason?"

Their daughters giggled and the boys gasped.

Alan continued undressing his wife. "See, Anita, I wanted these tits. These wonderful, perfect tits," he said, dropping her crisp white blouse to the ground.

He walked around Anita. His wife was speechless.

"I wanted to be able to slurp these into my mouth whenever I wanted to," he said, pulling at her dark-colored nipples, which despite her apparent embarrassment, were growing and hardening. Alan clamped his lips to one then the other, sucking loudly. Shelly and Fran's hands wandered up to their own tits as they watched their parents in fascination.

Alan reached between his wife's legs and dragged his hand slowly over her wet cunt before wandering over to his daughters.

"And I was so excited when both our lovely girls grew big bouncy titties," said Alan. "Go ahead, girls. Show 'em off!" Both girls started removing their tops with excitement. "Especially Shelly's. Look at these. They're bigger than yours,

Anita. They're even bigger than my mom's… and Mom had some big fucking tits!"

Shelly beamed with pride, and her sister Fran giggled as she lifted and dropped her own big chesty fun bags. Alan looked to her, and she pointed to her brothers, sitting on the couch.

Both were sitting there with their pants at their ankles, their cocks . And these weren't puny cocks. Alan was proud and pleased to see that both his sons were hung like fully-grown men!

Shelly and Fran seductively took off the rest of their clothes, licking their lips lewdly at their brothers and their dad. Dylan and Harper kicked off their pants and shoes, and peeled off their shirts, never taking their hands off their teenage dicks. They just kept jerking, smiling broadly at the sexy show in their very own home.

Alan noticed that his wife Anita was holding her hands over her large aureola. "Anita, don't hide them," he whispered to her. "You have such beautiful tits with amazing nipples. Don't feel embarrassed to hide them anymore, especially not with your own family here at home." Anita hesitated, then finished undressing, except for her high black pumps.

Alan smiled. Anita's dark brown, almost black, hair cascaded down her shoulders. Her olive complexion showed off the generous curve of her hips and the heavy swell of her breasts. Both of her sizable nipples, an even darker shade of olive, were puffing up and hardening under everyone's gaze. And despite her best efforts to look upset, her brown eyes twinkled with a barely concealed excitement.

"Boys," called Alan. "Take your eyes off your horny sisters for a second and look at this… the body that gave birth to all of you."

"Holy shit, Dad!" said Dylan.

"Wow! What a pair of motherfucking tits!" shouted Harper.

"*Motherfucking*, Harper?" Alan said with a smile. "I'm glad to hear you say that. You know who that is in the posters I put up in your room?"

The boys didn't answer. They just turned their gaze to their mother's top-heavy body and continued to fondle their cocks.

"Alan," began Anita, tentatively. "Do you mean to tell me that you took those pictures of me… and put them—"

"In the boys' room. You bet. I think every son should have a reminder of how beautiful their own mother is when she's naked," said Alan, as he finished taking off his underwear. He waved his long cock in front of Shelly's mouth and was pleased to see that she instinctively opened her mouth and reached for it with her tongue.

"I can't believe it," said Anita.

"Believe it," said Alan, now fucking his youngest daughter's round doughy face. "Everyone in this family loves to fuck, so we're going to fuck. All of us. Whenever any of us want. Anita, you know you want it. And what better place than here at home?"

"Right, Dad! What better place?" said Dylan, reaching for one of his mom's big, smooth tits.

"From now on, the minute everyone's home, clothes are *off*," dictated Alan. "We'll order some take-out and get right to it. To get the ball rolling tonight, Shelly and I will have our way with each other right in front of everyone. It'll be our own live pornography… family style! Ready, baby?" he said to his stacked fifteen-year old.

"Mmmph," said Shelly, agreeably, trying get her mouth to form words around her father's ample genital equipment.

Dylan grabbed his mother and sat her on his lap, reaching for those big hanging boobs with both hands. His hard cock bounced up against her snatch between her legs, poking at his mother's coarse black pubic hair.

Young Harper walked behind his older sister Fran and tried to tease her jutting ass with his wagging boner, but it was too high off the ground. He kept bucking his hips up, trying to touch his tall sister's ass with his cock… and moaning with disappointment on each try. Finally, Harper clamored onto the couch and stood up, as his sister Fran stood on the floor with her back to him. Harper chuckled as he began tracing her smooth back and well-shaped

"Boys, look at this… the body that gave birth to you!"

ass with his fourteen-year-old dick, making a few trails of pre-cum on his oldest sister before feeling his whole body shudder.

"Oh, shit, Harper!" snapped Fran, looking behind her.

"What's wrong?" their father asked.

"The dumb kid just shot his load all over my ass!" said Fran, running her hand through the sticky teenage goo.

Harper blushed. "I'm sorry…" he said.

"Don't be sorry," smiled Alan, as he began bucking his hips into Shelly's sucking cheeks. "Fran, he's only fourteen. He will get it up again real fast. Take him in your cunt this time," advised their father.

Young Shelly giggled at the way her father's heavy balls bounced against her rounded chin.

"Mom, your tits look so hot!" whispered Dylan. "Hotter than any of the girls at school," he said as he lifted them to feel their weight.

Anita smiled proudly at her sixteen-year-old son. She was thrilled at how his long cock felt against her stomach, almost reaching for her heavy tits. "Dylan, darling," she cooed. "You know I can take care of you better than any of those silly little girls! Do you like watching your father bang Shelly's face?"

"Shit, yeah," said Dylan, breathlessly. "I'd like to pound that little butterball myself."

"Your turn will be soon," his mother laughed, stroking his boner. "Now, let me see… where should I put this big guy?" she teased. Without waiting for an answer, she lifted her womanly hips off her son's lap, and lowered her moist cunt onto his mighty sword. "There!" she said, shaking her dark hair around her shoulders. Dylan started bucking up and down. "Relax, baby," said Anita. "Let Mommy do all the work." She slammed her well-shaped ass onto his torso.

Shelly was taking very good care of her father as he slammed his whole being into her pretty face. Shelly tickled and caressed his ass, and cupped and played with his balls. Alan wondered where she had learned such good technique, but decided he didn't care. It just felt too fucking good! He started panting and grunting on every facial slam.

"Wow! Cool! Go, Dad!" hollered Harper as he slipped his fourteen-year-old cock in and out of his older sister's cunt as she stood, ass bouncing on his pubic bone.

"Yeah," cheered Dylan as his sexy mother rode him like a carnival ride. "You show that big-titted suck-slut what a real dick tastes like!"

"I want to see your seed all over our daughter's face," said Anita, with a sexy growl in her voice.

"Ooh, Mom! That'd be so cool!" cheered Harper. "Do it, Dad! Fuck her face!"

"Mmmmm!" agreed Dylan.

"Okay," said Alan, a little short of breath. He pulled his dick out of her suctioning mouth and held it like a bat. Little round-faced Shelly moaned in protest as he held and jerked his cock just out of her reach. Alan's hand was a blur as he jerked, aimed, and fired.

Torrents of sticky white cum bounced onto Shelly's cheeks… washed all over her big red lips… sprayed into her blonde hair… and even splashed into her nose and eyes!

"God," said Anita, watching her husband cum in their daughter's face as her cunt was happily filled with her older son's cock. "That was a good one!"

"Nice job, Dad," said Harper with wonder.

"You covered Shelly good," agreed Dylan.

Shelly dragged her fingers through the mess and licked her hands. "Mmm, yummy!" she giggled. "Who's got more for me?"

Harper eagerly raised his hand, as if in school. He scampered off the couch, holding his hard cock in his hand and waving it in Shelly's face. In his haste, Harper nearly pushed his older sister over. Fran fell against her dad.

"Well, hello, baby," said Alan, holding Fran by the shoulders and letting his hands ease down the smooth slopes of her big teenage tits.

Fran looked down and gasped. "Daddy! I thought men your age couldn't get it up that fast

after cumming! Look at you!"

"Yes, look at me," chuckled Alan, a little surprised himself. "Come to my bed, will you, Fran, dear?"

"Of course, Daddy," she cooed, now stroking her father's rigid member. "It's my daughterly duty!" They walked toward the master bedroom.

"Anita?" said Alan. "You and Dylan okay?"

Alan's wife didn't even break her rhythm as she pistoned up and down on her oldest son's cock. "Good, baby! So fucking good! We'll sleep in Dylan's room… if we don't go all night here!"

"Right! How about you, Shelly? Are you and Harper going to stay in the living room?"

"I don't know, Daddy," laughed Shelly. "He just shot his load again! All over my tits!"

"Ohmigod," said Harper, looking at the head of his young cock as though it had betrayed him. "I'm sorry…"

"Sorry my ass," smiled his sister. "That just means it's up to me to get you hard again! I know… I'll put on that hot pink bikini. It's way too small for my titties, and I'll just stand there and bounce until I fall right out of it!"

"Wow, Cool!" said Harper.

"Oooh, look! You're getting harder already!"

Alan chuckled and put one arm around Fran's shoulder. He groped her breast with one hand and dragged his other hand across her sopping cunt.

"Come on, baby," he said seductively. "Put those big balloons in Daddy's face!"

Fran just laughed a throaty laugh and heaved them into her hands. She offered them up to her daddy as they strolled happily into the bedroom.

▪

Alan looked over at his daughter's gorgeous face as she slept. It was covered in dried semen. Even in her sleep, Fran probed her lips with her tongue, hoping for another taste.

Alan tiptoed out of bed and went toward the kitchen. He heard the raucous laughter of his wife, Anita.

"Come on boys!" she urged. "Have a little *milk* with your cereal!"

He stuck his head in and saw both of his fine strong sons sucking at their mother's titties as if they were babies again. Anita was skillfully toying with both of their long cocks as they slurped and nibbled. Alan smiled and went into the bathroom for a shower.

As soon as he got the warm water going and started lathering his body with soap, the shower door opened. Shelly's full hanging boobies bounced in. The big-titted plumper grinned at her dad. "Oops, sorry!" she giggled. "I didn't know the shower was being used!"

"Get in here, you little sexpot," Alan laughed, grabbing her distended nipples and pulling.

Shelly watched as her father got on his knees in front of her. Alan sighed at the sight of his fifteen-year-old daughter, stark naked. Her tits really did hang down to her cunt. He was going to have to push them out of the way in order to get at her womanhood. And he did. Shelly helpfully draped her full hanging knockers over his back.

"Daddy, look!" she squeaked. "My boobies are like an umbrella! They're really keeping the water off you, aren't they?" She giggled. "I know you're down there somewhere, but I can't see you!"

Shelly gasped and then moaned. "Now, I know where you are! Oh, Daddy, keeping sucking that! Oh, yes! Yes!"

Alan poked at her teenage clit with his tongue until his daughter nearly collapsed in orgasmic moans and sobs.

"Like that?" he asked as he stood, his hard cock casting a shadow over the hills and valleys of her ripe young body.

"God, Daddy, yes!" said Shelly, stimulating her private parts with her own hands.

"Good," said Alan, positioning himself for titty fucking. "You just stand there, baby. Keep playing with your cunt if you want to. Daddy's cock is gonna play with these big bazoobies."

"Oh, Daddy!" said Shelly.

Alan slid his hard dick between Shelly's monsters. "Good god, Shelly," he sighed. "With you being just, what? Five feet tall?"

Alan tongued her teenage clit until she nearly collapsed in orgasmic moans

"Um-hm," she said, still playing with her clit.

"And with big titties that hang down past your waist—holy shit, look at 'em. They're bouncing around in front of your pussy!" laughed Alan.

"Yeah, you gotta push 'em out of the way to get to my cunt, Daddy," giggled the outrageously built plump blonde.

"Well, look at this," continued Alan, starting to move his hardness up and down, up and down. "I can just drop this big thing in between there any time I want! That's why you gotta stay naked at home, sweetie. You understand?"

"Yes, Daddy," said Shelly, giggling again as she let her fingers dance lightly on his balls.

Hot water rushed over both of them as Alan fucked her tits, nearing orgasm.

"Oh, Shelly! Daddy's gonna cum!" Alan roared, tossing his head back and groaning with incestuous desire.

Shelly whimpered with joy as she felt her daddy's big cock sliding between her heavy tits.

"Ohhh, yessss, Daddy, cum all over my big boobies! I want it all, Daddy! Give me all of your sweet cum!"

Alan shuddered with ecstasy as his hot cum bubbled in his loaded balls and then hurtled up his cock with a savage intensity, squirting again and again onto his daughter's quivering tits, covering them completely with his cock juice.

"Oh, thank you, Daddy," she said, looking up at him lovingly. "You gave me such a wonderful present!"

"Yes, I did, baby," said Alan. "Now let me wash you. I'll start with… your tits!"

"Oh, goody!" said Shelly.

When they emerged from the shower, Shelly clutched her father's cock as they walked into the master bedroom where they found Fran. The older sister tossed a fluffy bath towel to Shelly.

"Here you go!" she called. "Let's dry Daddy!"

The girls stood on either side of Alan and molded the fluffy towels to their protruding breasts. Then they moved in on him, rubbing him down with their titties!

"Girls! Girls, you can't do this."

"What?" said Shelly.

"You're not suddenly going all moral on us, Daddy?" demanded Fran.

"It's not that," said Alan. "It's just that I have to get dressed for work. I can't cum all over myself—I just showered."

"Daddy, don't be silly," chided Shelly.

"Of course!" said Fran, slowly licking her lips. "You act like I don't even know that I have to swallow it all. Every drop." She sank to her knees as Shelly kept expertly manipulating her father's organ.

"Oh, fuck! You two girls know just how to treat your father, don't you?"

"Of course, Daddy! We love playing with your big penis!" Shelly giggled.

"Gimme all your cum, Daddy, right in my mouth, okay?" Fran teased.

"Oh, so fucking good…" he moaned, feeling his orgasm building in his balls.

"Ready, Fran?" asked Shelly, aiming for her big mouth. "Daddy's about to cum!"

"Ready, sister!" said Fran, opening wide.

"Ohhh! Daddy's cumming!" Alan yelled as he shot what seemed like a quart into his daughter waiting mouth, and not a drop spilled. Every bit went into Fran's pretty mouth and down her teenage throat.

"There!" she smiled, licking her lips. "Great way to start the day, Daddy!"

"Here, Daddy, I'll get your gray suit!" chirped Shelly helpfully. She looked at Fran and winked. When she took her father's pants off the hangar and started handing them to Alan, Fran opened her mouth and scooped out a reserve of semen she'd secreted in one cheek and wiped it all over her father's trousers.

"Oh, no!" said Fran in mock-horror.

"Daddy!" squealed Shelly, bouncing in place in her excitement and amusement. "What will you do now?"

Alan, realizing and approving of what

his little girls were up to, shrugged his naked shoulder. "Only one thing to do, I think," he said with a smile. "Shelly, get my phone, will you?" Shelly brought it from the bedside.

Alan called his office. "Please put me through to Mr. Brown…" Both girls kneeled in front of their father, gazing at his magnificent cock.

"…Hello, Mr. Brown? It's Alan. Listen, I don't think I can make it in to work today… Yes, sir—" he glanced down at the two precocious teens fondling his cock as they watched it rising to full mast. "—it looks like something has come up." Shelly started to giggle but covered her mouth.

"It's sort of an educational opportunity I have to take advantage of." Fran worked her mouth around the head of her father's cock and her sister almost instinctively began fingering and mouthing his still-heavy balls.

"…Yes, we have a chance to experience some new things as a family. And we have to just push forward." He hunched his hips into Fran's face. She let out a startled squeak, but her father put his fingers to his lips.

"Yes, sir, they are very quick learners…" he said with a smile as he watched his two beautiful teens fondling their daddy's big cock with youthful excitement.

"Yes…" Alan grunted, seeing Fran's lips stretch over the head of his cock. "…they always try to get the most out of everything they do…"

Shelly playfully kissed each of his balls, feeling them churning with their special fatherly contents.

"That's right, sir, having daughters is such a wonderful blessing…" Alan felt Fran's tongue working around the ridge of his cockhead. He didn't think his penis could get any harder.

"You're right, they'll only be this age once…" Fran slipped her mouth off his prick and played with the opening at the end, spreading it apart with her fingers as she eagerly tried to slide her tongue inside.

"They're wonderful, sir. They do so such a good job of sharing with each other…" Fran slid her hands from the base of his cock up to the tip, milking out a juicy dribble of her father's pre-cum. She happily directed his thick prick towards her sister who leaned in to lick the juicy cum from her father's cock.

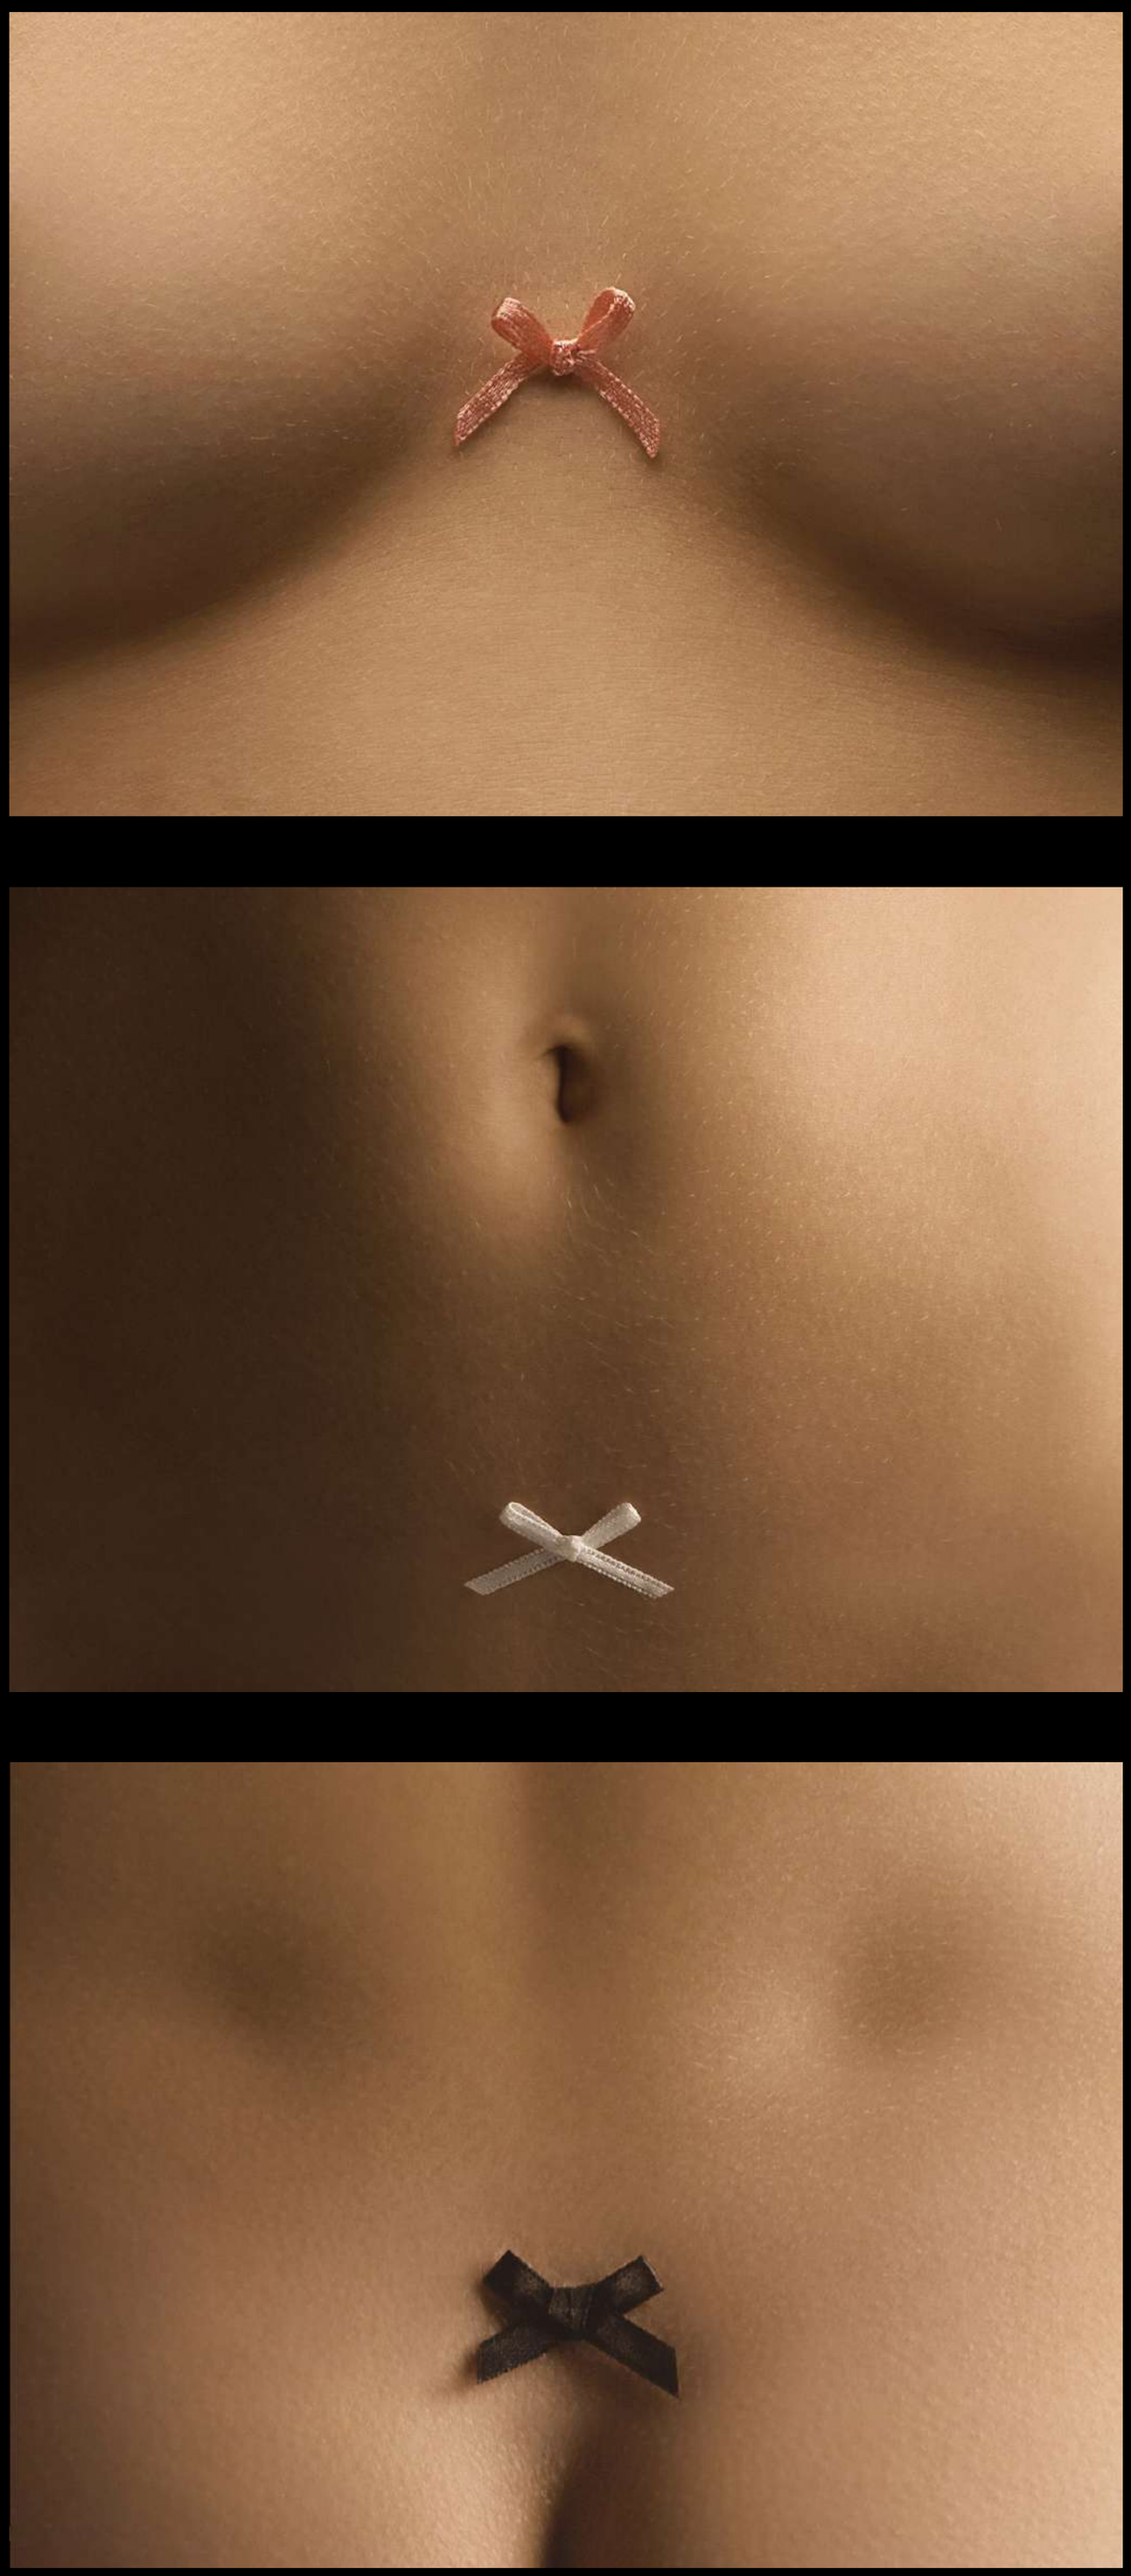

"I agree wholeheartedly, sir. Loving families are very important…" He tried hard to suppress a sigh as he watched Shelly bring one of her mammoth tits up so Fran could rub the tip of his cock around her stiff nipple, coating it with his cock syrup.

"All right, sir, I certainly will. I'll give them your regards! See you tomorrow, Mr. Brown." He dropped the phone on the floor as his eyes closed in anticipated ecstasy.

Alan had never felt such a strong, incestuous desire. His two daughters greedily sucked their father's cock, eager for it to shoot his delicious juice all over their faces.

Alan felt his orgasm beginning…

Q. Should you let your kids fuck?

Answer by Elaine from Texas, a proud mother of three teens and an incest subscriber since 2012

Horny Fuckers!

Are your eager kids having all the orgasms their growing bodies need?

A. As everyone knows, kids will be kids. It's perfectly natural for them to have curiosities about their young, growing bodies.

My own children would play together for hours in their room, laughing and teasing each other like the three little darlings they have always been.

One afternoon my husband told me I should come see something. He took my hand and guided me down the hall to my oldest son's room. He put his finger to his lips to indicate we should be silent as we peeked inside through the slightly-open doorway.

I was shocked to see all three kids completely naked. Brooke was sitting on the edge of the bed with her legs spread wide as her brother stood between her legs rubbing the tip of his cock up and down her pussy slit. Brandi was kneeling next to them watching closely as their genitals touched only inches away.

"Oh, Nate!" Brandi moaned. "It feels so good when you do that!"

"It makes my cock feel really good, too," Nate said with a whimper. I saw his tight ass clench as he felt his cock tingling with sexual delight with each stroke of his sister's smooth cunt lips.

I turned to my husband. He was smiling, clearly enjoying the erotic scene we were witnessing. My first motherly instinct told me to ground all three of them for what they were doing, but the look of delight in my husbands eyes gave me pause.

Perhaps what our kids were doing wasn't so bad after all? They were simply experimenting, enjoying the youthful sensations of their growing cocks and pussies. What our horny kids were doing was just an innocent part of growing up.

My husband and I decided later that their innocent games were harmless and we should let them play as much as they wanted. We let them be naked as much as they wanted. It was fun to watch them run through the house, happily tickling each other, enjoying their newfound love of playing naked.

Over the next few months as their childish games matured into sensuous sessions of fondling, sucking and fucking. Our horny kids would cum over and over as my husband and I happily watched as the proud parents we were.

Our family has never been happier, and our kids love each other more than any other siblings I know.

My husband and I knew we did the right thing by letting them explore their sexuality without abandon. The looks on their happy faces is all the proof we need that raising kids free from sexual inhibitions allowed them become the mature, upstanding kids they are today. ★

As NATURE Intended

A fun-filled weekend with a troop of Incest Scouts

(MMMMgggggg, inc, cons, ws)

A large SUV and two sedans rolled over grassy hills and stopped next to a shimmering blue lake. As the engines fell silent, four men and six young girls poured out of the vehicles, with a cacophony of chatter and giggles. One of the men clapped his hands and addressed the group.

"Okay, everybody! Right here by the lake is where we'll set up camp. You are all good little Incest Scouts! These woods will be our home for the next two days, so let's treat them with Incest Scouts care. As soon as we take care of one little detail, we can start pitching the tents."

"I'm pitching a tent right now!" hollered another of the men, pointing to the front of his pants.

The leader smiled and began clapping his hands in rhythm as all the men joined in. Their daughters knew what this meant. They jumped up and, giggling, began peeling off their clothes to their fathers' rhythm. The men roared and cheered as their smooth and nubile bodies were quickly revealed. When all six girls were naked, the two youngest Scouts collected all the clothes in laundry bags as the fathers applauded.

"Good job," said the leader. "Of course everybody's clothes will be packed away for the entire weekend. Guys—it's our turn. Scouts, are you ready?"

The girls squealed their approval and began clapping their hands. Four men pulled off their shirts and unbuckled their belts. Every daughter shouted encouragement to her own daddy as pants and underwear were thrown everywhere, which the junior members of the group picked up and bagged. Soon all fathers and daughters stood there in only shoes and flip-flops. The girls cheered.

"Now the Incest Scouts camp-out can begin!" shouted the leader as everyone got busy setting up camp. Naked fathers and daughters unpacked gear and put up tents in a circle.

Dominic, a real estate attorney and the group's scoutmaster, affixed a sign to the SUV. 'Incest Scouts of America' it read. "It's magnetic, so it's easily removable," he pointed out. "I might not want that on the side of my car when I go to get groceries! The motto underneath? 'As Nature Intended'? That part I leave. People assume it's about the environment or something."

"I first heard about the Incest Scouts online,"

Dominic explained. "I belong to an incest community with an emphasis on father-daughter sex, and someone in another city mentioned the Incest Scouts. I thought it sounded like just what I wanted to do with my little daughter Leanne. I really wanted to start a troop here in town, partly because I never really knew who in my area was into incest. Isn't a great that so many families are?" Dominic gestured toward the fathers and daughters working so hard to make their lake-side paradise home for the next few days. "And here we are, enjoying nature with our daughters. In a natural state, as nature intended!"

When camp had been set up, right on the edge of the lake so participants could easily jump in when they got overheated… or covered with sticky stuff… Dominic addressed the group as everyone sat down, grabbing spots on nearby logs and rocks.

"Let's begin with the Incest Scouts cheer. Sex is good but…"

"Incest is best!" they called back. The leader repeated, pleased, "Sex is good but…"

"Incest is best!"

"Sex is good but…"

"Incest is best!"

"Yes! Great work. Now, on this outing, we are going to concentrate on two Scout activities: Firing Squad, and Fill 'er Up. We hope each Scout will get to go before the Firing Squad *and* have a Fill 'er Up. We dads will do our best." The other fathers chuckled. "Let's start with the Firing Squad. Who should go first?" Six adorable arms shot up to volunteer. "How about… Emma?"

Emma, a fresh-faced alabaster-skinned blonde, jumped up, her young flesh bouncing. "Come to the center and kneel. My, my! We used to be able to do this with you girls standing up! You're all getting so big, now you have to kneel. Shaun… you stand right in front of your little girl. That's it. That's who Emma wants to feel on her face first! Her father! Now… Roy, Moose, and I will stand on either side of your dad. Men… get ready… and go!" The girls oooohed in excitement as their fathers began jacking their cocks, aiming for Emma's adorable face.

"Domenic is the one who decided this activity would be called Firing Squad," said Shaun, a pharmaceutical sales representative. "Lots of people tried to talk him into using the more common term, bukkake. But Dom likes Firing Squad! It's not violent like it sounds. I think of it more like boys playing army or cops and robbers." He smiled. "Each of us with his weapon!"

"Come on, men," encouraged a little brunette. "Unload those balls all over Emma!"

"Drown her, Daddy!" shouted one of the girls.

"All that hot and sticky stuff," said another, licking her lips. "Oh, I can't wait for my turn!"

"Here we go, hon," grunted Shaun, aiming at his daughter's open mouth. Emma leaned forward to take her father's cock in her mouth.

"No sucking!" cautioned Domenic. "Firing Squad rules say no cocksucking. You're just supposed to stand there and take it. Almost there, men?" The men muttered in the affirmative and kept a steady rhythm on their cocks. Emma smiled and looked from one cock to the other in anticipation.

"Uhhhhhhnnnnh!" Shaun shouted as he sprayed a steady stream on Emma's face. She happily opened her mouth to drink in her father's juicy spunk when Roy and Domenic moaned as they showered both of Emma's bulging cheeks. Finally Moose hosed her hair and shoulders with the contents of his heavy balls. The girls cheered as the men sank to their feet.

"Okay, how about a Fill 'er Up?" chirped Domenic's daughter Leanne. "Me first!"

"Now, now," said her father. "We daddies need to rest a little first. Why don't you girls take those pretty butts of yours for a swim in the lake?"

Giggling, the girls filed past their fallen fathers and began wading into the water.

"Um, Domenic?" said Emma, scooping the men's spunk into her mouth. "You'll write down that I completed one of the requirements for the Group Sex badge, right?"

"Here we go, hon," grunted Shaun, aiming at his daughter's open mouth

"Yes, baby," sighed the scoutmaster. "I won't forget."

"Thanks!" she said and ran to join her friends.

"Anyone who sees an Incest Scouts camping trip like this one would assume that the group's motto— 'As Nature Intended'— means the nudity," explained Roy, a general contractor and the father of two members of the troop, Meghan and young Mackenzie. "But it doesn't. That's a nice part of the trips, that's for sure! But Incest Scouts are 'As Nature Intended' because they are always loving, loving beings, to everyone. Especially family! My wife loves it when everyone comes to our house for a meeting. She says Meghan and Mackenzie are so attentive to their daddy now… and the other girls with their fathers are a great example. Personally, I think the main reason she likes our meetings is that she gets to see Moose take his pants off! She always says Moose's daughter is a lucky, lucky girl. I'm sure Moose likes the attention. I know I would. But I've never been… equipped like that! Not many guys are."

"Daddy, are you guys ready for another cum?" asked Leanne when the girls returned. "I really want to do my Fill 'er Up!"

"I think we can give it a try, darling," said Domenic, signaling to the other men. "But I think Caryn should go first! Moose? Can you bring Caryn to the circle?" Leanne was disappointed, but the prospect of watching big Moose fuck his daughter took some of the sting away. "Caryn? How many dads did you take last time we worked on Fill 'er Up? Have you done three yet?"

Caryn, one of the shorter girls in the group, with a rounded face and figure that was just starting to become nicely rounded too, shook her head. "Just two," she said, almost in a whisper.

"Oh! Then you're ready to add another," said the leader as the other girls took their seats to watch. "And do you want your daddy in your pussy or your ass?"

Caryn smiled and almost seemed to blush. "My ass." Domenic was impressed that Caryn could take a cock the size of Moose's in her ass. He thought they must get a lot of practice at home.

"That's great. Moose! Lie down with that thing in the air!" Caryn's father, a great lumbering man with a gray beard, sank to the ground, his hard cock rising like a monument. Cute little Caryn actually clapped her hands in excitement as she lowered herself onto her father, facing his spread legs. "Now, let me see… Roy, try kneeling between Moose's legs and work your cock in that cute little pussy." Roy obeyed, uncomfortably twisting his body to allow some thrusting room. "Now to add a third…" muttered Domenic. "I think I'll volunteer." He walked around the mass of bodies until he stood in front of Caryn's face and offered his cock to her mouth. Caryn opened wide. "That's-a-girl…" sighed Domenic. The men worked at getting a rhythm together as the other girls cheered and called out to their friend.

"Betcha the cum comes out of your ears!" laughed Leanne.

"Don't talk with your mouth full! Or your pussy! Or your ass!" teased Scarlett, one of the newcomers. Her older sister Emma hugged her with loving approval.

"Betcha Moose busts her ass wide open when he cums!" said Mackenzie with wonder.

"I have been fascinated with my daddy's cock since I first saw him peeing," explained Caryn. "I loved it. I wanted to touch it constantly. And back then, I thought all men had cocks like that! Now I know better. I know how special my daddy is. Daddy liked when I played with it, but we always kept our fooling around secret from my mom. Daddy said she wouldn't understand. Now that we've joined the Incest Scouts, we get a chance to play more openly, but we still keep it away from my mom. She just thinks we like to go camping with friends!"

"My daddy always says how it's not the Sex Scouts; it's the Incest Scouts," said Domenic's

daughter Leanne, rolling her eyes just a little. "So he says it should be all about fucking Daddy. I guess he's right. But when Caryn's father takes off his pants…" She drew in a breath and worked three fingers into her already dripping pussy. "Well… I just imagine *all* the fathers on the trip are my daddy!"

Roy and Domenic knew they couldn't match Moose for sheer size, but they wanted to at least do as well as their friend in staying power. Both men gained speed as they pounded Caryn's pussy and her mouth, but Moose maintained a slow and deliberate pace pounding his daughter's tight ass. Both did their best to hold off their orgasms, enjoying the way Caryn took loving care of their cocks. Finally, Moose let out a bellow, pouring what seemed like gallons into Caryn's rectum. The girls whooped, and Roy and Domenic focused on blowing their loads. Both men thought they were capable of producing gallons of semen all at once, but Caryn took it all in without flinching. It was obvious that Moose kept her well-fucked at home. The girl climbed off her father and leaned down to kiss him tenderly.

"Fantastic," proclaimed Domenic as he wiped a few droplets of cum from his now-limp dick onto the nearest girl's shoulder. "Let's fix some dinner and get ready for a nice evening campfire."

"My daddy told me they might not get to fuck me on this trip," said Scarlett, a blonde with a round face and pouty mouth. "Me and Mackenzie are supposed to work our way up to the Scout activities. It's kinda dumb, really! I mean both of us are doing all that stuff with our daddies and our brothers at home!" She twirled her hair as she talked. "With my mommy, too. That's one of my daddy's favorite things to do. Watch me eat Mommy's pussy! Mommy says another girl knows what to do best 'cause she knows what makes *her* feel good!"

As night fell, ten naked bodies warmed themselves by the campfire, enjoying toasted marshmallows, Coca-Cola, and beer. Soon a chorus of girlish voices joined together, singing a very familiar tune…

I always fuck my daddy
in the summer when it's hot
I always fuck my daddy
in the winter when it's not
And when we have a party,
and my girlfriends come to call
I always bring my daddy there
'cause he can fuck 'em all!

The men's deeper voices joined in with the chorus…

Glory glory hallelujah
Let my daddy put it to ya
Big orgasms goin' through ya
'cause he can fuck 'em all…!

When morning broke, Shaun emerged from the tent he shared with his two daughters, Emma and Scarlett, and clumsily slipped into his flip flops. He started walking toward the lake. When he passed Moose and Caryn's tent, the burly man crawled out and stood up.

"Jesus, Moose," said Shaun, staring. "That's some piss hard-on!"

"Every goddamn morning," said Moose, holding it up. "Goin' to the lake to piss?"

"Yeah," agreed Shaun, "Caryn still asleep?" he asked, gesturing toward Moose's tent.

"I didn't see her," muttered Moose. "Maybe she already got up."

"I didn't even notice if Emma and Scarlett were in the tent," said Shaun. "Too focused on how badly I have to take a leak!" Two voices called to the men from behind them. Roy and Domenic ran to catch up.

"You guys going to the lake?" asked Roy.

"Yeah, morning piss!" laughed Moose, his enormous cock waving in front of him as if to guide them toward the lake.

At the lake's edge, all four men waded ankle deep and faced the water.

"Hi, Daddy!" called one girlish voice, then another… and another and another! All six girls were happily splashing in the crystal clear lake, laughing and teasing one another.

"Hello girls!" shouted Roy. "How's the water!"

"Much sexier now!" called Mackenzie with a tittering giggle. "Yeah, now it's got daddies in it!" sang Meghan.

"Well, we won't bother you," said Domenic. "We're just relieving ourselves."

"Ooooh! Wait!" shouted Leanne. "Come on," she said to her friends, and all six ran splashing toward their fathers. The men were bewildered.

"Okay! We're ready!" said Scarlett with a smile. "Go ahead!"

The men looked at one another. Moose used

both hands to raise his member and let loose with a strong stream straight out. Caryn splashed toward it and ducked and danced beneath it, letting the warm liquid soak her. In an instant, Domenic, Shaun, and Roy understood. They followed suit, some streams strong and solid, some arcing in the morning light, some spraying haphazardly. Each of their daughters ran through and reveled in it like swimsuited youngsters running through a backyard sprinkler. It lasted several minutes, and everyone found it so stimulating, they worked to make it last as long as possible. The girls reached for their respective daddy's cocks to shake the last drops off. Soon the whole group worked their way back to camp.

"Daddy," said Leanne, holding her father's cock as they walked. "That was sexy."

Domenic grinned. "Was it?"

"Oh, yeah," added Emma, quickly.

Meghan smiled. "We like *everything* to do with your cocks!"

"Caryn and I do that all the time," said Moose. "She'll lie in the tub when I piss on her. But we have to do it when her mother's not around. Just like our fucking and sucking! I just don't think my wife would ever understand. A guy like me…" Moose heaved his enormous balls in his hand as his hard cock crawled up his torso. "…needs quite a bit more. I got more so I need more! And our Caryn is getting pretty fucking sexy, don't you think?" Moose petted the head of his cock lovingly. "She and her friends love sharing me. I like it, too."

On the final morning of the camp-out, Incest Scouts and fathers worked to pack up the tents and supplies and return to everyday life. Domenic had Scarlett and Mackenzie bring out the bags of clothes so everyone could dress again, but the Scouts asked to stay naked just a little while longer. The leaders agreed. When the cars were packed, Domenic called the group together.

"Scouts, I don't know how I missed this, but our little encounter at the lake the other morning? It means every Scout has completed the first requirement of another badge," he announced.

"Which one?" asked Emma.

"Watersports! Each girl who danced in our pee this morning achieved their first requirement of getting peed on by three men." The girls were thrilled. "We'll have to work more on those. You'll all get to pee on your daddies, too." The Scouts murmured their approval. "But right now, I need to have Mackenzie and Scarlett step to the middle of the circle," continued the scoutmaster. The youngsters obeyed, looking expectantly at Domenic. "I initially said we wouldn't be able to have you girls fully participate on this trip. However, we've changed our minds! The daddies have decided that our cocks have at least one more load in our balls. Mackenzie, Scarlett? Kneel down. You girls are about to go before the Firing Squad!"

Their older sisters and fellow Scouts applauded and cheered.

"We always say we're doing this for the girls," said Moose as he jerked his huge meat. "To help them learn skills they'll need in later life, to connect with families with similar interests. I suppose that's true. But the Incest Scouts are good for others, too. You have to know it's good for us fathers. For a bunch of middle-aged guys to walk around all weekend naked like this… and have young, beautiful girls smile, cheer, and make a fuss? Does us a world of good." The formidable father leaned over to share a confidence. "And Caryn's mother… the one I told you about before, who has no idea what these camping trips are all about? She tells me the only thing I have on my mind when we come back is fucking *her*," Moose grinned. "She wants to know if the camping trips can be every week, instead of just once or twice a month! Yes sir, the Incest Scouts are good for everyone."

The father's orgasms came roughly at the same time. The gushes of cum were evenly divided between the two new girls.

When they were about to leave, Caryn ran up to Moose's car. "Daddy! Do we really have to get dressed?"

"Get in, babygirl," laughed Moose. "Daddy kept his pants open just for you."

"Goody!" shouted Caryn.

"Incest Scouts are always loving, loving beings… to everyone," scoutmaster Dominic reiterated, as he and a carload of naked scouts and fathers bade their lake-side paradise farewell. "As nature intended." ★

Daddy's Helpful Daughter

(continued from page 37)

squealed.

Craig chuckled, delighted by his little girl's attitude. He lay down on her bed and she eagerly scooted to his side, reaching out with one trembling hand for her father's magnificent cock.

"I—I've never done this before, Daddy. What do I do?" she asked, feeling her mouth going dry.

"Just squeeze it with your hand, making a kind of fist around it, honey. Then you just run your tight fist up and down all the way from the top to the bottom and back again. You just keep doing that until Daddy cums," Craig said, feeling hornier with each passing second.

Amy grasped her daddy's cock with one hand and tried to close her fingers around it. But his meaty fuckrod was too thick. She needed both hands to fully squeeze it. And with her father gazing down at her, she reached out with her other hand, using both of her small, soft hands to grip his throbbing prick.

"Like this, Daddy?" she asked breathlessly.

"Yes, baby, that's just the way to squeeze it. Now start moving your hand up and down," Craig said, so choked with lust that his voice came out tight and strained.

With a happy little smile, Amy moved her small hands all the way up to her daddy's smooth cockhead, pausing briefly there. Then she slid her hands back down to the base of his prick, feeling his soft prick hairs brushing against her hands.

"Unnhhh, oh, yeah, baby, that's just right, keep it up just like that, Amy, and you'll have Daddy cumming before you know it!" Craig groaned, lifting his ass up from the bed and humping his cock against the grip of his little girl's hands.

Amy moved her tightly grasping hands back up the full length of her daddy's thick cock and then back down again.

"Now… start doing it faster… faster." Amy slid her hands faster and faster up and down her father's thick cock, enjoying the way his cockstalk throbbed against her flesh. She knew that that must mean he was getting more and more excited.

"Ohh, Amy, you're doing a great job! You're jerking Daddy off like a real pro!" Craig grunted, as if reading his daughter's thoughts.

Again and again, the young virgin slid her hands up and down her daddy's cock, feeling it grow stiffer and thicker in her grasp. Suddenly, she noticed a pearly drop of liquid oozing out of the little hole at the top of his cock and she stared at it, fascinated.

"What's that little wet drop up there, Daddy?" she asked, her, voice slurred with fuck-lust.

"That's just a drop of cum, honey. In just a minute, you're gonna see a lot more of cum. Keep doing it, baby… just like that!"

Amy loved feeling her father's cock like this. She loved making him feel good. She wished she had been doing this ever since her mommy left.

"Ohhhh Amy, honey! Daddy's gonna cum soon… the way you're making Daddy's cock feel… ohhhh, God, it feels soooo good… soooo gooood!"

Amy smiled as she saw him close his eyes. She knew something wonderful was about to happen, and it was all because of what she was doing to her daddy's cock.

"I'm cumming! Daddy's cumming! Oh fuck, Amy!" Craig gasped as a white-hot geyser of thick cum shot out from his cum-silt and splashed lewdly on his naked belly.

"Wow! Wow! Wow!" Amy exclaimed over and over again as she watched her daddy shooting off. She kept her two-handed grip on his spasming prick while he came and her eyes widened at the sight of so much cum shooting out from it.

Amy loved feeling her father's cock

Amy had never seen a guy's penis shooting cum before, but her friends had all talked about how exciting it was, and now she could see what all the fuss was about.

To her amazement, more and more cum kept jetting out from the wide hole where she had seen the drop of pre-cum. She watched the thick juice pooling on her daddy's belly and she licked her lips, feeling a strange kind of hunger she had never experienced before.

"Daddy," she panted when it looked as if her daddy's balls were drained, "what happens to all that cum now?"

"I'll just wipe it off," Craig said, reaching out for the box of tissues that was on his daughter's nightstand.

"No, Daddy, wait!" Amy cried, grabbing her father's arm to stop his reach for the tissues.

Craig stared at his little girl, a puzzled frown on his handsome face, wondering what she had in mind. He didn't have long to wonder. Amy lowered her head and brushed her soft lips across the pool of fatherly jism on her daddy's belly.

"Oh, Amy!" Craig gasped as he watched her with disbelieving eyes. "What are you… awwww, shiiit!"

Amy had begun to lap up her daddy's cum.

"Mmm, good, Daddy, it tastes good!" she cried, surprise in her voice as she raised her head and grinned at her father.

"Oh, Christ!" Craig gasped as he stared at the lewd sight of his fourteen-year-old daughter's cum-coated lips.

"Is it okay, Daddy? Can I keep licking up your cum? I really like it! It tastes good!" Amy cried.

"Y—Yes, sure, honey, if that's what you want," Craig said thickly as Amy lowered her head again and her tongue darted out between her sensuous lips.

As the young girl continued to lick up the spilled cum, Amy realized that her daddy's jism was filling some hungry need deep within her as the warm spunk filled her little belly.

Then, to her surprise, as she lapped up the last traces of her father's tasty cock-juice, her little cunt spasmed in a powerful orgasm.

"Ohhh, Daddy, I'm cumming!" she gasped as she threw herself over onto her back, clutching her tits through her t-shirt as she came.

"Oh, Jesus!" Craig groaned, as he sat up and shook his head in awe, watching his nubile daughter cumming. He wanted to reach out and touch her cumming pussy, but he knew he shouldn't.

A few days later, Craig and Amy sat in the den, watching television. Now and then, they glanced at each other, exchanging smiles.

Amy hugged herself. She was so happy. She had her daddy back now. He didn't seem to be suffering over her mother's desertion any longer. And now, ever since the evening when she had jerked him off, he was coming straight home from work and spending those hours before bedtime with her. Amy realized that she was beginning to feel even happier than she had been before her mother had run off. The only disappointment in her life now was the fact that her daddy hadn't asked her to jerk him off again.

"Daddy?" she said hesitantly, already blushing as she thought about what she wanted to ask him.

"What is it, Amy?" Craig asked, thinking how beautiful and sexy his little girl was, even at the young age of fourteen.

"Did I jerk you off okay the other night?" she asked softly.

"Are you kidding? You did great! You really made Daddy's cock cum hard," Craig cried, feeling his penis begin to stiffen.

"I was just wondering because you haven't asked me to do it again," Amy said shyly.

"I'd love for you to do it again, but I wasn't sure if you wanted to," Craig said.

"Don't be silly, Daddy! I loved making your big penis cum! I really wanna do it again! And besides, it's important that we keep your penis

healthy. It's for your own good, Daddy, and I do want to take good care of your penis," Amy said eagerly.

"Well, if you really want to," Craig said with a grin as he unzipped his fly and hauled his hard-on out for his daughter to see, "go for it!"

"Oh, goody!" Amy squealed, sinking to her knees before her father. She grinned happily up at him as she reached for her father's stiff prick and began to stroke and squeeze it.

She moaned as she felt his cock harden even more in her eagerly grasping hands. Gripping it as hard as possible, she quickly stroked it up and down, feeling her little pussy beginning to drool with her girlish juices.

"Ohh, baby, that's great!" Craig groaned.

"Daddy, I don't want you to think I'm terrible or anything but the other day you said that if someone sucked you off, that would make you cum too, right?" Amy asked hesitantly, hoping her bold suggestion would not make her daddy upset.

"Of course! A blowjob would give Daddy a much bigger orgasm than jerking off would!" Craig said.

"It would?" Amy asked, her eyes gleaming with excitement now. "In that case, if you wouldn't mind, Daddy, I'd really like to suck your cock until you cum!"

"Are you sure, Amy? I told you I'd never ask you to do that…"

"But you're not asking me to do it, Daddy! I'm asking you to let me do it… please, Daddy!" Amy begged. "Please let me suck your cock!"

"Well…" Craig hesitated. He loved the idea of his own little girl sucking him off. In fact, it was just about the most thrilling idea he had ever heard.

"Please, Daddy!" Amy pleaded, so eager to suck him that she started rubbing his cock against her lips and cheeks, smearing his pre-cum on her face.

"Honey, do you understand that sucking Daddy off isn't really necessary? The important thing for my prostate gland is that I cum? And that jerking me off will do that just fine?" he asked, trying hard to remain fatherly as his adorable young daughter caressed his cock against her soft lips.

"Yes, yes, I understand all that!" Amy answered impatiently. "But you said yourself that a blowjob would give you an even better orgasm!"

"Well, yes, that's true… it would turn me on so much that I'd probably get rid of even more cum…"

"And that would be really good to keep your cock healthy, wouldn't it, Daddy?" Amy asked persuasively.

"Well, yes, the doctor did say that the more cum I got rid of, the healthier I would be and the greater the chance I may not have to have that surgery," Craig said thoughtfully, stroking his chin with one hand.

"Right! And if that weren't reason enough for you to let me suck you off… there's another reason, Daddy," Amy murmured.

"What's that, honey?" Craig asked as he gazed down at his daughter. He loved the way she looked kneeling there between his legs, his cock against her cute face.

"I want to do it mainly for you, Daddy, because I want to take care of you and make sure your penis is healthy. But I also want to do it for me," she murmured, slightly embarrassed.

"What do you mean, Amy?" Craig asked.

"Well, jerking your cock off before made me feel really good between my legs, Daddy! It made my pussy cum! And I just know that sucking your big penis will turn me on so much that my pussy'll cum even harder this time! Oh, please let me suck your big hard cock, Daddy! I want to soooo much! My little pussy needs to cum too, Daddy!" Amy said in a pleading tone.

"Okay, baby," Craig chuckled huskily, "I want your pussy to feel just as good as Daddy's cock does, so go ahead and suck on Daddy!"

"Oh, thank you, Daddy!" Amy cried, raising her head and looking up at her father with an adoring expression in her eyes. "I've never sucked a cock before."

"I think that will be just fine, honey," Craig said with a smile at his lovely daughter.

"Please, Daddy! Please let me suck your cock!"

Amy giggled excitedly. She bent her golden head over her daddy's prick and eagerly sucked it into her mouth. She licked up the two drops of juicy pre-cum, moaning with pleasure at the taste.

She closed her lips around her father's long, thick cock, loving the feel of it in her mouth. She pressed her hot tongue against his swollen cockhead and felt it throbbing harder and harder as it filled her entire mouth.

"Ohhhh, yeah, yeah, baby, yeah, that's it! Suck it hard!" Craig gasped, humping his crotch up toward her face.

"Mmmmmm," Amy moaned as she began to suck harder. She instinctively sucked in her checks, increasing the erotic suction against the sides of his hard prick.

She could hear the sound of her own wet lips sliding over her daddy's prick and she turned on more and more. She felt so horny now that she was sure she would cum without even touching her little cunt.

Amy's fourteen-year-old pussy was blazing hot. Her tight pussyhole was oozing out a steady stream of thick juice. She sucked her daddy's prick so deeply now that her nose was buried in the bed of curly prick hairs. She could feel his broad cock-knob against her throat and her tonsils.

"Ummmmfff," she moaned obscenely as she licked and sucked the full length of his incredibly huge cock.

"That's fantastic, little girl, keep it up," Craig groaned, lifting his ass up from his chair and humping his crotch up against his daughter's face. He was fucking her mouth with his long, thick prick.

The young girl was getting off on sucking her daddy's cock as much as he was. She sucked harder and harder, unable to hold herself back.

Amy sucked feverishly on her daddy's prick and, as she sucked, she felt her little cunt twitching with incestuous pleasure. She heard her father moaning and groaning and she took delight in the fact that she was able to give him the kind of pleasure his own wife would not.

I'll be Daddy's cocksucker from now on, she thought excitedly. She slipped his cock out of her mouth, curious to see what it looked like all coated with her saliva. She grinned, liking the look of his shiny cockhead and shaft. She held his fat cock in her hand and stroked it as she licked it tip like a lollipop. She ran her tongue over his twitching cum-slit and tasted the pre-cum that oozed out and then she worked her tongue around the tip slowly, getting his entire cock harder and harder at her lewd tongue-touch.

"God, baby, you're driving Daddy crazy! You're going to make Daddy's cock squirt so much cum!" Craig grunted.

As his little girl continued to suck him off Craig gazed down at her, admitting to himself at last that this was what he had been dreaming about for years. And he realized, too, something he had been suppressing and denying for a long time: that all those times when his wife had sucked him off, he had been pretending it was his young daughter's mouth which was wrapped around his prick.

And now his fantasy was coming true. And he could see from the eager, hungry way his little girl was sucking him, that it had been her fantasy too.

"Yeah, baby! Suck Daddy's fucking cock!"

Her father's obscene words made her pussy catch fire and it throbbed and burned with lust. More and more juice oozed out of the girl's virgin pussy hole, dribbling down her smooth trembling thighs as she knelt there between her father's legs with his hard cock in her mouth.

"Suck it, baby, suck it hard! Daddy's gonna cum in your sucking mouth and you're gonna drink every drop of it, you gorgeous little girl!" Craig groaned, beside himself with incestuous fuck-lust now.

Amy shivered excitedly at her daddy's words she felt his hard cockmeat throbbing against the inside of her cheeks and she moaned around it.

Craig reached down with both hands and

tangled them in his daughter's thick blonde hair.

"Suck it, baby! Get ready to drink every drop of Daddy's cum in your mouth!" he groaned.

Amy raised one hand and slipped it inside the fly of her daddy's trousers, searching for his balls. She massaged them as she curled the fingers of her other hand around his hardening cock in her mouth.

Amy moved her fingers over her father's trembling balls as she sucked his cock even deeper into her mouth. She loved the feel of her own Daddy's balls in her hand and his hard fuckmeat in her mouth.

Then suddenly, as Craig fucked his cock into her face and she sucked hard at the same time, his prick moved down her throat.

Amy began to gag as she fought to breathe.

"Swallow real hard, baby, just keep swallowing and you'll stop gagging."

Amy closed her eyes and did exactly what her father told her to. She swallowed hard once. Twice. And a third time. And she kept right on swallowing as hard as she could until, at last, the man's prick slid easily down her throat and she was no longer gagging.

"Good girl," Craig husked. "Now you're deep-throating your daddy."

Deep-throating him! Amy could hardly believe her own ears. She had heard her friend bragging about how she liked to deep-throat her older brother's big cock when he would visit from college, but Amy had never even been sure what that meant. Now she was actually doing it, and to her own daddy, no less!

Her little cherry pussy trembled and twitched and she felt her clit hardening almost painfully, as she grew more and more aroused.

"Yeah, baby, that's it! Keep doing that!" Craig groaned, lifting his ass up from his chair and trying to shove his cock even deeper into his child's beautiful face.

The horny virgin deep-throated her father's cock harder and harder with each suck, longing to taste the cum that would soon be pouring down her throat.

"Ohh, yeah, baby, that's it! You're sucking Daddy so great now! Suck me hard, Amy! I'm gonna shoot any second!" Craig cried hoarsely.

Amy closed her fist around the base of her daddy's prick, tugging even more of it down her throat, sucking so hard that she saw spots before her eyes.

"I'm cumming, Amy!" Craig yelled. "Awww, fuck, Amy, keep sucking Daddy while he cums! Swallow all Daddy's cum down!"

His cock swelled to its absolute stiffest, pulsating violently deep within his little girl's throat. The hot white cum burst from the tip of his throbbing cockhead. The creamy gushers pumped into his fourteen-year-old daughter's throat and down into her hungry belly.

Amy pulled her head back, letting the prick slip out of her throat so she could taste the flavor of her father's jism. Now the cum was filling her mouth to overflowing, and she swallowed hard and fast so as not to waste a drop of her daddy's precious cock-juice.

She loved the taste!

As she continued to swallow Craig's cum, Amy felt a surge of pride as she realized that her incestuous act was making her daddy's big penis healthy. Her daddy's penis will be the healthiest penis of all the daddies in town, she thought as a powerful orgasm ripped through her tender girlish loins.

■

A few days later, Amy was lying in her daddy's arms in his big bed. The young girl had just finished sucking her daddy off and now she was trying to ignore the hot tingling sensation deep inside her panty-covered pussy.

Craig looked at his daughter thoughtfully. He could see the damp stain in her crotch. He knew what had made that stain. It was his little girl's pussy juices. She must be really turned-on, he thought with a jerk of his prick.

"Honey, I've been thinking," Craig said, reaching out and stroking his daughter's cheeks.

"What, Daddy?" Amy asked lazily, looking up at her daddy with an adoring expression in her eyes.

"The best way to make my little girl happy would be to lick your pretty little pussy!"

"You've been so good to your daddy lately, helping me to have all the orgasms I need…"

"I told you I'd take good care of my sweet daddy," Amy purred happily, delighted that it was within her power to make her father happy and to keep him healthy.

"And that's just what you've been doing, baby. You've been taking very good care of Daddy's cock," Craig said huskily, lowering his head and kissing his daughter gently on her soft, girlish lips.

"Then what's wrong, Daddy?" Amy asked with concern.

"Oh, honey, nothing's wrong. Nothing at all. It's just that I've been selfish. I haven't been thinking about your needs," Craig said thoughtfully.

"My needs?" Amy echoed.

"Sure, baby, I'm not the only one with sexual needs. Right now, for instance. I'd guess that you're feeling pretty horny and that your little pussy wants to cum, right?" Craig asked.

"Well… yeah, that's true, Daddy," Amy admitted with an attractive flush.

"There, you see? And as your daddy, I want to take good care of you just like you've been taking such good care of me," Craig murmured.

"But what can you do to take care of me, Daddy?" Amy asked not understanding.

"I could give you an orgasm. I could lick your little pussy until you have a cum," Craig said. "It's the least I can do after all the times you've helped me cum."

"Oh, Daddy, would you really do that for me?" Amy squealed excitedly, delighted at the idea of her father's lips on her tiny quivering cunt.

"Of course, I'll do that for you, darling… aren't daddies supposed to make sure their little girls are happy and healthy, too? And right now, the best way to make my little girl happy would be to lick your pretty little pussy until you have a big cum!"

"Oh, Daddy!" she squirmed.

"Now, let Daddy take those panties off for you."

"Oh, yes, take my panties off!" Amy cried eagerly.

Craig peeled his daughter's panties down over her ass, down her legs, and over her feet, throwing them carelessly onto the floor.

He stared greedily at his little girl's naked cunt, his eyes glazing over with incestuous fucklust, his cock growing hard.

"Do you like it, Daddy?" she gasped. "Do I have a pretty pussy?"

"Oh, baby! Your pussy is the most perfect little pussy I've ever seen!"

Amy's heart melted for her father. "Ohhh, please touch it, Daddy!" Amy gasped. "Touch my pussy!"

She opened her legs wide, and her hands shot to her cunt. She spread her swollen pussylips apart so her father could see her wet, inner cuntflesh.

Craig gazed down lewdly at his sexy little girl as she writhed on the bed in a frenzy of sexual need, begging him to touch her pussy. Her tits were throbbing, and her stiff nipples were pointing straight up toward the ceiling.

In a haze of incestuous lust, Craig fastened one hand to her cunt and rubbed it. Then he slipped his hand between her spread pussylips and rubbed her wet, pinkish cuntflesh, moaning with desire as he felt his daughter's cherry pussy for the first time.

"Ahhhh, Daddy," Amy whimpered as her daddy fondled her pussy. She seized his big cock in her right hand and stroked it up and down, moaning with lust.

Their mouths came together, their tongues wriggling against each other, their saliva mingling. Amy's eager fingers ran up and down Craig's stiff prick, lingering across the satiny, wet-headed fuck knob.

Craig tickled his little girl's fourteen-year-old clit, feeling it stiffen up against his fingers. He tried to stick two fingers up her cunthole, but the little girl's pussy was too tiny and tight. He was able to get only one finger up her cunt

and, immediately, her cunt muscles naturally grabbed hold of his finger, hugging it hard inside her cunt. Craig could not help but wonder how it would feel to shove his huge prick up his little girl's virginal pussy. His entire body trembled with incestuous lust at the obscene thought.

As her daddy continued to stroke her bursting clit, Amy shuddered. Her tongue stabbed against his faster and harder, low moans came from deep in her throat, and her legs thrashed about wildly on the bed.

"Ohhhh, Daddy, ahhhh!" she screamed. "It feels soooo good! Ohhh, the way you're touching my pussy, Daddy… feels sooo hot… ohhhh, I'm getting all juicy… my pussy feels sooo good! My clit… ohhhh, Daddy, you're making me cum!"

Her mouth broke from his, her hips lifted high in the air, and she humped her tiny orgasming pussy against her daddy's hand. Craig's fingers fucked into her faster and deeper as his little girl came harder than she ever had before.

"Ayeeeeee!" she squealed loudly as hot, fiery thrills shot through her cunt. Her clit pulsed against her daddy's fingers. Her pussy muscles grabbed his finger tightly.

Suddenly, the orgasming blonde felt her father's warm lips on her right nipple. Craig sucked the swollen rosebud into his wet mouth as hard as he could.

"Ohh, yesss, Daddy," Amy sighed. Her clit pulsed violently against her father's hand as her entire body shook hard with a long series of orgasmic spasms.

Hugging her muscular daddy against her, feeling his throbbing prick in her hand, so thick and hard, and feeling his fingers stroking her pussy as he sucked her tender nipple into his mouth… all combined to intensify the young girl's orgasm.

"Unnhhh, baby, baby, baby," Craig murmured huskily as he felt the sweet spasming of his daughter's pussy, the tensing of her throbbing clit and the pulsing of her budding nipple between his lips.

He released her tit with a soft popping sound and watched the lustful contortions of his little girl's beautiful face. Her head swung back and forth in incestuous pleasure. As Craig listened to her squeals of joy and relief as she came, it was all he could do not to cum himself.

The man had never seen anything so erotic or exciting in his life as the sight of his sexy daughter writhing in orgasm against his hand.

As her orgasm subsided, Craig slid his fingers from her supple, twitching pussy.

"Ohh, Daddy, my pussy needs more!" Amy cried, putting her own hand on her pussy and rubbing it hard.

She moved her other hand to her sensitive, swollen tits and she squeezed and fondled them, moving her hand rapidly from one tit to the other, hardly knowing what she was doing, she was so turned-on. All she knew was that she needed to cum. Again and again and again.

Craig grinned, thrilled by what he was seeing. His young daughter was rubbing her own pussy and tits, begging her father for another orgasm. The fact that she was a virgin just made her wanton behavior all the more exciting.

Watching her fondling her own young body made Craig's cock grow harder, and it throbbed against his tummy, drooling pre-cum. His balls ached, feeling as if they were on fire.

"You need to cum again, don't you, baby?" Craig asked, longing for an excuse to lick his daughter's pussy.

"Ohhh, yesss, Daddy, I need to cum again! Sooo badly!" Amy cried in a begging tone.

"Okay, baby, then I'll take good care of you like I said I would. I'm gonna lick your little pussy now until you cum."

"Ohhhh goody, Daddy! Do it! Lick my pussy for me until I cum! Be a good daddy and take care of your little girl," Amy groaned.

Craig eagerly dropped to his knees as Amy spread her legs as far apart as she could. The sight of her fresh fourteen-year-old pussy up close was mesmerizing, and he knew that there would be no turning back now. There couldn't be. He had to taste his little girl's pussy. He had to eat her out.

Amy watched her sexy daddy as he knelt between her legs. She saw the shine of fuck-lust in his eyes, and she knew that her own eyes held the same depraved expression.

"Oh, Daddy!" she gasped with excitement as he lowered his head toward her crotch. She felt his strong hands sliding beneath her ass and gripping her asscheeks, each fitting perfectly in his palms.

"Yes, Daddy!" she breathed, her thighs wide apart, her pussy thrust upward. "Suck me, Daddy! Suck me until I cum!"

Craig was so aroused that he was literally shaking. He kissed the top part of his daughter's pulsing cunt. Then his tongue wriggled around her tender clit.

"Oh, God!" Amy cried with fuck-lust. "That feels so good, Daddy! Do it again!"

Up until now, the only thing Amy had ever felt on her pussy had been her own fingers. But nothing could equal the incestuous thrill of feeling her very own daddy's mouth on her young pussy and his tongue on her tiny clit.

Jolts of erotic pleasure spread through her cunt, and her clit tensed and throbbed. She couldn't believe how deliciously good it felt to have her father's mouth nibbling and fondling and sucking her little virgin pussy. She wished he had started licking her pussy years ago.

Her hands flew to her throbbing tits, and she pinched the hard, pulsating nips as a hot, exciting glow spread throughout her entire body. She felt as if she were burning up all over.

"Mmmmm," Craig moaned as he tongued his daughter's clit. He had never tasted such fresh, sweet pussy in his life. He admitted to himself that he had been dreaming for a long time about eating his little girl's cunt. And now, here he was with his daughter's sweet, cherry cunt pressed hard against his face.

As he worked his tongue against her twitching clit, he realized how very lucky he was to be the first guy to eat Amy's pussy. It was a

very special honor. He knew that he could feast on her little cunt all day and all night long.

He stabbed into her cunthole with his tongue, realizing just how tiny that little hole was. The big cock that would have the honor of popping Amy's little cherry had its work cut out for it.

"Ohhh, yessss, that's fantastic, Daddy!" Amy gasped, humping her pussy up against her daddy's sucking mouth.

The thrill of his little girl's cunt thrusting up against his face, the feel of her trim little ass trembling in his hands, and the occasional glimpse he got of her giving her tits a real working over with both of her hands all added fuel to the lust pounding through the man's loins until he felt he would lose his mind with desire for the beautiful young virgin.

"Uhhhhh, arrgghhh!" Amy gurgled, feeling as if her little pussy were on fire. It felt as if it were being turned inside out as her father sucked and tongued it. His tongue, stabbing in and out of her clenching fuckhole, felt the way she thought a cock might feel inside her, and that obscene thought turned the youngster on still more. She thought about her daddy's huge cock, and for just a moment, she wondered what it would feel like stuffed up her little cunthole.

Craig moved his tongue faster and faster, fucking his little girl's cunthole with it, lapping up his daughter's sweet pussy honey that was pouring freely from her little hole. His daughter's fourteen-year-old juices tasted better than any dessert he could think of.

Amy felt as if she were going out of her mind, crazed with an intense longing for another orgasm. She grabbed her father's head and tugged at it, fucking his face with brutal jerks of her hot, wet pussy.

Suddenly, she felt her orgasm beginning, and her entire body tensed and shuddered.

"Ohhhh, Daddy, that's it! Keep sucking my pussy, Daddy! I'm gonna cum… aieeeeee, I'm cumming!" she gasped.

She humped her cute little ass even higher off the bed, letting her father fuck his hard tongue even deeper into her shuddering pussyhole. Over and over, Craig fucked his tongue deeply into the young girl's tight, trembling cunthole as he felt her pussy clutch at his tongue with each throb of her climax.

As she came, Amy felt her daddy's cock pressing hard against her leg, and the lewd sensation only intensified her climax. Buckets of hot cunt juice poured out of her fuckhole, drenched her daddy's face, and rained down her quivering thighs.

"Daddy," she panted as her orgasm subsided. "You said you'd take good care of me, didn't you?"

"Of course, darling," Craig said, raising his juice-smeared face from between his daughter's legs. "It's a daddy's job to take good care of their girls."

"Good. Because I need another orgasm. And judging by the size of that big hard-on you've got, so do you, Daddy! So why don't you fuck me and then we can both cum at the same time?"

Craig felt his prick tingle.

"Please, Daddy? My pussy really wants another orgasm. And so do you! Look at your poor cock! It's so big and hard! If you don't cum soon, you might get sick! Remember what your doctor said! You have to cum as much as possible, Daddy, and what could make you cum harder than fucking a pussy?" Amy asked persuasively.

"But you're a virgin, honey," Craig protested, trying to ignore the pang of lust that shot through his loins at his daughter's lewd suggestion.

"But Daddy, I'm already fourteen! I'm old enough to fuck! And I want you to be my very first fuck, Daddy! Please? If you really meant what you said about taking good care of me, that includes taking care of my pussy, doesn't it?"

"You're so smart, honey," Craig said. "Oh, Amy, I'd love nothing better than to be your first fuck."

"Please, Daddy? Let's fuck each other right now, so we can give you that big orgasm that your doctor would want you to have!" Amy said.

Craig stared at his daughter, no longer knowing what was right or wrong. He shook his head in confusion. And as he knelt there on the bed, Amy suddenly grinned, and she scooted closer to her daddy, wrapping her legs around his hips and humping her crotch up against his prick.

"Ohhh, Daddy, that's it! Keep sucking my pussy, Daddy!"

Then, before the man even had time to react to his daughter's incestuous behavior, Amy spread her cuntlips wide with one hand while she used her other hand to grip Craig's cock and guide it toward her virgin pussy.

"Good God, Amy!" Craig gasped as he felt his little girl's fourteen-year-old pussy lips rubbing against the head of his cock. And he knew he was lost. There was no way he could deny her her very first fuck, the fuck she so desperately needed. The fuck they both needed.

"Will you do it, Daddy? Will you fuck me? Will you pop my cherry for me?" Amy asked eagerly as she continued to rub his fiery cocktip against her pussy lips.

"Oh, yeah, Amy, Daddy'll fuck you all right! Daddy loves you and can't deny your pretty little pussy! Besides, you're right. Fucking you will give me the biggest possible orgasm and my doctor would approve wholeheartedly," Craig said with a chuckle.

"Oh, goody, Daddy, fuck me!" Amy begged.

The broad head of Craig's cock pried the little girl's cuntlips farther apart and he slowly inched his huge throbbing prick into her virginal cunt.

"Ugghhh! Oh, fuck you're tight!" he grunted, nudging his cockhead deeper into her. He wriggled his hips and shoved his cock into her tiny pussy in a screwing motion, finally managing to fuck his prick in all the way up to her cherry.

"Ohhh, Daddy! Did you pop my cherry yet?" Amy asked, her eyes dreamy.

"No, baby," Craig said with another chuckle.

"Oh, hurry, Daddy, I can't wait to feel your big hard cock popping my cherry for me!" the young blonde squealed, writhing lewdly on the bed.

"Are you sure you're ready for Daddy's cock to pop your cherry, baby?"

"I'm ready, Daddy. You know… I think I've been ready for this for a long, long time," Amy said, smiling lovingly up at her father.

"That's my good girl," Craig murmured, returning her smile as he pushed his cock against her cherry.

"Ohhh, Daddy! Hurry, fuck me hard! Take my cherry, Daddy!" Amy cried, raking her sharp fingernails across the man's hairy, muscular chest.

"Okay, baby, this is it! Daddy's gonna pop your sweet, tight little cherry!" Craig groaned.

He leaned back as far as he could without pulling his prick all the way out of his daughter's cherry cunt. Then, with a low guttural groan, he quickly fucked forward, ripping right through Amy's tightly stretched cherry.

"Ohhh, *Daddy!*" Amy cried as she felt the tearing of her hymen, then the sweet filling of her cunthole. She felt the powerful, lusty drive of her daddy's big cock up her virgin pussyhole, and a wild shout of joy sprang from deep in her throat.

"Ohhh, God, Daddy, I can feel it! I felt you tear my cherry! And now I can feel your big cock filling up my pussy! It's really inside me, Daddy! Your prick is finally inside me!" Amy cried excitedly, thinking that this was by far the happiest moment in her life.

"Yes, baby, yes. Daddy's cock is finally in your beautiful little pussy," Craig said huskily, not wanting to admit even to himself that he had the strong sensation that his cock had finally found its home, that it was his daughter's little pussy which his prick had been needing and searching for all these years. He reached out and ran his fingertips gently over his daughter's face as she gazed up at him adoringly.

Craig trembled. He had never fucked a cunt as young and tight as his little girl's. His huge, thick prick was surrounded and squeezed by her wet cuntflesh.

He glanced down and grinned at the expression on his daughter's lovely, young face. She was flushed and smiling, her eyes glazed over, unfocused. Her pretty nipples were visibly

throbbing, stiff and pointy. He could feel her little tight cunt twitching around his prick and he trembled again.

"Ohhh, Daddy, I love the way your big cock feels inside me! Even better than I'd expected! Mmmm, fuck me now, Daddy, fuck me good and hard!"

Slowly, skillfully, Craig began to fuck his little girl.

In and out, in and out, in and out.

The feel of her daddy's huge prick fucking in and out of her snug pussy, his balls wetly slapping against the crack of her ass, filled the child with a hot, rising fuck-lust. She knew that she could never be completely satisfied until she felt her daddy's jism overflowing her cunt.

"Jesus, baby, your little pussy is so sexy! So fucking hot and tight and wet!" Craig growled, giving himself up totally to the lewd pleasure he felt while he fucked his daughter.

"Omigod, that feels good, Daddy! Really, really good!" the young girl gasped. "Fuck me, Daddy! Don't ever stop fucking me!"

Craig groaned as he continued to ram his big, thick cock in and out of his little girl's pussy. Her cunt was well lubricated with her own juices. And more and more of the hot, creamy cunt sauce poured out of her pussy in lewd streams, coating his big cock-shaft trembling in her pussy.

Amy's swollen nipples were throbbing harder and harder, aching with the need to be sucked.

"Ohhh, my tits, Daddy! Suck my nipples! They need to be sucked soooo bad!" Amy cried.

She gasped with excitement when her daddy lowered his head and sucked one pert nipple between his lips. He sucked hard on her trembling little fuckbud, then nibbled on the rock-hard nip with the edges of his sharp teeth.

"Yessss, I love it! Do it again, Daddy, nibble my tits!" the fourteen-year-old screamed.

"You're such a sexy little girl, Amy," Craig murmured before returning his mouth to her tits, moving rapidly from one tit to the other, using every part of his mouth on the youngster's budding titflesh.

Amy moaned with pleasure and ran her hands up and down her daddy's strong, muscular arms. Both father and daughter were soaked with sexual sweat now, and the wet sound of their bodies slapping together filled the room around them, serving to increase the sexual tension that seemed to pulse through the air around the incestuous couple.

"Unnhh, work those cuntmuscles around my cock, baby," Craig murmured hornily.

With a grin and then a grunt, Amy clenched her strong, tight cuntmuscles hard around her daddy's prick. Then she unclenched them, releasing his prick so he could pull out of her pussy, only to fuck back in hard. And again, she clenched pussy muscles around his hard cock.

"Unnhhh, arrgggghhh, yeah, that's it, baby! It feels great! Keep it up, baby!" Craig grunted, shivers of incestuous lust running through his powerful body.

"Ohhh, Daddy, I love you soooo much," Amy moaned, arching her back and thrusting her crotch up against her father's prick, meeting his hard fuckmeat with her wet, hot pussy.

As she arched her back, her fuckhole opened up even more to her father's fucking prick, and she squealed with joy when she felt the full length of her daddy's cock fucking all the way up her small, tight cunthole.

"Daddy loves you too, baby, more and more each day," Craig responded, his voice slurred with lust.

Amy moaned continually as her little cunt ached with a raw, pulsing pleasure. She had never felt anything so good or exciting in her life, and she suspected that she never would again. She writhed wantonly on her daddy's bed, feeling happier and hornier than she ever had before.

"Oh, fuck, Amy! Your sweet little pussy feels so good around Daddy's cock!"

He scooped his hands under his little girl's ass and lifted her hips.

"Try bending your knees, honey," he muttered.

"Oh, I'm sorry, Daddy! I didn't know I was supposed to be doing that!" Amy cried, embarrassed, as she quickly bent her knees for her daddy.

"Oh, fuck! Fill my cunt with all of your cum, Daddy!"

"Don't feel bad about that, honey. It's a real turn on to fuck such a young, innocent little girl as you. I'm glad that you don't know all about fucking so I can teach you. That's what good daddies are supposed to do, baby, teach their little girls all about fucking," Craig said sincerely as he plunged his cock into her juicy little cunt. "Honey, fucking is the most sincere form of love a father can show his little girl," Craig said, wishing they had started fucking years ago.

"Oh, Daddy!" the girl beamed. "I love you so much! Thank you for popping my cherry for me… and for making my very first fuck so good for me… I'll never forget what you're doing for me, Daddy… and I'll always love you more than anyone else in the whole wide world!" Amy cried fervently as she gazed up at her father with feverish eyes.

"Ohhh, baby," Craig moaned, truly touched by his daughter's loving words, "I love you too, baby, more than anything! And I promise to always do my best to make you and your sexy little pussy as happy as can be!"

Amy moaned, swimming in sensations her father's cock was giving her pubescent pussy.

"Now…" he said a few moments later, "while I fuck you, try to fuck back at me with your pussy, okay?"

"Okay, Daddy!" Amy said eagerly.

She spread her legs even wider as she thrust her hips up, grinding her pussy hard against her father's prick.

"All right, baby! You got it!" Craig exclaimed, pleased that his sexy daughter was such a quick learner.

"Ohhh, my tits are aching so much," Amy moaned softly. But her daddy couldn't hear her above his loud groans and grunts of pleasure.

Craig gazed down at his sexy daughter and turned on even more as he saw the look of incestuous joy in her face. He fucked his thick cock harder and deeper into her each time, feeling more aroused than he could remember ever feeling in his life.

His cum was churning hotly in his balls and he knew that he could cum any time now if he wanted to. But he remembered his little girl's plea to make this fuck last a long, long time. And since it was her very first fuck, he wanted to make it as good for her as possible.

He was pleased that his little girl's instincts were so sound. For he knew from his own sexual experience that their fucking would be all the better the longer it lasted.

Amy learned fast from her daddy. Each time he fucked his cock into her cunt, she thrust her hips up high in the air, fucking back at his cock with her hot, juicy pussy.

"God, baby, you're fucking back at Daddy soooo good!" Craig rasped.

"And you're fucking me real good, too, Daddy!"

Amy reached up with both hands and stroked her father's face and sweaty chest. Then she looked at her sweat-covered fingertips and, with a little lust-filled groan, the horny fourteen-year-old sucked those sweaty fingers right into her mouth.

"Mmm, good," she moaned, grinning up at her father.

"You crazy little kid," he groaned, shaking his head as he returned her grin.

Then Amy began to thrust her crotch upward to meet each of her daddy's downward slams of his big prick.

"Ohhhh," she moaned over and over, her moans growing louder and higher-pitched with each savage cock-thrust.

She lifted her ass high off the bed, keeping pace with her father's fucking motions. She shivered with lust for her big, muscular daddy. This fuck was far more thrilling to the youngster than even her horniest fantasies. The fact that it was her very own daddy who had popped her cherry for her and who was giving her the first fuck of her life aroused the young blonde beyond belief. She simply could not imagine anything more exciting.

"Unnhhh, yeah, Daddy, you're fucking my pussy so good! Fuck me, Daddy! Keep fucking me! Fuck me hard, Daddy, harder than you've ever fucked anyone before! I need it soooo bad! I need my sweet daddy's big cock fucking up into my pussy for the rest of my life! Fuck meeee," Amy wailed, clawing at her tits.

Craig lowered his head and pressed his mouth against his daughter's, their tongues quickly interlocking. They tongue-kissed over and over as the man continued to fuck his huge, hard cock in and out of his little girl's juicy cunt.

"Oh, God, yessss, Daddy! I love the way you're fucking me! I think I've always wanted your cock up my cunt!" Amy whimpered.

For a moment, his little girl's words shocked Craig. But then he realized that he had unconsciously been lusting for his sexy daughter for years, too. And, when he thought about it, it was quite a compliment to be desired by such a young, sexy girl.

The fourteen-year-old's thick cunt juices were flowing rapidly out of her cock-stuffed cunthole, pooling lewdly around the base of her daddy's prick. The creamy cunt sauce seemed to be everywhere. It completely filled Amy's pussy. It coated her father's cock, wetting down his aching balls. It soaked her soft cunt hairs and ran down her thighs. It even formed a small pool of liquid on the bed between Amy's legs.

"Ohhh, ahhh, you sexy little cunt," Craig groaned, sliding his gigantic prick in and out of his daughter's sopping wet cunt.

"Unnhhh, yessss," Amy hissed between clenched teeth. She could feel every single hard inch of her father's thick cockmeat in her pussy. She gasped and sighed with incestuous joy, tossing her head back and forth, wriggling her hips violently.

She tightened and relaxed her fourteen-year-old cunt muscles around her father's cock, squeezing it hard as he fucked her harder and harder with each thrust.

"Oh, yeah, baby, you're doing that so great! Keep squeezing Daddy's cock, baby!" he panted.

He fucked his cock in and out rapidly in long, powerful, thrusting movements, teasing the girl's small cuntlips and her trembling clit with each brutal fuck-thrust.

"Yessss, yessss, fuck meeee, yes, fuck meee!" Amy moaned over and over as her ravaged cunt-meat burned and throbbed, raising her to heights of joy and excitement she had never felt before.

Both father and daughter were soaked with sweat now as they fucked each other with wild abandon.

Craig fucked his huge cock deeper and deeper into his daughter's cunt, sliding out, then fucking back in again, his tight, boiling balls slapping wetly against her ass-crack.

"Oh, God!" Amy yelled, realizing that she had reached a point where she no longer had any control at all over her own actions. Her young, wanton body had completely taken over, fucking back at her daddy's prick more and more savagely with each of his penetrating fuck-thrusts.

"Ahhhhh, Daddeee!" the young blonde screamed at the top of her lungs as her climax began.

She closed her eyes but still she saw bright spots of dancing colors behind her clenched eyelids as her first fuck-orgasm rushed through her childish pussy, releasing more and more pussy juice.

"I'm cumming hard, Daddy! You made me cum with your big daddy-cock! Oh, fuck, Daddy, I'm cummmiiinnngg!" Amy yelled hoarsely.

"Yeah, baby, I can feel your little pussy jumping like crazy all over the place! Keep cumming, baby, and Daddy'll keep fucking you!" Craig cried with lust.

"Aieeeeeee!" Amy yelled as the peak, of her orgasm struck her with tremendous force.

She had never felt anything like this in her life. Even the orgasms she had given herself with her fingers… even the orgasm her daddy had given her with his tongue… they were nothing compared to the mind-boggling ecstasy rocking through her entire body now. And she knew that it was so thrilling because the cock fucking her and giving her such unbridled joy belonged to her own father.

"Ugggggghhhh," he groaned wildly, slamming her so hard with his stiff prick that her small ass scooted back along the bed.

"Ohhh, Jeeesus, Daddy… I never… it feels soooo… my little pussy… I love it… I love it!" Amy panted. Her prick-stuffed pussy spasmed around her father's cock.

"Ohhh, baby, baby, baby!" he panted.

"Yessss, Daddy, yesssss," Amy screamed, still cumming. "Hurry and cum inside me, Daddy! Shoot all your cum up my pussy! I need to feel it, Daddy!"

With both hands, Craig lifted his daughter's hips high in the air and stabbed her creaming cunt with his cock. Her obscene words had triggered his orgasm, and there was no way in the world the man could hold back any longer.

"You sexy little girl! Daddy'll give you all his cum all right! You begged me for it! Now take it! Take it all, you horny little girl!"

He shouted as the first powerful jet of hot fatherly cum shot into her pussy, coating her fourteen-year-old cervix. He snapped his head back as another shot of spunk gushed from his cum-slit and splashed deep into his little girl's twitching pussy.

"Yessss, yessss, yesss," Amy sobbed happily as she felt her daddy's cum gushing into her, completely filling up her still-spasming pussy.

She reached up and gripped her daddy's shoulders, pulling him closer to her. She knew now that this must be the ultimate thrill for a little girl… having her very own daddy pop her cherry, fuck her with his hard cock, and finally dump his entire load of incestuous cum up her little pussy.

"Oh, fuck! Fill my cunt with all of your cum, Daddy! Shoot it all! I love it!" she cried.

Her pussy muscles spasmed, relaxed, spasmed, relaxed, each time another wad of Craig's cum blasted into her, as if her tiny cunt was getting the one cock it had always wanted.

"Arrghhh, God, God, God!" Craig groaned. He had never shot so much cum before in his life, and he knew that it was the intense thrill of fucking his own little girl that had created so much cum in his trembling balls.

Finally, their orgasms subsided and the father and daughter lay weakly in each other's arms.

"Mmm, Daddy, you made so much cum! I'll bet you have the healthiest cock in town!" Amy said softly.

"Yeah, baby, you bet I do!" Craig said with a fond smile at his adoring daughter as he leaned down and lovingly kissed her tender nipples.

"I'm glad Mommy's gone, Daddy. Now I can have your big sexy cock all to myself!" she giggled with girlish delight. ★

Q&A with Ricky

What keeps this horny young teen so hard at home?

Q: ***How old were you when you realized that you had a boyhood crush on your mom?***

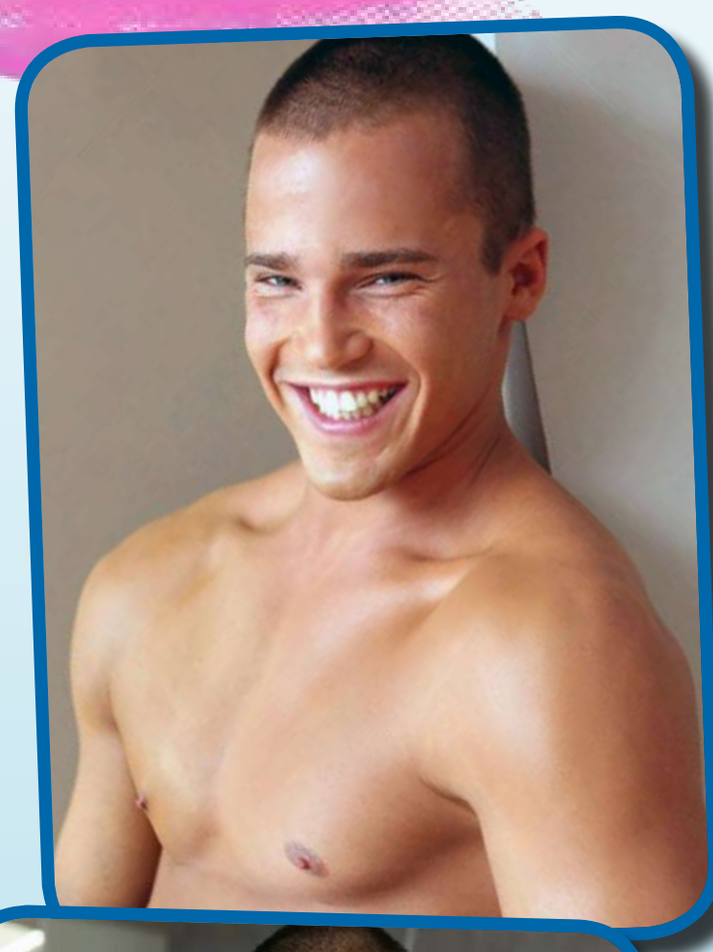

A: I don't remember exactly, maybe just before I was in Junior High. Mom was always my favorite parent. I loved cuddling with her and always wanted to be near her. When I was lucky enough to come across a pair of her underwear in the hamper, I knew I had found something special. They smelled amazing, and I immediately got hard. Before I realized what I was doing, I was rubbing her pretty panties on my stiff cock. It just felt the right thing to do. It didn't take long to fill her panties with my juice before putting them back in the hamper. After that I always looked in the hamper for a fresh pair of Mom's nice panties.

Q: ***Did your mom ever find out what you were doing?***

A: She did. A few months later she asked me why her panties had so much dried cum in them. She didn't seem mad, so I wasn't worried about getting in trouble. I told her the truth—that I loved smelling and feeling them, that I loved to rub my cock on the soft fabric and cum into them. She smiled and hugged me. She acted like I had just given her the best compliment in the world. Then she surprised me by slipping the panties she was wearing down under her robe and giving them to me. I was elated. They were so soft and warm! Mom wanted me to show her how I used her panties. So I pulled my shorts down and displayed my hard cock to her. She gasped as I wrapped her warm panties around them and started to rub them all over. "Oh, that looks so good, Ryan!" she said. "Keep rubbing them! Show Mom how you make them all cummy!" I was watching her face the whole time I jerked off, feeling the warmth of her amazing panties wrapped around my cock. "Oh, Mom! You panties feel so good! I'm gonna cum!" I yelled and she got down on her knees. "Do it, Ryan! Fill my panties with your sweet cum!" I grunted and she watched my cock squirt all my cum into her panties. "Oh, so good, Ryan! So very good!" When it was all over, I handed her the panties, and she smelled them, smiling at me. Mom always brought her panties to me after that and watched me cum into them.

Q: ***Did your incestuous fun progress any further?***

A: You bet! A few months after showing Mom how I cum, she came up to me after school wearing only her bra and panties and asked me if I wanted to smell the panties she was wearing. I couldn't resist—I got down and stuffed my face between her legs and inhaled. She smelled amazing! I told her how much I loved her panties and how good she smelled down there. She giggled and said, "Do you want to rub your cock on these panties, Ryan?" I hopped up and quickly removed my clothes as Mom lay on her back on the couch with her legs spread wide. I got between her legs and held the base of my cock as I rubbed the tip against her wonderful panties. She moaned and giggled as I started humping the panties she was wearing, sliding my whole cock along the crotch and feeling my balls slap against her butt. After a few moments, she carefully slid her panties to the side. I felt my cock start rubbing on Mom's soft pussy lips! My cock and balls started to get wet with her juices and I came right there, squirting all over her stomach. Some cum even landed on Mom's perky nipple. "Oh, baby! Mommy came, too! Your cock make Mommy's pussy cum too, Ryan!" After that, a day didn't go by without Mom and I fucking. She still leaves her dirty panties on my pillow for me.
